ALUMNI ASSOCIATION

Hon. President.....Lt. Col. S. R. Balcom, M.P.
President.....M. E. Keating
First Vice-President.....Miss Florence Wall
Past President.....H. R. Wyman
Past First Vice-President.....Miss Zilpha J. Linkletter
Second Vice-President.....Ralph Hebb
Treasurer.....Clinton B. Havey
Associate Treasurer.....Miss Margaret Graham
Editor Alumni News.....W. Graham Allen

EXECUTIVE

Miss Frances W. Doane Dr. A. B. Campbell Miss Frances Jubien
Edward J. Dunsworth Dr. P. S. Christie Mrs. Doreen Heaps
Arthur Moreira Ralph Kane

ALUMNI REPRESENTATIVES ON BOARD OF GOVERNORS

1950-53.....Gordon S. Cowan
1950-53.....George Farquhar
1951-54.....G. Raymond Smith
1951-54.....M. M. Rankin
1952-55.....W. D. Outhit
1952-55.....Magistrate R. E. Inglis

ALUMNAE REPRESENTATIVES ON BOARD OF GOVERNORS

1950-53.....Mrs. Ralph Hebb
1951-54.....Mrs. F. R. Duxbury
1952-55.....Mrs. J. R. Longard

Address all communications to Mr. Clinton B. Havey, Alumni Office,
Dalhousie University, Halifax, N. S.

Membership Fee.....\$ 3.00
Life Membership Fee.....50.00

For the graduate of Dalhousie who lives in or near Halifax the Alumni News must seem to serve a very limited purpose. To such a graduate its chief value must appear to be that it offers a compact record of university activities of interest to the Alumni and brief notes on certain graduates. Much of the material which appears in its pages will be already known to the Halifax reader. It should be remembered, however, that the primary purpose of the Alumni News is to serve those who are living far from Dalhousie. Its value must be judged on how well it serves as a link, binding together and to the university all the sons and daughters of Dalhousie.

THE SENATE:—Members of the University Senate posed for this picture on May 10, 1952, on the occasion of their first meeting in the Senate Room of the new Arts and Administration Building. Sitting, left to right:—Dr. Louise Thompson Welch, Dr. Horace E. Read (Dean of Law), Dr. J. H. L. Johnstone (Dean of Graduate Studies), Professor C. L. Bennet, Secretary, Dr. A. E. Kerr, President, Dr. George E. Wilson (Dean of Arts and Science), Dr. J. S. Bagnall (Dean of Dentistry), Dr. H. L. Scammell, Registrar, Dr. H. G. Grant (Dean of Medicine), Standing, left to right:—Dr. H. P. Bell, Dr. C. B. Weld, Dr. D. J. Tonning, Prof. C. H. Mercer, Dr. W. J. Chute, Prof. H. R. Theakston, Prof. W. R. Lederman, Prof. R. S. Cumming, Prof. J. H. Aitchison, Dr. J. G. Aldous, Dr. G. P. Grant, Prof. A. S. Mowat, Prof. G. Vibert Douglas, Dr. F. R. Hayes, Prof. F. H. Page, Dr. J. Burns Martin, Dr. A. K. Griffin, Dr. J. A. McCarter, Prof. C. Walmsley.

SPRING CONVOCATION, 1952

"True Dalhousie weather"—as President Mackenzie used to call it—favored the spring convocation again this year. Although skies were dark and a misty rain was falling as the academic procession marched from the Nova Scotia Technical College to the Capitol Theatre, the sun soon broke through and by mid-morning, as graduates and friends left the theatre, they found that once again Convocation had brought a glorious spring day.

Well before noon visitors were congregating on the campus. Cameras were everywhere as graduates posed in gowns and hoods on the steps of the new Arts and Administration building. From noon until tea was served at Shirreff Hall in late afternoon, a steady procession of graduates and friends toured the campus and the new building.

Because of the size of the graduating class—more than 350 this year—the spring convocation in recent years has been held in the Capitol Theatre. It is hoped, however, that arrangements will be effected to bring the ceremony back to the campus.

Degrees this year included 71 in Arts, 47 in Science, 34 in Commerce, 7 in Education, 56 in Law, 53 in Medicine, and 12 in Dentistry. Diplomas were awarded to 18 in Education, 2 in Music, 17 in Engineering, 23 in Pharmacy, 9 in Public Health Nursing, 4 in Teaching and Supervision in Schools of Nursing, and 2 in Food Technology. Three graduate students received the degree of Master of Arts, 4 Master of Science, and two Master of Laws. In addition diplomas of honor were granted to 12 graduates in Arts and Science.

The degrees were conferred by President Kerr and the candidates were presented by the Deans of the respective faculties: Dr. G. E. Wilson; Arts and Science, Dr. H. E. Read, Law, Dr. H. G. Grant, Medicine, Dr. J. S. Bagnall, Dentistry, and Dr. J. H. L. Johnstone, Graduate Studies.

Two distinguished Dalhousians received honorary degrees from their Alma Mater: Dr. Robert MacGregor Dawson, Professor of Political Science at the University of Toronto, and Dr. Charles Malcolm MacInnes, Professor of Imperial History at the University of Bristol.

Dr. Dawson is best known as the author of the "Dawson Report" following his inquiry as Royal Commissioner on Provincial Development and Rehabilitation in Nova Scotia. A native of Bridgewater, he graduated from Dalhousie with the degree of Bachelor of Arts in 1915, obtaining his M.A. from Dalhousie in 1916. He holds the degree of A.M. from Harvard (1917) and the degrees of Master and Doctor of Sciences in Economics from the University of London (1921 and 1922). During his career, Dr. Dawson has taught at Dalhousie; the Carnegie Institute of Technology, Pittsburgh; Rutgers University, New Brunswick, N.J.; and the University of Saskatchewan, Saskatoon. He has been on the Toronto faculty since 1943.

Dr. MacInnes was born in Calgary but came to Dalhousie in 1911 after studying at the Halifax School for the Blind. He graduated with distinction as a Bachelor of Arts in 1915 and, since 1919, has been on the teaching staff of the University of Bristol. He has held his present professorship since 1943. Well known as a gifted public speaker, Dr. MacInnes was Honorary Secretary of the Voluntary Speakers Panel, Ministry of Information, Southwest Region, from 1940 to 1946. From 1941 to 1945 he served as Emergency Information Officer for the City of Bristol, in charge of a force of 12,000 relief workers. For his war work with Netherlands pilots and for his organizing of aid for war orphans in the Netherlands, he received the insignia of Commander in the Order of Orange Nassau.

NOVA SCOTIA'S NEW LIEUTENANT-GOVERNOR

A distinguished Dalhousian, Alistair Fraser, M.C., Q.C., B.A. '06, LL.B. '08, LL.D. (honoris causa) '48, on October 1, 1952, became Nova Scotia's 21st Lieutenant-Governor, succeeding the Hon. J. A. D. McCurdy who had held the office since August 12, 1947.

The Hon. Mr. Fraser, who is the son of a former Lieutenant-Governor, the Hon. D. C. Fraser, retired last year after 19 years as Vice-President of the Canadian National Railways in charge of that system's vast traffic division.

A native of New Glasgow, the Hon. Mr. Fraser graduated from the Dalhousie Law School in 1908 and was called to the Bar in 1911. He practiced law in Eastern and Western Canada until the outbreak of World War I when he enlisted with the 17th Battalion, C.E.F., later serving with the Princess Patricia's Canadian Light Infantry and the 15th Battalion. During his service overseas, he advanced from captain to company commander and adjutant, winning two promotions in the field. He was awarded the Military Cross at Vimy Ridge.

The Hon. Mr. Fraser was appointed aide-de-camp to General Sir Arthur Currie, commander of the Canadian corps, and remained with the Canadian forces until demobilization in 1919, when he joined the Canadian National Railways as general solicitor, becoming commission counsel in 1923.

As commission counsel he represented the railway before the Board of Railway Commissioners of Canada and the Interstate Commerce Commission of the United States. This brought him in close touch with the problems affecting the handling of rail traffic and intimate contacts with traffic officers of the principal industrial firms. In 1929 he was appointed assistant general counsel, and in October 1932, he was made Vice-President in charge of traffic.

Dalhousie University conferred the honorary degree of Doctor of Laws upon Mr. Fraser in 1948.

Mr. Fraser is married, his wife being the former Jane Graham Ross, of Moose Jaw, Saskatchewan.

APPOINTMENTS AND PROMOTIONS**Faculty of Arts and Science**

Earl Frederick Guy, a native of Sydney Mines, who holds the degrees of B.A. and M.A. from Dalhousie and who received the degree of Ph.D. from the University of Edinburgh this spring, has been appointed Lecturer in the Department of English. He will conduct the classes normally given by Professor C. L. Bennet who is in New Zealand on a year's leave of absence. Dr. Guy who graduated in Arts with high honors in English won several prizes and awards during his years at Dalhousie including the Joseph Howe Poetry Prize, the Wings Club Scholarship, the Archibald MacMechan Scholarship in English, and the I.O.D.E. Post-Graduate Overseas Scholarship.

Nordau R. Goodman, a native of New Glasgow, has been appointed Associate Professor of Geology. Dr. Goodman graduated from Dalhousie in 1940, receiving the degree of Bachelor of Science with high honors in geology, and was winner of the Governor General's Medal. He served with the Canadian Army overseas from 1942 to 1945 and in 1946 received his M.Sc. degree from Dalhousie. He was selected as Rhodes Scholar for Nova Scotia in the same year and subsequently was awarded the degree of Ph.D. in mineralogy at Oxford. He has been teaching at Exeter College, Oxford, until this year.

Faculty of Law

W. R. Lederman, B.A., LL.B. (Sask.), Vinerian Scholar, B.C.L. (Oxon.), is another Rhodes Scholar and Army veteran. A member of the Law Faculty since 1949, he was appointed, last June, to the Sir James Dunn, Bart., Chair in Law, as the first occupant of this chair, gift of the Algoma Steel Corporation. The appointment marks another stage in the development of the program of post-graduate work in the Law School.

Arthur Joseph Meagher, B.A., LL.B. (Dal.) has joined the full-time staff as Province of Nova Scotia Professor of Law. Mr. Meagher received his LL.B. degree in 1936 and was winner of the Macdonald Prize. Prior to his appointment, he was practicing in Halifax with the firm of Burchell, Smith, Jost, Meagher, and Burchell.

Lorne Otis Clarke, B.A., LL.B., has joined the full-time staff as Assistant Professor of Law. A native of Malagash, Mr. Clarke received his LL.B. degree in 1951. He won the Canada Permanent Mortgage Prize on graduation and was also awarded a James DeMille Essay Prize for a paper in the field of jurisprudence.

Rt. Hon. J. L. Ilsley, P.C., LL.D., Chief Justice of Nova Scotia, who has been lecturing part-time on Income Taxation, is now lecturer on Legal Ethics and is succeeded in Income Taxation by **Frank Covert, D.F.C., Q.C., B.A., LL.B.**, who received his Law degree in 1929. Mr. Covert is a member of the firm of Stewart, Smith, MacKeen, Covert, Rogers, Sperry and Cowan.

Faculty of Medicine

Kenneth F. Gregory, B.Sc., (U.B.C.), M.Sc., Ph.D. (Wisconsin) has been appointed Assistant Professor of Bacteriology. A native of Calgary, Dr. Gregory has been engaged in research and teaching at the University of Wisconsin.

L. B. Macpherson, M.B.E., B.Sc. (Acadia), Ph.D. (Toronto), has been appointed Assistant Professor of Biochemistry. Dr. Macpherson is a native of Annapolis Royal who carried out graduate studies in Toronto under the famous Sir Frederick Banting. He served with the Canadian Army in World War II, spending nearly six years overseas in chemical warfare and technical intelligence. He was officer commanding No. 1 Canadian Chemical Warfare laboratory from 1940 to 1945, in recognition of his war services, was created a Member of the Order of the British Empire.

Nicholas Nemethy, M.D., has been appointed Assistant in Microanatomy. Dr. Nemethy is a graduate of the University of Dubrechen in Hungary. He is an accomplished linguist and the author of nearly a dozen research publications.

Dr. Dong Jun Kim, has been appointed Lecturer in Physiology. Dr. Kim, who is 35, is a graduate of the Medical College in Pyongyang, but from 1939 to 1945 was a graduate student and assistant in the Imperial University at Seoul. He was Professor of Physiology at Ewha Women's University, in Seoul, until called up for military service in July 1950, serving as major and Chief of the Clinical Laboratory, R.O.K. 5th Army Hospital, Pusan, until April of this year when he was transferred to the First Reserve and appointed Professor of Physiology and Director of the Medical School, College of Medicine and Pharmacy, Ewha Women's University.

Other changes in the Faculty of Medicine include the following: Dr. Roger W. Reed, promoted to full professorship in Bacteriology; Dr. A. R. Morton, promoted from Assistant to Associate Professor of Preventive Medicine; Dr. R. D. Stewart, promoted from Assistant to Associate Professor of Biochemistry; Dr. R. L. Aikens, promoted from Lecturer to Assistant Professor in Medicine; Dr. J. F. L. Woodbury, confirmed as Lecturer in Medicine after post-graduate work in Toronto in the field of rheumatism and arthritis; Dr. C. A. Gordon and Dr. Douglas L. Roy, appointed Demonstrators in Medicine; Dr. Ian S. Robb and Dr. James F. Ross, appointed Demonstrators in Gross Anatomy.

School of Nursing

Miss Jean Church, B.Sc. (Dal.), R.N., has been appointed Assistant Director of the School of Nursing, succeeding Mrs. Marion C. Pennington who is serving as advisor to the Turkish Government by arrangement with the World Health Organization. Miss Church is a native of New Glasgow who graduated in nursing from the Royal Victoria Hospital, Montreal, and took post-graduate study at McGill. She has been an instructor in several Nova Scotia hospitals.

THE PROPOSED McCULLOCH GATEWAY

Plans are under way to erect an ornamental gateway at the Coburg Road entrance to the Studley Campus in memory of Dalhousie's first President, Dr. Thomas McCulloch. (An artist's conception of the gateway appears on the inside front cover). It is hoped to limit the appeal to Dalhousians who entered the university in or before the year 1893, the half-century after Dr. McCulloch's death.

The project is more fully explained in a letter from Dr. Kerr which has gone out to Alumni of the 1893 group. The Alumni office has tried to ensure that a copy of this letter went to everyone concerned but since the Alumni office, like any other office, is subject to human frailty, it is possible that some have been missed. If you are one of these, we hope you will read the letter, below, with sympathetic interest. Here it is:

A few months ago it occurred to some members of the Alumni in Halifax that there should be an appropriate memorial on the Campus to Dalhousie's first President, the great Dr. Thomas McCulloch. He made such a fundamental contribution to the development of the University, and his services to education in general were so creative that, we feel, young people who come here to study should be confronted by some visible reminder of their debt to him. Specifically, it was suggested that an ornamental gateway somewhat similar to the one which the architect who prepared the "Vision of Dalhousie" many years ago included in his plans should constitute a worthy monument to this illustrious man, and would, incidentally, provide an impressive entrance from Coburg Road to the University grounds.

Consequently, a committee composed of Arthur Barnstead, I.S.O., Q.C., B.A. '93, LL.B. '95, Honourable Charles J. Burchell, P.C., Q.C., B.A. '97, M.A. '09, LL.B. '99, and Melville Cumming, B.A. '97, LL.D. '19, were invited to consider the matter and judge the merits of the proposal. They in turn sought the opinion of a larger group of the older graduates and, on their recommendation, the Board of Governors have authorized the collection of a fund of about \$5,000.00 to erect the McCulloch Memorial Gateway at the prominent location mentioned. The first invitation to participate in the project is being extended to Dalhousians who entered the University up to 1893, the half century after McCulloch's death, and it is hoped that they will see the venture through.

Cheques in Canada should be made payable to Dalhousie University and addressed to the Alumni Office, Dalhousie University, Halifax, N. S. Cheques in the United States to the Dalhousie University Foundation Inc., Room 316, Hotel Carteret, 208 West 23rd Street, New York 11, N. Y. Receipts for all contributions will be sent for income tax purposes.

Your interest in this effort will be cordially appreciated.

NEWS ABOUT THE FACULTY OF GRADUATE STUDIES

During the 1951-52 session, sixty students (the same number as in the previous year) were registered in the Faculty. Three Master of Arts degrees, four Master of Science degrees, and two Master of Law degrees were conferred at the May 1952 Convocation. At the forthcoming autumn Convocation, it is expected that four M.A. degrees and seven M.Sc. degrees will be conferred, making a total of twenty for the year.

A gratifying number of "grants in aids" of research were awarded to members of the Faculty. These awards were 21 in number and have a total value of \$50,109. They were received from the National Research Council, the Defence Research Board, and the Department of Public Health.

Twenty scholarship and bursary awards, of gross value \$20,900, were received by graduate students. Seventeen of these awards are being held at Dalhousie, and three are being held elsewhere by students who graduated from the Faculty in 1952.

National Research Council Studentships of value \$900 were won by:

Donald D. Betts	Mathematics	Tenable at McGill
G. Malcolm Graham	Physics	Tenable at Dalhousie
B. H. Matheson	Bacteriology	Tenable at Dalhousie

National Research Council Bursaries of value \$600 were won by:

Elmer H. Anthony	Zoology	Tenable at Dalhousie
Ralph E. Green	Physics	Tenable at Dalhousie
Robert J. McIntyre	Physics	Tenable at Dalhousie

In addition, a Teaching Assistantship in Psychology to Duke University was won by K. S. Nickerson; a Laboratory Assistantship in Zoology at Yale University was won by Eugene Harris, and four Federal Mental Health Grants in Psychiatry were awarded to Doctors Adair, Beck, Cleveland and Poulos.

Faculty of Graduate Study Fellowships, made available through the generosity of a number of Nova Scotia business firms, were awarded as follows:

Oland and Sons Teaching Fellowship in Mathematics—George E. Cross
 Oland and Sons Teaching Fellowship in History—Guy R. MacLean.
 Mersey Paper Company Teaching Fellowship in English—Sophia Newman.

Dr. A. Stanley Mackenzie Teaching Assistantship in English (provided by Halifax Fisheries Ltd.)—Helen L. Snow.

Teaching Assistantship in Mathematics—Earl L. Wonnacott.

A matter of great interest to this Faculty is the coming to Dalhousie campus of the Maritime Regional Laboratory of the National Research Council. This laboratory was officially opened on June 16, 1952 by Dr. E. W. R. Steacie, F.R.S., and on this occasion the Uni-

versity conferred on him the honorary degree of LL.D. It is gratifying to Dalhousians that the first director of this laboratory is Dr. E. G. Young, for many years Professor of Biochemistry at Dalhousie. It is expected that there will be close co-operation between the staff of this laboratory and the members of the science departments of the university. The inauguration of this laboratory is an important event in the life of this Faculty.

THREE CONVOCATIONS IN OCTOBER

As we go to press, plans are under way for three convocations at Dalhousie during the month of October. These are the regular Fall Convocation, when the student body is convened in formal assembly, a special convocation preceding the official opening of the Naval Research Establishment Laboratory in Dartmouth, and a convocation which will be part of a day-long program celebrating the opening of the Law Building.

Distinguished scientists and service officers from Canada, the United Kingdom, and the United States have been invited to a convocation on October 16, when Dr. O. M. Solandt, Chairman of the Defence Research Board, is to receive an honorary degree. The new Naval Research Establishment Laboratory is another of a group of research laboratories in the Halifax area whose work is integrated with that of Dalhousie.

The Faculty of Law takes the spotlight on October 25, to celebrate its establishment in the building originally intended for Law but, for many years, housing the Faculty of Arts. The building has been completely remodelled for the Law School and classes began in the new building with the opening of the Fall term.

The day's program includes a symposium on legal topics, conducted by a group of distinguished authorities, receptions, and the convocation ceremony in the afternoon. Among those who are to receive honorary degrees are Dean Erwin Griswold, S.J.D., L.H.D., LL.D., of Harvard; Andre Taschereau, W.C. LL.D., of Quebec, President of the Canadian Bar Association; Judge Vincent Macdonald of the Supreme Court of Nova Scotia, and a former Dean of the Dalhousie Law School; and Dean George Curtis of the University of British Columbia Law School and a former Professor of Law at Dalhousie.

Some distinguished graduates of the Dalhousie Law School will play a prominent part in the day's program. They are: Mr. Justice John E. Read of the International Court of Justice; Chief Justice J. L. Ilesley, of Nova Scotia; and Premier Angus L. Macdonald, of Nova Scotia; Dean Horace E. Read will be host to the visitors who are expected to come from many parts of Canada.

The day's program concludes with a dinner to be tendered by the Nova Scotia Barristers' Association.

OUR ANNUAL MEETING

Nearly three hundred people gathered at Shirreff Hall on Tuesday, May 6, for the annual meeting of the Dalhousie Alumni Association, with members of the graduating class as special guests. Following a buffet supper the meeting convened with the President, H. R. Wyman, in the chair.

Mr. Wyman introduced a distinguished Dalhousian who was visiting Halifax to receive an honorary degree from the university: Dr. Charles Malcolm MacInnes, Professor of Imperial History at the University of Bristol. Dr. MacInnes spoke briefly and was enthusiastically applauded.

In his report of the year's activities, the President mentioned a greatly increased membership in the association, the furnishing of men's and women's common rooms in the new Arts and Administration Building, the successful party staged for Class '55, and the organization of an Alumni skating club.

Miss Zilpha Linkletter, Vice-President, reported an active year in the Women's Division, highlighted by the Musical Tea and Sale at which \$800 was raised. Several additions had been made to the library at Shirreff Hall and \$200 had been given to the University to pay for drapes for the Hall, these contributions being in addition to contributions made for the common rooms.

After thanking Dr. H. L. Bronson for his active interest in Alumni activities during the past year, the President called for nominations for an Honorary President for 1952-53. G. Raymond Smith then nominated Col. S. R. Balcom, M.P. Col. Balcom, he recalled, enlisted in World War I with the No. 7 (Dalhousie) Stationary Hospital Unit and in World War II was Officer in Charge of Medical Supplies for all Services. He has also been president of No. 7 Stationary Hospital Unit Benevolent Fund.

Col. Balcom is a Past President of the Alumni Association, served on the Committee of Nine, and was active on the committee that brought about the amalgamation of the Men's and Women's Alumni organizations. He is a member of the Board of Governors of Dalhousie, having been appointed as an Alumni representative.

The nomination was warmly seconded by Mrs. Harry Roper and unanimously adopted by a standing vote.

Dr. Kerr spoke briefly, complimenting the Alumni on their helpful work in support of the University and predicting continued growth. Col. K. C. Laurie, Chairman of the Board of Governors, endorsed Dr. Kerr's remarks and complimented the Executive on their devoted efforts on behalf of Dalhousie.

The report of the Scrutineers, presented by George Farquhar and G. S. Cowan, showed the following elected:

President, Maurice E. Keating; Vice-President, Miss Florence Wall; Second Vice-President, Ralph Hebb; Executive, Miss Frances Doane, Dr. A. B. Campbell, Dr. P. S. Christie; Alumni Governors, Mrs. Evelyn Longard, W. D. Outhit, Magistrate R. E. Inglis.

George Thompson and W. D. Outhit were named auditors for the coming year.

At a subsequent meeting of the Executive, the following appointments were made: Secretary, Miss Dorothy P. Rhind; Membership Secretary, J. W. E. Mingo; Treasurer, Clinton B. Havey; Associate Treasurer, Miss Margaret Graham; Editor Alumni News, W. Graham Allen; Executive Members, Miss Frances Jubien, Mrs. Doreen Heaps, E. J. Dunsworth, Arthur Moreira, Ralph Kane. Mrs. Ralph Hebb was nominated as Alumni Governor to fill the vacancy caused by the death of Miss Lois Creighton.

WITH THE ALUMNI GROUPS

The Editor of the Alumni News, in his capacity as Director of University Liaison, visited three groups of Dalhousians, earlier in the year, in the interests of Alumni activity. On each occasion he showed pictures of Dalhousie and Dalhousians, past and present, and told the groups something of current programs at the university.

In Sydney, George G. Campbell, as president of the Cape Breton Alumni, was authorized to appoint an executive committee to frame a program of activity including the establishment of a Cape Breton scholarship.

In Saint John, a group of Dalhousians elected the following provisional committee to organize a meeting in the fall when definite objectives will be outlined and discussed: B. R. Guss, president; Miss Mary Lou Lynch, vice-president; Dr. A. D. Gibbon, secretary; E. L. MacElmon, treasurer; and Miss Lucille Calp, assistant treasurer.

In Moncton, a meeting convened by Rand H. Matheson, elected a similar provisional executive to organize a local branch: Dr. C. R. Baxter, president; Miss Marjorie Dunsworth, vice-president; and H. R. Cohen, secretary-treasurer.

A committee in Lunenburg county is compiling a list of Alumni in that area preparatory to calling a general meeting this fall. The committee is as follows: Dr. W. A. Hewat, Lunenburg, president; Dr. G. D. Donaldson, Mahone Bay, and C. R. Levy, Bridgewater, vice-presidents; and Mrs. Martin Eisenhauer, Lunenburg, secretary.

THREE DIRECT PHYSICAL EDUCATION

Three trained coaches are directing physical education and recreation at Dalhousie this year. They are: Florence Rowley, who last year coached the championship Dal girls basketball team and who has resumed her duties this year as Director of Physical Education for Women and Keith V. King and Angus N. Gillis, appointed jointly as Directors of Physical Education.

(Gabriel Vitalone, formerly the male coach at Dalhousie, resigned last spring in order to return to Springfield College to complete required work for his doctorate in Physical Education.)

With two male coaches sharing the duties this year, more attention is being given to interfaculty sports and to some form of physical activity for all. Mr. King is primarily responsible for Canadian football, basketball and physical education and Mr. Gillis for ice hockey, English rugby and interfaculty sports.

Apart from organized team sports, the year's program includes short courses, of a few weeks each, in badminton, volley ball, and even square dancing, and the coaches hope, thereby, to have the facilities of the gymnasium used by a greater proportion of students.

Mr. Gillis, who is a son of Mrs. Jessie Creighton Gillis, B.A. '21, was born in Truro and attended Colchester County Academy where he was co-captain of the baseball and hockey teams and a valued member of the football team. He studied for two years at the Nova Scotia Agricultural College, where he played football and hockey, and later attended Springfield College, Boston, where he majored in Physical Education and was captain of the hockey team in his senior year, 1950-51.

During the school year 1951-52, Mr. Gillis was Director of Physical Education for the schools of Campbellton, N. B., where he coached football and hockey, finding time as well to coach the Campbellton Tigers in the North Shore Hockey League. During the summer months he has instructed in tennis and swimming in New Glasgow and in Campbellton.

Mr. King is a native of Montclair, N. J., where he attended High School. On finishing his high school studies he joined the U. S. Navy in 1945 as an air cadet and served for 18 months. He entered Springfield College in 1946, receiving the degree of Bachelor of Science in Physical Education in December 1949, and spending the rest of the year in graduate study. He received his Master's degree in Physical Education in June of this year. Since 1950, Mr. King has been on the staff of the Physical Education Director for the Halifax Schools. During that time he has coached several high school and other teams and, in 1951, officiated in the City Football League.

During his years at Springfield, Mr. King played football, ran in track events, and skied. He holds the Springfield record for the 220 low hurdles and has led the United States in school football records. He is also an experienced square dance caller. During the summers he has worked as a guide in New England and Northern Ontario

THE NEW COACHES:—Angus N. Gillis, left, and Keith V. King.

DALHOUSIAN HEADS UNIVERSITY

Since July 1 of this year, Raymond Gushue, C.B.E., Q.C., of St. John's, Nfld., has been President of the Memorial University of Newfoundland. Mr. Gushue is a graduate of the Dalhousie Law School where he won the University Gold Medal and the Carswell Prize in his graduation year and was for fifteen years a member of the Board of Governors of Dalhousie.

He has been active in the public life of Newfoundland, especially in phases pertaining to the fisheries.

THE HONOR ROLL, WORLD WAR II

The names appearing below are those of Dalhousians known to have died while serving in the Allied forces during World War II. It is intended to erect a suitable memorial to our war dead but, first, the list must be complete and accurate. It is quite probable that other names should be added to this list and we appeal to our readers to advise us of any additions or corrections.

Akin, Thomas Bernard
 Antoft, Otto Hjalmar
 Arab, Edward Francis
 Barrett, John Hamilton
 Beazley, Henry Thiepval
 Bullock, Reginald Warren
 Burns, Gerald Ross
 Christie, James Homer
 Cook, Albert
 Covert, Robert Laird Borden
 Cragg, Thomas Edwin
 Critchley, John Galt (Weldon)
 Eaton, Kenelm Edwin
 Embree, William Hazen
 Fergusson, John Drummond
 Forsyth, Alfred Stuart
 Foster, Walter William Vassie
 Fraser, Abraham Lincoln
 Good, Edgar Andrew
 Goodman, Rose Jett
 Grant, John Ritchie
 Haines, Victor Yelverton
 Hanway, James Albert
 Heal, Herbert Newton
 Henderson, Hugh Malcolm
 Holmes, Andrew Evan
 Howse, William Palmer
 Humphreys, Chad Noel Milliner
 Johnson, Otto Adolph
 Johnson, Winston Case
 Jones, James Harvey
 Jost, Burton Norris
 Krajewski, Thaddeus
 Lane, Stuart Clarke
 Lefurgey, Osborne Bayfield
 Logan, Carson Layton
 Logan, Heber Meredith
 Lugar, William Rand
 MacDonald, Alfred Whitten

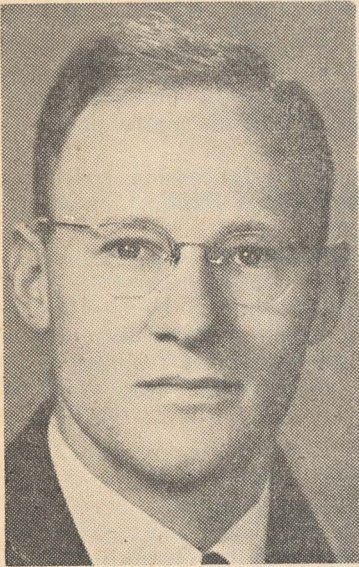

Macdonald, Ernest Warburton
 MacHattie, Harvey Donald
 MacIntosh, Ian Harris
 MacKenzie, Daniel Murray
 McKim, Charles Williston

 Zineck, Cyril Milford

OTTAWA ALUMNI STAGE A ROUNDUP

Ottawa's active Alumni have been staging a roundup of Dalhousians in the nation's capital—and with considerable success. Thanks to a successful gathering in May, which brought a goodly number of Dalhousians together, the Ottawa executive now has the names and addresses of 300 Alumni. Plans are going forward to circulate this list and to invite additions.

Directing the Ottawa group are: Dan Wallace, president; Frank E. Goudge and W. R. McClelland, vice-presidents; S. A. Gillies, secretary; Miss R. Blount, treasurer; Miss Elizabeth Campbell, George Corston, and D. Griffin.

A FORTHCOMING NOVEL

WILLIAM POPE

William "Bill" Pope, B.A. '48, has realized a major ambition after three years of spare-time work and has completed a novel, "Penniless Dreamer," which will be published in time for the Christmas trade. It is the story of a radio advertising salesman who is caught in the traps of big business and fast dollars. A reviewer in "Public Affairs" describes it as "an adventurous tale of an idealistic young man facing the problems of an all too realistic world."

The author has a background of varied experience. While at Dalhousie he was sports editor of the Gazette, editor of the Students' Directory for two years, editor of "Pharos" for two years, and a member of the Council of Students. He played basketball, ping pong, and badminton—the latter well enough to win the Maritime Inter-collegiate Championship.

In his graduation year he was chosen for the Malcolm Honor Award.

During summer vacations the author has been an applepicker, a reporter, rodman, bank clerk, shipyard worker, and brush salesman. For two summers he was a student preacher for the United Church of Canada in Alberta.

After graduation, he worked for a time in the advertising department of a radio station and as a reporter. For the past few years, he has been with the Y.M.C.A. and is at present the Y's program director in Halifax. He is president of the South End Tennis Club and a former Eastern Canadian Mixed Doubles Champion. He is now at work on a second novel, "The Magic Pencil."

ANOTHER BUILDING ON THE CAMPUS

June 16 was another important day in Dalhousie's history. On that day another addition to the fine collection of buildings on the Studley Campus opened its doors. This latest building houses the Maritime Regional Laboratory of the National Research Council of Canada and is situated at the west end of the campus, facing Oxford Street. In announcing the decision to erect the building in Halifax, the Rt. Hon. C. D. Howe, said that it would be located at Dalhousie "in order that its operations may be closely integrated with the scientific activities of that institution and of the Nova Scotia Research Foundation."

The director of the laboratory is a well-known Dalhousian, Dr. E. Gordon Young.

To celebrate the opening of the new laboratory, Dalhousie held a special convocation in the Arts and Administration Building, where Dr. Edgar William Richard Steacie, President of the National Research Council, received the degree of Doctor of Laws (honoris causa) in the presence of scientists and educationists from many parts of Canada.

Following the convocation, the academic procession marched through the campus to the lawn in front of the new Laboratory where the official opening ceremonies took place.

The new Laboratory, as Dr. Kerr pointed out, marks an important step in the expansion of the City of Halifax as a research centre. The city now houses research conducted by this laboratory, by the Naval Research Establishment, the Nova Scotia Research Foundation, the Fisheries Research Board, the Nova Scotia Technical College, and local hospitals. And with all this work, research in many departments at Dalhousie is integrated.

NEW DEAN FOR COLLEGE OF PHARMACY

J. Esmonde Cooke, since 1943 a member of the teaching staff of the Maritime College of Pharmacy, which is affiliated with Dalhousie University, became Dean of that institution, effective June 1. He succeeds James D. Walsh who retired after 41 years of association with the college, having been a member of the original staff when the college began its teaching in 1911.

Dean Cooke is a native of Sydney and attended Sydney schools and Sydney Academy, later graduating with a diploma in Pharmacy from the college and with a degree of B.Sc. from Dalhousie. He has represented the college since 1944 at the Canadian Conference of Pharmaceutical Faculties and is at present chairman of a sub-committee engaged in the revision of the current Canadian Formulary.

ANOTHER DALHOUSIE RHODES SCHOLAR

The Nova Scotia Rhodes Scholar for 1952 is Ronald Neil Robertson, a member of this year's graduating class and winner of the Governor General's Gold Medal as leading First Class Honors graduate of the year. Mr. Robertson won First Class Honors in Political Science.

The Rhodes Scholar is the son of Col. J. G. Robertson, formerly of Pictou County and at present living in London, and has been outstanding at Dalhousie in academic study and campus activity. He was chairman of the Dalhousie Committee of the National Federation of Canadian University Students, a member of the Students' Council, President of the Students' Christian Movement, as well as a member of the debating and English rugby teams and of the C.O.T.C. During his years at Dalhousie he won Public Administration and Khaki University Scholarships.

THE BOSTON ALUMNI IN SESSION

The Boston Branch of the Alumni Association held its annual meeting on May 22, when members met for dinner at the Boston University Faculty Club, their host being Dr. Roy Davis, Honorary President of the branch. The meeting saw slides showing Dalhousie and Dalhousians, past and present, and heard a tape recording of the ceremonies which celebrated the official opening of the new Arts and Administration Building.

Dalhousians present included Dr. Davis, Mrs. Velma Brown, Miss Nellie M. Campbell, Dr. Grace Cragg, Miss Moira Davison, Dr. Anna M. Klebart, Dr. T. H. MacDonald, Rev. D. M. MacIntosh, Dr. A. L. MacLean, Miss Helen Rogerson, Dr. F. N. Stephen, F. C. Underhay, Rev. Gordon Thompson, and Mrs. Arthur D. Hill. The group included a number of guests.

During the evening plans were made for a picnic in the early fall at the home of Dr. Grace Cragg in Harding, Mass. The branch officers were re-elected for another term. They are: Rev. D. M. MacIntosh, President; Dr. Grace T. Cragg, Vice-President; Dr. T. H. MacDonald, Second Vice-President; Fulton C. Underhay, Secretary and Treasurer.

A JAMBOREE IN FIFTY-THREE?

The Executive of the Dalhousie Alumni Association are considering a plan for annual reunions of various classes at Convocation time. Briefly, the idea is that each year certain classes would hold reunions in Halifax, during Convocation Week, to revisit Dalhousie at that pleasant time. The visitors would meet at functions of their own and, presumably, would take part in such Convocation Week activities as the annual meeting and reception of the Alumni Association and the Convocation Ball.

The idea has been tried in several universities and has become a well-established custom. Alumni have found it pleasant, and even thrilling, to revisit their Alma Mater at graduation time and their presence adds a fillip to the gaiety of the occasion.

In many universities, these reunions are held as anniversary affairs. Next spring, for instance, Classes '43, '33, '23, and so on will congregate. Some of our Executive favor that scheme; others think it might be better to encourage reunions of groups who were in Dalhousie at the same period, e.g. '43, '42 and '41 or '33, '32 and '31.

Either way, the Executive is prepared to go all out to help arrange a reunion in Convocation Week. The exact plan will be determined by your response. Won't you drop a line to the Alumni Office and tell us which scheme you think best?

THE MEDICAL SCHOOL

The Medical School is now well under way for another year's work. There were 59 students admitted into the first year: 28 from Nova Scotia, 11 from New Brunswick, 9 from Prince Edward Island, 8 from Newfoundland, 1 from the British West Indies and 1 from the United States. There are now 273 students in the Medical School; 59 in the first year, 54 in the second, 50 in the third, 54 in the fourth, and 56 in the final year.

We have added several new members to the teaching staff.

Dr. J. H. Fodden, who was with us in Pathology as a Markle Scholar in Medical Sciences, has accepted the position of Associate Professor in Pathology at the University of South Dakota.

Dr. C. B. Stewart, of the Department of Preventive Medicine, was away on leave of absence for a year and during that time served on the staff of the Johns' Hopkins School of Hygiene as Associate Professor in the Department of Epidemiology. He is back again and has resumed his teaching duties.

Dr. D. H. Barnbrook, M.B., Ch.B. (Birm.) M.R.C.S., L.R.C.B. (Lond.) F.R.C.S. (Eng.) has retired from the position of Associate Professor of Anatomy to take up private practice in Ontario.

In the Department of Pathology a system of teaching from wet specimens has been adopted and a good collection has been built up. Sets of microscopical preparations are now prepared for each student.

In the Department of Anatomy, the entire course of instruction in gross anatomy has been reorganized, having in mind clinical objectives to meet the changing emphasis in medicine and the needs of the general practitioner.

Also a surface anatomy unit has been established in the Anatomy Department. The first of its kind in Canada, it was an important step in coordinating dissection with the study of the living body. Equipped with examination couches, muscle stimulating and other instruments, it permits the physical, endoscopic, and radiological study of the living human body.

In the newly constituted Department of Anatomy an active research programme has been initiated, supported by grants from various local and national organizations and institutions. Grants totalling \$8,000 have been received during the past year. The Department has also actively participated in the Dalhousie Postgraduate and Refresher Courses.

In the Department of Biochemistry the course given to medical students of the first and second years, was modified by the deletion of much of the chemistry of the natural products, with more emphasis on intermediary metabolism and endocrinology, than has been given heretofore. This was made possible by a division of the Arts students from the Medical students. The Arts students have been given a separate course of lectures and laboratory work. Until now Dental students have also been given a separate course, but a recent revision of the timetable in the Faculty of Medicine has made it possible to combine the course of instruction given to Medical and to Dental students with a resulting improvement of the course and economy of a professor's time.

Thus, at present two undergraduate courses in Biochemistry are given; one to students in the first year of Medicine, and one to advanced students in the Faculty of Arts and Science. Last year 33 students took the "Arts" course.

The Department offers three graduate courses. One of these is a lecture course, one a laboratory course, and the third a seminar and reading course. The addition of a fourth, a full course in Endocrinology, is contemplated. Registered in the Department during the past two years have been several graduate students. Two of these have received the degree of M.Sc., one expects to come up this Autumn and two next Spring.

Dr. Stewart has undertaken a research on the pancreas, and also the determination of natural fat in tissue. He is aided in these researches by grants from the National Research Council, the Permanent Science Fund of the American Academy of Sciences, and by the

Charles E. Frosst Company. The total amount of this support in the past two years has been \$5,730, including \$930 from the Dalhousie Medical Faculty Research Fund.

Dr. McCarter has been continuing his studies on the "Metabolism of Benzene." In addition, he has begun work on a problem for the Defence Research Board. With the aid of his graduate students and two full-time technicians he has been able to complete work on a new method for converting carbonate to cyanide. He has also completed a synthesis of benzene labelled with radioactive carbon.

All of this work has been generously supported by the National Research Council and Defence Research Board. The latter organization granted \$2,060 for 1951-52. The amount received from the National Research Council in support of this work for the two-year period under review was \$4,400.

In addition to the large amount of excellent equipment purchased with the aids of the grants noted above, the Department of Biochemistry has had its facilities further improved by the addition of a good cold room and a chemical storeroom. These two rooms greatly improve the whole organization of the department.

In the Department of Pharmacology, courses are given to Medical students, Dental students and to the students of the Faculty of Arts and Science. Here an attempt is being made to teach Pharmacology and its techniques from the purely academic aspect. The first course, open to third and fourth year medical students, is an introductory one and is followed by a course in research methods and problems. Courses in advanced work are open to students of the Faculty of Graduate Studies.

Prescription Writing and Materia Medica are given to students of Third Year Medicine, with the cooperation of the Maritime College of Pharmacy. The course in Toxicology, given to the Fourth Year, has been entirely revised and now covers in some detail the treatment of poisoning from chemical materials which are commonly found in every household. This, together with the consideration of the toxic effect of drugs given during Medical Pharmacology, should give the students an all-round practical knowledge of Toxicology.

Grants were awarded to members of the department by the National Research Council, the National Cancer Institute of Canada, and by the Defence Research Council, the National Cancer Institute of Canada, and by the Defence Research Board. A total of six technical papers have been published by the staff during the last two years, and four others have been presented to various scientific societies.

Dr. J. C. Szerb who joined the staff during the summer of 1951 has been the recipient of two National Research Council grants for the study of the role of the adrenal cortex in the action of morphine.

Dr. A. K. Reynolds has prepared a comprehensive monograph on the pharmacology of morphine and allied drugs, and is finishing a second dealing with the pharmacology of uterine stimulants.

Dr. J. G. Aldous completed a four-year project for the National Cancer Institute of Canada in 1950, and is now directing his activities to investigating the mechanism of action of certain chemical warfare agents. This investigation is supported by the Defence Research Board.

Two smaller research projects are also being undertaken, one in conjunction with the Department of Metabolism, and the other in cooperation with the Department of Anaesthesia.

During the past summer, four student research assistants were employed. As a result of these activities, the department is becoming well equipped with special apparatus, and use is being made of all available working space.

The Department of Physiology has been most active. Teaching has continued to medical students, to dental students and to Arts and Science students. Also in the absence of Dr. C. B. Stewart, Professor Weld gave the course in Medical Statistics in the Department of Preventive Medicine.

All members of the department share equally in the laboratory course though the lecture load of the junior members is limited in order that they will have more time for their vital research projects. The lectures are frequently illustrated by practical demonstrations, cine films, lantern slides, etc., and it is planned to introduce clinical material early into the course. A large part of the laboratory course consists of exercises in which the students themselves act as subjects and additional clinical demonstrations would very greatly improve the value of classes.

All members of the department have carried out research programs for which financial assistance has been obtained from (a) the Medical Division of the National Research Council; (b) the Defence Research Board and (c) the Medical Faculty Research Fund. These funds have made it possible to employ technical assistants and to purchase equipment and supplies essential for the research work. Many of the items of special equipment have also been of use in teaching. In the two years under review, six students have been employed on research grants. This is very helpful in promoting among the students the need of independent thought and investigation.

The head of the department has continued his studies relative to blood lipids, and the action of heparin in clearing a visible lipemia. He has carried out studies on hemolysis by heparin and also on the alleged effect of acetylsalicylic acid on anaphylaxis. The results of these studies has been presented at meetings of the American Physiological Society, the Canadian Physiological Society and the Nova

Scotia Institute of Science. One paper is in press, and many of the research results are ready for assembly for publication.

Dr. Kaplan has moved into and is using the quarters vacated by Dr. Begg, and he has a very active program in progress on the relation of the physical state of the enzyme molecule to its physiological activity. It is a fundamental type of investigation that may find application in many fields of biology and medicine. Dr. Kaplan has a graduate student and a technician, and quite elaborate and expensive equipment has been provided by research grants. Time is now needed for the investment to pay off. He has several publications accepted for publication, and the results of his work have been presented to the Nova Scotia Institute of Science.

Dr. Spitzer has hepatectomized frogs and determined their metabolic rates and advanced our knowledge of the role of the liver in the metabolism of the components in the lipemia clearing problem and collaborated with the head of the department in this study. The results have been reported to the Nova Scotia Institute of Science and are "in press."

The Clinical Departments have all been quite active. Most of the members have been quite busy with their undergraduate and post-graduate activities. The Department of Obstetrics and Gynaecology has made good progress in its educational program of natural childbirth. They also have underway several interesting and important research projects.

The post-graduate activities under the chairmanship of Dr. E. F. Ross have been well received from the four Atlantic Provinces. Speakers went out to practically every centre of the Atlantic Provinces. The subjects covered were many, and nearly all the departments contributed. In addition, short courses were held at Halifax by the Departments of Obstetrics and Gynaecology, Medicine, Surgery, Anaesthesia, Pediatrics, and a one day course in Preventive Medicine. Speakers were brought to Halifax from Tufts Medical School, from the Lahey Clinic of Boston, Harvard, Toronto, McGill, Yale, The Cancer Hospital, New York, and from Guys Hospital of London, England.

The Postgraduate News sent out four issues to 1200 doctors in the four Atlantic Provinces.

The Refresher Course was held during the week of November 5 to 9, under the chairmanship of Dr. C. L. Gosse. It was a huge success with 236 doctors attending.

H. G. GRANT, M.D.,
Dean.

OTTAWA ACKNOWLEDGMENTS

Following is a list of those who have paid their dues through the Ottawa Branch of the Alumni Association:

Ted Emmett, 77 Putman, Ottawa.....	\$ 3.00
John H. Dickey, M.P., Ottawa.....	3.00
S. A. Gillies, 20 Rideau Terrance, Ottawa.....	3.00
Dr. J. M. Morton, 150 Elgin St., Ottawa.....	3.00
Senator J. G. Fogo, 260 Metcalfe, Ottawa.....	3.00
Dr. C. A. Roberts, 45 Kilbarry Cres., Ottawa.....	3.00
Mr. & Mrs. I. G. Ross, 100 Helena, Ottawa.....	6.00
Louise Rose, 11 Hutchinson, Ottawa.....	3.00
G. C. Foster, 520 MacLaren, Ottawa.....	3.00
Don Mitton, Ottawa.....	3.00
Maj.-Gen. D. C. Spry, 75 John St., Ottawa.....	3.00
C. W. Carter, M.P., Ottawa.....	3.00
S. R. Balcom, M.P., Ottawa.....	3.00
Rear-Admiral J. O. Cossette, 621 King Edward, Ottawa.....	3.00
Dr. R. A. MacKay, 159 Holmwood, Ottawa.....	3.00
Dr. W. H. Frost, 218 Rodger Rd., Ottawa.....	3.00
Frank B. Fox, 89 Maisonneuve St., Hull.....	3.00
W. R. McClelland, 225 Carling Ave., Ottawa.....	3.00
Gordon S. Clark, 304 Driveway, Ottawa.....	3.00
M. E. Campbell, No. 7, 415 Elgin St., Ottawa.....	3.00
L. Sterns, 47 Leonard Ave., Ottawa.....	9.00
M. W. Lawrence, 107 Electric St., Ottawa.....	3.00
Lt. Cmdr. E. B. Mercer, 26 Arundel Ave., Ottawa.....	3.00
D. Wallace, 655 Rideau St., Ottawa.....	3.00
J. G. Howell, 2164 Alta Vista Drive, Ottawa.....	3.00
Mrs. Eugene Forsey, 3 Lakeview Terrace, Ottawa.....	3.00
Dr. H. D. Reid, 130 MacLaren St., Ottawa.....	3.00
Mrs. W. A. Howard, 154 Daly Ave., Ottawa.....	3.00
W. F. McCulloch, 672 Denbury Ave., Ottawa.....	3.00
J. C. Curry, 286 Blake Blvd., Ottawa.....	3.00
Esther Crichton, 24 Alexander St., Ottawa.....	3.00
Mr. & Mrs. G. D. Finlayson, 200 Carling Ave., Ottawa.....	6.00
C. S. Stevenson, 43 Reid Ave., Ottawa.....	3.00
R. Kerr, 176 Iona Ave., Ottawa.....	3.00

PERSONALS

Arthur Putnam Frame, B.Sc. '21, has been elected First Vice-President of Cities Service Petroleum Inc. in New York City. He is President of Cities Service Research and Development Company, and Vice-President of Cities Service Refining Corporation and Cit-Con Oil Corporation.

Dr. Gordon F. Frame, B.A. '27, M.A. '30 has been with the Eastman Kodak Co., Rochester, N. Y. since '37, first in the research department, and now as a member of the Technical Staff.

Leslie Blake MacHattie, B.Sc. '37, who has been employed as meteorologist with the Department of Transport, RCAF Station, Rockcliffe, sailed in March for Ireland where he will serve in the same capacity at Shannon Airport. He was accompanied by Mrs. MacHattie and their two children, and expects to be in Ireland for three years.

Lindon Horne, B.Comm. '49, is now assistant Sales Manager with the Hudson's Bay Company at Edmonton, Alberta.

John Hubert Craigie, Arts '14-'15, LL.D. '51, associate director of Canada's Department of Agriculture was recently elected a fellow of the Royal Society which is Britain's oldest scientific group. He plans to retire from the service of the Federal Department at the end of this year, and hopes to find "some nook or cranny somewhere" and devote the rest of his life to research.

Emma Haskell, B.Sc. '49, who has since graduation been on the staff of the Atlantic Biological Station at St. Andrews, N. B., is now Pilot Officer with the RCAF at London, Ontario.

Kathryn Elizabeth Bean, B.A. '46, is in Boston, having accepted a position as librarian with the New England Mutual Life Insurance Company.

Wesley Winthrop Hawkins, M.Sc. '43, who has been with the Department of Physiology and Medical Research in the University of Manitoba for the last few years, has taken an appointment with the Maritime Regional

Laboratory, National Research Council, Halifax.

E. Benjamin Rogers, B.A. '33 and Mrs. Rogers, (Frances Morrison), B. Mus. '33, have left Prague, where Mr. Rogers has been Charge d'Affaires with the Canadian Legation, and are residing in Ottawa.

Francis X. Mackasey, Comm. '31-'33 is with the Defence Research Board of Canada as administrative officer of the Research establishment at Dartmouth.

Hugh MacLennan, B.A. '28 was awarded the Lorne Pierce Medal for literature by the Royal Society of Canada.

Art Hartling, B.A. '45, D. Educ. '48, has completed the first of a three year course leading to a degree of Master of Fine Arts in drama, at Yale University, where he won an important scholarship. He spent the summer playing in stock in New England.

Charles Gordon MacOdrum, Q.C., B.A. '31, Member of Provincial Parliament for Leeds, Ontario, visited Halifax recently, on a survey of rentals conditions. He is chairman of a select committee on rentals in the Ontario legislature.

Dr. Norman A. M. MacKenzie, B.A. '21, LL.B. '23, U.B.C. President, was named "British Columbian of the Year" by the Newsmen's Club of British Columbia. He is the first person to receive this title.

Dr. Arthur Shears, M.D., C.M. '50, Glace Bay doctor, has been awarded a scholarship of \$1,200 for postgraduate study in physical education and physical medicine. He will work with the Department of Veterans' Affairs hospitals in Halifax and Toronto and with the rehabilitation centre at Malton, Ontario, towards specialization by the Royal College of Physicians and Surgeons of Canada.

Dr. Florence J. Murray, M.D., C.M. '19, has been decorated by the King of Denmark for "outstanding service to humanity." She returned to Korea last year, after a visit to Canada.

Douglas L. Sarantos, B.Sc. '50, Dip. Eng. '50 has been promoted to the rank of Major, and is in command of 30 Field Park Squadron, RCE, Reserve Force.

Rev. Ward H. MacLean, B.A. '30, has accepted a call to J. Wesley Smith

Memorial Church in Halifax. For the last few years he has served in Truro.

Miss Georgina M. MacKay, B.A. '10, LL.D. '51, for several years Principal of the Morrison High School, Glace Bay is retiring this year.

C. Bruce Fergusson, B.A. '55, has succeeded in obtaining the degree of Doctor of Philosophy from the University of Oxford, to be conferred in absentia at their next Convocation. While in England recently, Mr. Fergusson made arrangements for copying through photostatic means of certain documents relating to the history of Nova Scotia. These will be placed in the Provincial Archives Building at Studley, where he has been Assistant Archivist since 1946.

Frederic Rice, Ph.D., B.A. '31, B.Sc. '45 has been granted the Fulbright Award for one year's medical research in England. For the past two years, Dr. Rice has been engaged in research work at Johns Hopkins University, and last year was raised to the status of professor at that institution.

Dr. Franklyn H. Hicks, M.D., C.M. '51, has been appointed Assistant Resident in Medicine at the Boston City Hospital, and took over his duties in July.

Rosborough B. Hamilton, B.A. '49, was the leader of the Pine Hill graduating class this year. He received the degree of Bachelor of Divinity, and was awarded the George S. Campbell travelling scholarship.

Dr. H. H. Jacobson, M.D., C.M. '49, has been appointed resident in surgery at Victoria General Hospital, Halifax.

Miss Janet Gillis, B.A. '46, has resigned her post as executive-director of the Lunenburg County Children's Aid Society. She intends to take post-graduate work in social welfare.

R. M. Richardson, B.A. '22, B. Eng. '22, of Saint John, N. B. was elected president of the Dominion Council of Professional Engineers at their last annual meeting.

Dr. R. Sim. Gass, M.D., C.M. '25, and Mrs. Gass (Mary McIntyre, LL.B. '26) were visitors in Pictou County recently after an absence of fifteen years. Dr. Gass is a T.B. specialist in the United States and lives at Nashville Tenn.

Miss Georgene Faulkner, B.A. '12, M.A. '15, was named a national vice-

president of the National Council of Women at their last annual meeting held in Toronto.

Dr. Lawrence B. Braine, M.D., C.M., 1900, and Mrs. Braine, celebrated their fiftieth wedding anniversary this year at their home, at Glen Margaret, Halifax County. Dr. Braine began his medical practice in 1901, practising at Chester, Annapolis Royal, and in Wyoming. Rev. Robert W. Braine, B.A. '32, minister of St. John's United Church, Halifax, is a son.

Dr. H. S. Crosby, D.D.S. '23, was one of nine Canadian dentists chosen to receive Fellowship degrees in the International College of Dentists. The degrees were conferred in Vancouver in June.

W. A. G. (Bill) Kelley, LL.B. '35, has been elected a director of Brazilian Traction, Light and Power Company Ltd., Toronto. He is a partner of the legal firm of Borden, Elliot, Kelley, Palmer, Sankey of Toronto.

Lt. Col. J. A. Hebb, B.A. '32, for the last few years headmaster of King's College School at Windsor, N. S., resigned in June.

Mrs. Allister F. MacDonald (Mabel E. McGee), B.A. '12, accompanied by her husband and daughters were visitors in the Province in the summer. Mrs. MacDonald is a native of Annapolis and it was her first visit home in forty years. They live at North Battleford, Sask.

Rev. Carman Riggs, B.A. '41, was recently inducted into the pastoral charge of St. Matthews United Church, Inverness, and St. John's United Church, Strathlorne. For the last six years he has been minister at East Saint John, N. B.

Dr. H. Sinclair Tait, M.D., C.M. '14, acting superintendent of the Weston State hospital has been appointed an assistant professor (part time) in medicine and a lecturer (part time) in social work in West Virginia University. Dr. Tait is a diplomate of the American Board of Psychiatry and Neurology.

Dr. J. K. L. Irwin, M.D., C.M. '40, of Charlottetown has been elected to membership in the Society of Obstetricians and Gynecologists of Canada.

Dr. A. V. Fraser, M.D., C.M. '32, is now senior surgeon with the Ross-

Loos Medical Group of Los Angeles, Cal. This organization has a clientele of upward of one hundred and twenty-five thousand subscribers. Dr. Fraser is a son of H. J. Fraser, Arts '00-'03, (Pine Hill '05), formerly on the staff of the Nova Scotia Agricultural College in Truro.

Dr. Harry H. Peters, D.D.S. '31 of Saint John was elected a vice-president of the Dominion Dental Council at their last annual meeting at Vancouver.

Charles Haddon Smith, B.Sc., '46, D. Eng. '46, M.Sc. '48, received his degree of Doctor of Philosophy in Geology at Yale with honors. Earlier he received a Master of Science at Yale. He is now in Newfoundland continuing his studies of chromite deposits for the Geological survey of Canada.

Rt. Rev. C. M. Nicholson, B.A. '31, was called out recently on temporary duty in the United Kingdom and Germany. He is acting Colonel.

Rev. Victor B. Walls, B.A. '21, has resigned from the principalship of Naparima College, San Fernando, and after being relieved of his duties, expects to leave Trinidad the end of March, 1953, and will make his home in Blackville, N. B.

Rev. William H. Forsythe, B.A. '24, of Jerusalem, N. B., now has pastoral charge of the West Cape United Church, P. E. I., and will serve the congregation of Bethel, Glenwood and Cape Wolfe.

Dr. Douglas K. Murray, M.D., C.M. '35, has completed a post-graduate course in Baltimore, Md., and also an Ophthalmology Study Council course at Westbrook College, Maine and has taken up practice in Halifax. Following graduation from Dalhousie, he practised in Liverpool.

Nancy (Allen) Heine, Arts '45-'49, was third place winner in the short story award given by the Montreal Branch of the Canadian Authors Association. She has recently left Halifax to reside at Gimli, Manitoba, where her husband, Roland D. Heine, B. Eng. '50, has accepted a position.

Dr. Walter Erwin Taylor, D.D.S. '32, was recently elected president of the 4th District Dental Society, a component part of Dental Society of the State of New York, comprising 11 counties of upstate New York. Dr. Taylor has also been elected to the

Board of Education of Saranac Lake, New York for a three year term.

Justice John Erskine Read, B.A. '09, of the International Court of Justice in the Hague, was honored in June by an honorary degree of Doctor of Civil Laws conferred by Oxford University.

William M. Adamson, Dip. Food Technology, B.Sc., and Diploma of Chemical Engineering '52, is now working as assistant chemist in the laboratory of Christie Brown, Ltd., Toronto.

Miss Joan McCurdy, B.A. (K) '50, is working in the Library of the Hydro Power Commission, Toronto.

Dr. J. E. Hiltz, B.Sc. '30, M.D., C.M. '34, medical superintendent of the N. S. Sanatorium, Kentville, N. S., is on leave, having been awarded an Overseas Bursary by the National Association for the Prevention of Tuberculosis in order to study this kind of work in the United Kingdom.

Miss Diane Parker, L. Mus. '51, has been awarded a \$500 scholarship by the Toronto Conservatory of Music. She is a native of Berwick.

C. Fred Fraser, B.A. '31, M.A. '32, is now associated with the Canadian Pacific Railway, in the capacity of economic consultant. His headquarters will be at Montreal.

The following letter has been received from Korea:

"You may be interested to know of the accomplishments of Dr. Florence J. Murray, M.D., C.M. '19, who is again in Korea at the Severance Medical College Hospital, Seoul.

"Last week I had the pleasure of hearing her speak at a meeting of the Far East Marine and Navy Medical Society at Pohang-Dong. She presented two fine papers, one on the customs and traditions of Korea, the second on Medical Practices Peculiar to Korea. She is an accomplished physician and able speaker. The physicians of U. N. forces who have heard her and met her are indebted for the insight which she affords. They also uniformly admire her. This is evidenced by the number of times military authorities have issued her permissive orders to fly to their meetings as guest or speaker.

"The doctor is a fine example of

Christianity in this fertile country."

James A. McLaughlin, L.Cdr., M.C., U.S.N.

Medical Battalion, First Marine Division, F.M.F.

Rev. Harold A. Frame, B.A. '24, D.D., has been honored by the Manitoba Conference with the election to the presidency. He is minister of the St. Stephens-Broadway Church, Winnipeg.

Rev. A. Frank MacLean, B.A. '27, minister of St. Andrew's United Church Sydney for the past six years, has accepted a call to Trinity Church in Charlottetown.

Rev. Gerald Rogers, Arts '17-'18, recently of Edmonton, Alta., was inducted into the ministry of Bridge-water United Church in July.

Rev. W. K. MacKay, Arts '08-'13, for the last five years minister at Shelburne is now United Church Minister at Bass River, N. S.

Judge Frank Brettle Scott, LL.B. '96, and Mrs. Scott visited Nova Scotia during the summer. It was Judge Scott's first visit in twenty-two years to his former home in Stellarton. Following legal practice in Halifax, he went to Salt Lake City, and on retirement took up residence in St. Petersburg, Florida. He holds a degree of Doctor of Psychology.

John E. McKenna, Pharm. '15-'16, of Pictou, was elected president of the Nova Scotia Pharmaceutical Society. President for the New Brunswick Society is Wilfred A. Bowlin, Pharm. '37-'38.

A recent visitor in Halifax was Lawrence Earl, Arts '33-'34, at one time a Canadian war correspondent and now a feature writer with John Bull, the English Saturday Evening Post. Last year he was the only writer to have a book listed on the New York Times best seller list. That was "Yang-Tse Incident"—the story of the British warship, "Amethyst."

Dr. Eldon L. Eagles, M.D., C.M. '36, divisional supervisor, Department of Health has received two distinctions. One is the Royal College of Physicians and Surgeons of Canada certificate in public health and the other a fellowship in the American Public Health Association.

Carl P. Bethune, B.A. '23, LL.B. '25, is the newly-elected president of the Nova Scotia Barristers' Society.

Dr. Graham S. Colquhoun, M.D., C.M. '47, is continuing post-graduate studies in Vienna, after several years post graduate studies in New York. He is a son of Fraser Colquhoun, Pharm. '14-'15, North Sydney.

Charles S. A. Ritchie, Arts '24-'26, is Deputy Undersecretary of State for External Affairs. Since joining the External Affairs Department in 1934, he has served in Washington, London, Paris and Ottawa, and since 1945 has been closely associated with Canada's participation in United Nations affairs.

'17-'19, has been elected president of the Eastern Conference of Motor Vehicle Administrators, being the first Nova Scotian and one of the few Canadians ever to be elected president of the conference which includes administrators from 13 of the eastern states and all of Eastern Canada.

Mrs. Terry Monaghan Pothier, B. Mus. '47, has taken up permanent residence at St. Catharines, Ont., where her husband Hector Joseph Pothier, LL.B. '51, is practising law. She has been a voice and piano teacher in Halifax for the last few years.

Dr. Ronald D. Drysdale, M.D., C.M. '48, has just completed four years post graduate work in medicine at McGill University, and the Royal Victoria Hospital in Montreal, and is now practising at North Battleford, Sask.

R. S. Levey, LL.B. '50, was a summer visitor to the campus. He makes his home at Middletown, N. Y., where he is employed in the legal department of the New York, Ontario & Western Railway.

Mrs. Nancy (Allen) Heine, Sp. '45-'48, has been awarded third prize in the Montreal Branch of Canadian Authors' Association Short Story awards. She is now residing at Gimli, Manitoba. Her husband is a graduate in Engineering in the 1951 class.

Dr. H. M. Parker, DD.S. '32, is the new president of the Nova Scotia Dental Association. Dr. G. K. McIntosh, B.Sc. '28, D.D.S. '31, was elected president of the Nova Scotia Defense Dental Association at their July meeting.

James A. Doull, B.A. '39, Professor at Dalhousie University, was elected president of the Classical Association of the Atlantic Provinces at their annual meeting.

Miss Dorothy M. McKay, B.A. '18, has been appointed Librarian of the Cape Breton Regional Library at Glace Bay, her duties starting September 1, 1952. For the past several years she has been Chief Librarian at Dalhousie University.

Dr. C. G. Harries, B.Sc. '31, M.D., C.M. '36 is the newly elected president of the Pictou County Medical Society. He practises in New Glasgow, N. S.

Doctors G. H. Murphy and J. R. Corston, classmates of the Dalhousie Medical School graduates of 1902 were honored at the last meeting of the Halifax Medical Society in commemoration of fifty years in active practice. They were made honorary life members in the Society. Dr. Corston is also one of 11 Canadian doctors to receive senior membership in the Canadian Medical Association for outstanding contribution to Canadian medicine.

Dr. H. Jermain Creighton, B.A. '06, M.A. '07, professor of chemistry at Swarthmore College, Pennsylvania, retired this year after forty years teaching on the staff of the college. He will make his home at Glen Margaret, N. S.

Dr. Carl R. Trask, M.D.-C.M. '38, has been appointed superintendent of the Saint John General Hospital. Since 1947 he has been district medical health officer for Saint John City and County and Charlotte County, N. B.

Miss M. Erma Nelson, B.A. '20 is one of the twelve teachers to receive the Order of Scholastic Merit awarded by the Provincial Association of Protestant Teachers of Quebec. She is one of two named for Distinguished Merit. For the past few years, she has been Vice-Principal of Montreal Commercial High School, and is a past president of the Provincial Association of Protestant Teachers, Quebec. She holds an M.A. degree from Columbia University.

Richard A. Donahoe, B.A. '30, LL.B. '32, was elected mayor of Halifax at the last civic election. He has practised law in Halifax since his graduation.

H. R. Milner, Q.C., LL.B. '10, is president of the Canadian Salt Company Limited of Montreal. He is also presi-

dent of Anglo-Canadian Oil, and a director of the Royal Bank of Canada. His home is in Edmonton, where he has practised since graduation from Dalhousie Law School.

Rev. J. R. Skinner, Arts '20-'24, lately of the Winsloe Pastoral Charge of the United Church, P. E. I., has accepted a call to the United Church at Loggieville, N. B.

Dr. Phyllis D. Burse, M.D., C.M. '50, of Moncton, is now in charge of the Moncton Mental Health Clinic, and Dr. Ora R. Smith, M.D., C.M. '50 also of Moncton is medical officer in charge of the Saint John Mental Health Clinic. Both have just completed post-graduate studies in psychiatry at Dalhousie University.

Rev. A. E. Coleman, Arts '23-'25 of Saint John, received the honorary degree of Doctor of Canon Law at the Spring Convocation of King's College.

George G. Campbell, B.A. '29, principal of Sydney Academy, received an honorary LL.D. from Xavier Junior College, Sydney, at their convocation in May.

Dr. Nathan B. Epstein, M.D., C.M. '48, is taking post graduate work at Columbia University at the Psycho-analytic Clinic for Training and Research.

Lewis Miller, B.A., '49, who graduated with first-class honors in philosophy and also won the Governor-General's Gold Medal, has recently won top honors in examinations at the University of Edinburgh. He won his Master of Arts degree with first-class honors, and also was first in the School of Philosophy.

Dr. Hugh M. Eaton, D.D.S. '27, was awarded the honorary degree of

Fellow of the American College of Dentists at their last annual meeting.

Major J. R. Millar, B.A. '34, Eastern command chaplain for services since 1948, has been appointed assistant director of chaplain services (Protestant) at Army Headquarters at Ottawa.

Dr. David Edward Rodger, Med. '28-'30, M.D., C.M. (McGill) now a leading doctor in Regina, is co-author of a book entitled "Arthritis and Rheumatism—The Patient's Guide to Treatment." Dr. Rodger is a Fellow of the Royal College of Physicians, and during the war was attached to the British Army Medical Corps.

Dr. Robert A. MacKay, former professor of Government and Political Science at Dalhousie University, has been promoted in the Department of External Affairs. Since 1949 he has been head of the Defence Liaison Division of the Department, and has been promoted to the rank of assistant under-secretary of state for External Affairs.

Robert Buckley MacDonald, LL.B. '49, was recently elected president of the Progressive-Conservative Association for Pictou County. He is a former Dominion junior track champion and a paratrooper during the war. He is one of the organizers and is president of the Better Canada Club.

Eddie Crowell, Eng. & Comm. '43-'49, is again golf champion having won the title for the provincial championship at the summer tournaments.

Rev. J. Frank Rudderham, B.A. '29, (K) B.D., is the new headmaster at King's Collegiate School, Windsor, N. S., succeeding John A. Hebb, B.A. '32 (K). Alton Lomas, B.A. '49, is also on the King's Collegiate staff.

DEATHS

The Hon. Fleming Blanchard McCurdy, P.C., well known Nova Scotian financier, since 1932, Honorary Treasurer of the Board of Governors of Dalhousie University, and a Governor of the University since 1928, died in Halifax on August 29 after a brief illness. He was 77 years of age.

Born February 17, 1875, at Old Barns, Colchester County, he was the eighth son of the late James and Amelia Janet

(Arehibald) McCurdy. Beginning his career with the Halifax Banking Company, he left that institution in 1900 to found the private banking firm of F. B. McCurdy and Company, which became the leading investment house in Eastern Canada. He was later Vice-President and a Director of the Bank of Nova Scotia, President of the Halifax Insurance Company, President of The Eastern Trust Company, Presi-

dent and Director of Eastern Utilities Ltd., and a Director of Canadian General Electric.

He was at one time owner and publisher of The Halifax Chronicle and The Halifax Daily Star and had interests in several other provincial papers and in radio station CJCH.

The Hon. Mr. McCurdy was elected to the House of Commons, representing Shelburne-Queens in 1911 and served in various public offices. He entered the Dominion Government and became one of His Majesty's Privy Counsellors for Canada on July 13, 1920, and was appointed Minister of Public Works.

During the closing years of the last century, the Hon. Mr. McCurdy was captain of the Wanderers' English rugby football team and was also a member of its championship ice hockey team in 1899. He was also fond of hunting and fishing and was an ardent golfer, winning the Maritime Provinces Senior Championship in 1925 and 1926.

The Hon. Mr. McCurdy is survived by his wife, the former Florence Bridgman Pearson, one son, Blanchard Pearson McCurdy, Halifax, twin granddaughters, Joan and Ann, and three grandsons, John Blanchard, Peter Reading, and Christopher David.

Alexander Donald Gunn, Q.C., died in City Hospital, Sydney, August 13, at the age of 80. He was stricken suddenly in his office the previous day. He was born at East River St. Mary's, Pictou County, and was educated at Pictou Academy, and Dalhousie, receiving the degree of B.L. in 1895, and LL.B. in 1897. He first practised law at St. Peters, later going to Sydney where he also became editor of the Sydney Post. From 1910 to 1913 he was mayor of Sydney. He was a leading figure in civic and provincial politics, and was considered one of the outstanding criminal lawyers of his time. He was a charter member of the Knights of Pythias. Two sons who survive are graduates of Dalhousie, William A. D., Q.C., B.A. '22, M.A. '24, LL.B. '25, and Alfred Osborne, LL.B. '50, both being associated with their father in the firm of Gunn & Gunn.

Dr. Claude Hill Keith died suddenly at his home in Odessa, Delaware, September 2. He was born at New Glas-

gow, and attended Dalhousie Medical School during 1910-'12, receiving his medical degree in 1922 from the University of Vermont. Since then he has practised at Odessa. Surviving are his wife and four children.

Dr. G. F. MacKay died August 30th at his home in Dalton, Mass. He was in his 82nd year. He was born in Pictou, and after graduation from Pictou Academy, attended Dalhousie Medical School in 1890-'91. He received his degree in medicine in New York in 1894, and practised in the United States for over 50 years, until a week before his death.

Mrs. Struan Robertson, the former Margaret Frances McCurdy, died at her home at Upper Montclair, New Jersey in September. She was born at Old Barns, Colchester County and graduated from Colchester County Academy, before coming to Dalhousie. She entered Dalhousie in 1920 on a University Scholarship, and received her B.Sc. in 1923, at the age of 17. For two years she was assistant instructor in chemistry receiving her Master's Degree in science in 1925. Later she taught in the Loward Heywood Girls' Private School in Stanford, Conn., and at Oakrow, Maine, and Mount Prospect, Newark, N. J. W. Harold McCurdy, Ph.D., B.A. '21, M.A. '22 of Horseheads, New York is a brother.

Kenneth L. Brown, died at his home in North Sydney, August 20, after an illness of several months. He was born at Victoria Mines fifty-four years ago, and went to North Sydney as a boy, where he has since resided. He received his early education at St. Joseph's School, and St. Francis Xavier University and later at Catholic University, Washington. He received his law degree from Dalhousie in 1921. He was considered an expert on marine law.

Randal A. MacDonald died at his home in Halifax in March. For many years he was associated with Super Service Limited, at one time book-keeper, and later as office manager. He attended Dalhousie University in 1908-'09 in Arts, having entered on a Sir William Young Scholarship. He was 62 years old.

Dr. Alexander Robinson, known as "the grand old man of education" in

British Columbia, died at his home in Victoria, April 9, at the age of 89. He was born at Saint John, and graduated from Dalhousie in 1886. In 1908, the University conferred on him an honorary doctorate of laws. He became principal of Vancouver's first secondary school in 1890, and in 1893 was principal of Vancouver's first High School. For two years he was principal of Victoria High School, and for 21 years was superintendent of education for B. C., retiring 15 years ago. He was also instrumental in establishing the University of British Columbia.

Ernest Doiron died suddenly from a heart attack April 1, 1952, at Fredericton. He was born at Shediac in 1891, and educated at St. Joseph's University where he received his B.A. degree in 1912, and later at Dalhousie University, receiving his LL.B. in 1916. He also attended Christ College, Oxford in 1915 as a Rhodes Scholar. In 1929 he set up his law practice at Dalhousie, N. B. During the first World War he saw active service in France from 1916 to 1919, and was a past president of the Moncton G.W.V.A. He was also a member of the Canadian Bar Association, and for the last ten years was town solicitor for Dalhousie, N. B. and deputy magistrate, as well as being reporter for the Court of Appeals, a division of the Supreme Court of New Brunswick.

Dr. Charles W. Anderson died at Bishop, California, April 7, 1952. He was born at Halifax, where he received his early education. He entered Dalhousie in 1895 on a Sir William Young Scholarship, graduating with a B.A. in 1899. Most of his life was spent in Los Angeles, where he practised until his retirement to Bishop a few years ago.

Mrs. Bessie Cumming Robb passed away April 13, at the home of her son, Dr. Donald Robb, Shelburne, after a brief illness. She was born in Pictou County and spent most of her life there and in Korea where she and her husband, the late Rev. Dr. Alex. F. Robb, were missionaries for over thirty years. She taught in a mission school in Pyeng Yang, and remained in Korea for six years after the death of her husband in 1935. She graduated from Dalhousie in Arts in 1896, and for a

time taught at the School for the Blind in Halifax. She is survived by three sons, all Dalhousians, Dr. Robert Cumming, B.A. '24, B.Sc. '26, Ph.D. (Harv), in California, Dr. Ian, B.A. '37, M.D., C.M. '42, Halifax, and Dr. Donald, B.A. '36, B.Sc. '38, M.D., C.M. '42, of Shelburne with whom she resided.

John C. Haslam was drowned while on a fishing trip near his home at Westfield, New Jersey, in April. His son who accompanied him narrowly escaped a similar fate. Mr. Haslam was a student at Dalhousie in Law in 1921-'23. He was a graduate of Harvard University and the Law School of Cornell. He was born in Newcastle, Ontario, and served with the Canadian Expeditionary Forces during World War I. At the time of his death he was with the law firm of Milbank, Tweed, Hope and Hadley of New York. He is survived by his wife, one son, and one daughter in Westfield, and by two brothers, Dr. Greville Haslam, and Dr. Montford Haslam, M.D., C.M. '26, of Hamilton, N. Y.

Mrs. Fred M. Cornell (Gladys Una Smith) B.A. '11, M.A. '12, died at her home in Halifax May 3, 1952, after several years of ill-health. She was born at Portsmouth, New Hampshire, and came to Halifax at an early age. She was one of Dalhousie's youngest graduates, having graduated with honors in English at the age of sixteen years. She was an active Alumnae, and a past president of the Dalhousie Alumnae Association.

John A. McCurdy died at his home in Halifax April 17, after a 14-month illness. He was in his 51st year. He was born in Halifax, and following his graduation from the common schools, he entered Dalhousie, Arts & Dent. '18-'23. From there he entered the business world eventually establishing his own commercial printing business. He took part in almost every kind of community activity and was noted for his ability to organize and carry projects through to a successful conclusion.

Miss Lois Creighton died at her home in Halifax May 8th, after a lengthy illness. She retired from the teaching staff of Queen Elizabeth High School in March this year after 30 years teach-

ing in Halifax. After her graduation in Arts in 1916, she taught in schools in Western Canada, returning to Halifax in 1922. She was an outstanding teacher, and her leadership in directing sports and dramatics won her the greatest respect of all her pupils. In addition to teaching, she helped in the school office, and was Red Cross representative, giving many hours service at Camp Hill Hospital. She was a member of the Business and Professional Women's Club, Women's Canadian Club, Dalhousie Alumni Association, and at the time of her death was Alumni representative on the Board of Governors of Dalhousie.

William Francis MacKinnon, M.D., F.A.C.S., died at his home May 26, following a five year illness. He was in his 75th year. He was born at West Merigomish, Pictou County but moved to Antigonish at an early age, where most of his life was spent. He graduated from St. F. X. in 1897, and from Dalhousie Medical College in 1902. He taught school for a year at Ste. Anne's College, Church Point, before entering Dalhousie, and after graduation he practised his profession for 45 years at Antigonish until his retirement. He performed the first medical operation at St. Martha's Hospital the year it was opened, 1906. In 1920 he was elected a Fellow of the American College of Surgeons, and after a long association with the Medical Society of Nova Scotia was given an Honorary Life Membership. He also became president of the Nova Scotia Health Officers Association. He was honored with a life membership by the Knights of Columbus, and was made a life member of the Antigonish Highland Society. Athletic in his youth, he retained his interest in sport, especially golf and curling. He was married twice, his second wife who survives being the former Mary Chisholm, daughter of the late Sir Joseph Chisholm.

William Stewart Brodie died at his home in Lethbridge, Alberta in June. He was Glace Bay's first Supervising Principal of Schools, moving to that town a year after its incorporation. He was born at Halifax, and received his B.A. from Dalhousie in 1898. In 1909 he received his M.A. from McGill. He joined the Lethbridge High School

Staff in 1920, after serving on school staffs in Vancouver, Wainwright, and Red Deer. He retired from active teaching in 1945, completing twenty-five years teaching in Lethbridge. He was active in all phases of the city life, school, and civic, and in his will directed that the sum of \$2,000 be given to the School Board of Lethbridge for the purpose of establishing annual prizes for leading High School students.

James Gordon Fogo died of a recurring ailment at Murray Bay, Quebec July 6, 1952. He was born in Halifax in 1896, and moved with his family to Sydney at an early age. He attended Sydney Academy, and Provincial Normal School, his first teaching job being at Stellarton, N. S. For three years he served overseas with the 2nd Canadian Siege Battery, and after a year's teaching at Sydney Academy, he articleed with his uncle, J. A. Hanway, Q.C., LL.B. '08, at Amherst. He entered Dalhousie Law School in 1921, and was admitted to the Bar in 1924, and in 1926 became a member of the Law firm of Burchell, Ralston, in Halifax. He was president of the Nova Scotia Liberal Association from 1939 to 1941 and from there went to the presidency of the national federation. In 1942 became Associate Co-ordinator of Controls in the wartime Munitions Department, specializing on labor problems. One of his biggest jobs was the organizing of the National Liberal convention in 1948, and a year later was appointed to the Senate. He was one of the top executives of the Algoma Steel Corporation, being a director and vice-president, and here too he specialized in labor problems. His son, James is a second year law student at Dalhousie.

Mrs. George S. Carson (Lillian Benn Calkin) died in Toronto at the home of her daughter, July 9, 1952. She was the first woman to have her name on the University records, entering in 1881 on a Munro Bursary from Normal School, Truro. She won a certificate of Merit in '82, and '83, and the University prize for mathematics in '83. In 1920 she and her husband, the late Rev. George S. Carson moved to Toronto, where for many years he was editor of the "Presbyterian Record."

She was very active in church work, being one of the founders of Runnymede United Church at the time of church union. Four sons attended Dalhousie: Frank S., Arts '10-'12, now in Michigan, Ralph B., Eng. '09-'11, of Toronto, James B., B.Sc., of Los Angeles, and John B., '14-'15, who was killed in action overseas in 1916.

Colonel Charles Harold Dickson died at Colechester County Hospital, Truro, July 22, 1952 at the age of 76. Until his retirement some years ago, he was assistant medical director for Canada. He was born in Pietou, and received his medical degree from Dalhousie in 1901. He joined the Army before World War I, and was well known throughout Canada for his distinguished military career. He went overseas at the outbreak of the war, as assistant medical director to the First Canadian Division. Both he and his wife who was a Nursing Sister were decorated by King George V for gallantry in action. After his return to Canada in 1919, he was stationed in Winnipeg at Tuxedo Barracks as Medical Director, and was later sent to Ottawa, where he lived until his retirement.

Robert J. Leslie, M.B.E., died suddenly of a heart attack at his home, July 22. He was former general manager of both the Nova Scotia Apple Marketing Board and the United Fruit Companies of Nova Scotia. He was Honorary President of the Canadian Horticulture Council, of which he was formerly president, and was chairman of the council's National Apple Committee. For his service to agriculture, and to his country in general he was awarded the M.B.E. He was a graduate in Arts in 1915, and served with distinction in World War I, being wounded three times, and retiring with the rank of Major.

Dr. Roy Dickson Lindsay, Pensions Medical Examiner at Camp Hill Hospital, died at his home at Windsor Junction, July 24. He was 62 years old. He was born at Caribou, N. S., and after graduation from Dalhousie Medical School in 1917, he joined the Canadian Army and served as a captain with the R.C.A.M.C. Following the war, he set up practice at New Germany, later moving to St. Catherines,

Ontario, where he practised until 1940. During the second World War he served as Lieutenant-Colonel with the R.C.A.M.C. and in 1944, he joined the staff of Camp Hill Hospital. Dr. Donald Lindsay, M.D., C.M. '47, of the N. S. Hospital Staff is a son.

Owen F. C. Armstrong died suddenly at the home of his sister in Tupperville, August 5, where he was spending his vacation. He was fifty-one years old. His early education was at Bridgetown, and later at Dalhousie, graduating with a Dip. Eng. in 1926. He attended N. S. Technical College, and after a three-year course went with the Bell Telephone Company, Montreal, where he was employed for the past 22 years. His wife is the former Jean Messenger, B. Comm., '26, daughter of R. . . Messenger, B.A. '99, of Bridgetown.

Dr. Charles W. Anderson died at Bishop, California, April 7, 1952. He was born at Halifax in 1879, and entered Dalhousie in 1895 on a Sir William Young Scholarship, graduating in Arts in 1899. Dr. J. W. Falconer, Halifax, has given us the following information: Dr. Anderson's "medical studies were taken at McGill and Berlin, Germany. In 1908 he married Edith Crockett, and began his professional work in Los Angeles. When World War I broke out, they both volunteered for active service in the Canadian Armed Forces. At the end of the War, Dr. Anderson returned to Los Angeles, where he remained till he retired in 1934 to Bishop, California. Here he practised for a while and devoted his great gifts to the social welfare of the community and became a central figure in the life of Bishop. He died, April 7th, greatly beloved by his fellow-townsmen."

Mrs. Frank Smith (Jean MacIntosh Craig) died at her home in Vancouver May 12, after a long illness. She was born at Tatamagouche, and was a graduate of the 1915 Arts class at Dalhousie. Three years ago, she and her husband who belonged to Dalhousie Arts '05, visited former friends and relatives in Nova Scotia. For many years they made their home in Vancouver, B. C. where Mr. Smith is associated with the Great West Assurance Company.

MARRIAGES

March 5, 1952, at Golden, B.C., Miss Joyce Frances Patterson, Science '50-'51, of Maitland, N. S., to Charles Chesterfield Lewis, B.Sc. '51, of Great Village, N. S.

April, 1952, at Paris, France, Miss Margaret Helen Gorham, B.A. '40, Dip. Educ. '41, of Halifax, N. S., to Jean Ravault, of Paris, France.

September 6, 1952, Joan Elizabeth Matheson of New Glasgow, to John William MacLeod, Jr., B. Com. '49, also of New Glasgow.

A COSMOPOLITAN STUDENT BODY

Although the majority of Dalhousie students, naturally, are of Maritime origin, many countries are represented. This was clearly demonstrated last spring when President and Mrs. Kerr entertained informally for students from outside Canada.

Twenty-five students from various parts of the world were present, from as far west as California and as far east as Latvia, Norway, Czechoslovakia, and Africa. (Not all Dalhousians come from Newfoundland, Pictou County, and Cape Breton.)

Despite the assortment of accents to be heard, the party was a most congenial affair with a fine flavor of international friendship throughout.

GRANTS FOR RESEARCH

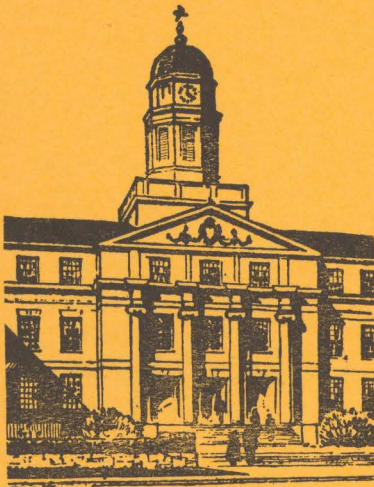

The Faculty of Medicine, Dalhousie University, this spring received the sum of \$35,000 from the National Research Council and \$8,000 from the Defence Research Board to support the work of the following men in the basic medical sciences: Dr. J. G. Aldous, Dr. D. H. Barnbrook, Dr. J. H. Fodden, Dr. M. M. Hoffman, Dr. J. G. Kaplan, Dr. F. Moya, Dr. J. A. McCarter, Dr. N. G. B. McLetchie, Dr. R. W. Reed, Dr. R. L. de C. H. Saunders, Dr. R. D. Stewart, Dr. John C. Szerb, Dr. C. B. Weld.

In addition, Dr. C. E. Corliss and Dr. N. G. B. McLetchie have received grants from the National Cancer Institute.

Public Health Research grants totalling \$12,490 have been granted Dr. H. B. Atlee, Dr. R. W. Reed, and Dr. C. B. Stewart.

National Health Grants totalling \$84,693 have been received including \$17,793 to the School of Nursing, \$44,900 to Dr. R. O. Jones for the training of graduate physicians in psychiatry, and \$22,000 to Dr. J. S. Tyhurst for research in preventive psychiatry.
