Caracas, Venezuela

Dear Ms. Borgese:

I am writing to express my thanks for all the assistance which you gave me during my short stay at the Conference representing the International Institute for Environment and Development. It was a great pleasure meeting with you, and I hope that you will be able to use the Institute's Report, "Towards an Environmentally Sound Law of the Sea", as the negotiations continue throughout this summer and on into next year.

If you have any questions with respect to the Report or the Institute's activities in the law of the sea area, please do not hesitate to contact me at the address indicated above.

Sincerely yours,

Eldon V.C. Greenberg
