Dear Sam

Perhaps one would not  
call this "face mail"  
but - I am writing to  
ask you where you  
got the word "refained"  
as it appears in your  
new book "Lidefall"!  
I have looked in several  
dictionaries, and can't

Duness Co.

If you & Edith are in  
Woolville or Kentville at  
any time I should be  
pleased to have you come  
to Borden Place; it's only  
about ten minutes drive  
& on a good paved road.  
Lady Borden would be  
glad to meet you, as  
she has enjoyed several  
of your books.

find so decided it - must  
be a new word used  
in the place of 'restrained'  
as that - seems to suit  
the context.

I am reading it aloud  
to Lady Borden.

Please remember me  
very kindly to Edith -  
I was sorry not to see  
either of you last  
summer while in

I am yours sincerely  
Amy B. Hayward.
