Dear Mr. Radall:

I am attaching herewith copy of letter  
which I recently received from a very prominent citizen  
of Ontario.

This is acknowledging receipt of copy of  
your latest book "Tambour."

I thought you would like to know how much  
your books are being appreciated.

Yours very truly,

Mr. Ralph K. Kelley,  
P. C. Box 39,  
Halifax, Nova Scotia.

Dear Mr. Kelley:

It was extremely kind of you to forward me another very interesting book, and I am almost ashamed to say I took time off yesterday evening to read the first of the stories which I found most interesting. The author I understand is making quite a name for himself and I admire you and the other "Bluenoses" for distributing the works of the Nova Scotians. If I am not mistaken, this is the third book you have sent me written by people in your Province, all of which have been excellent.

With very kind regards, and again many thanks, and wishing you the compliments of the Season, I remain,

Yours sincerely,

(Sgd.) HUGH F. LABATT
