Dear Mrs. Mann Borgese,

Upon return from my vacation abroad I found your letter dated March 24 on my desk. In this letter and your earlier note of February 24 you are asking again for help to support the activities of the International Ocean Institute.

Although we are aware of the valuable task which is being fulfilled by your Institute, we are sorry to say that a continued support on our behalf cannot be guaranteed. There are so many tasks to be fulfilled in our own country that we must concentrate on them rather than support foreign or international ventures.

Since your next seminar is taking place in Geneva, we make an exception by supporting your efforts with a contribution in the amount of

\$ 500.-

Please find enclosed a check for this purpose.

Wishing you every success for your future activities, we remain,

Sincerely yours,

FEDERATION OF MIGROS CO-OPERATIVES
