Dear Mrs. BARGESE,

Here are some Bali photos
as well as a couple from Hongkong,
that I thought may interest you
for your book.

My minimum price for World Rights
for a picture is \$150 in this
case, as I feel it would be
prestigious to be included in
your book.

Please return the slides after use,
hoping to hear from you in the
future, yours faithfully,
Tim Holt

Dear Tim,

I found your slides in New York at Harry Abrams when I was there. We all thought that they were outstandingly beautiful. Unfortunately we already have so many color pictures for the book, and they are all very specific on aquaculture that we decided not to use your slides this time. I am returning them herewith for the next book,

Cordially yours,
