Mrs. Elisabeth Mann Borgese
Box 4068
Santa Barbara, California 93103

Dear Mrs. Borgese:

I have your letter of June 8 concerning the possibility of support by the Ford Motor Company of the study project on the China Sea.

I have carried out some informal conversations with the appropriate persons and find that at this moment in time their interests lie elsewhere.

I am sorry I could not be of assistance in this particular regard.

Sincerely,

A handwritten signature in blue ink, appearing to read 'F. Murphy'.
