

My dear Dr. Logan,-
I am
taking you at your word,
and am enclosing some
press notices, which I hope
you can use to help
boost our success.

I finished
my booking in Yarmouth
last week, having secured
contracts for a concert
in St. John, Moncton,
two in Charlottetown, one
in Sackville, Truro, two
in Halifax, one in Wolfville,

Annapolis and Yarmouth. Just a two weeks engagement, I think that very good for the first year, don't you? And now we hope for success in regard to a large audience, so as we can hear these artists again next year.

Am enclosing the proposed programs for Halifax, if you have any suggestions or requests to make, I will be very happy to forward them to Mr. Varrini. I will send under separate cover some programs of concerts the Ensemble have already used.

Mr. O'Connell has the cut for the group, and I will send you one of Mr. Varrini in a few days.

Thanking you a thousand times,
Most gratefully yours,
Edna F. Anderson
