

Syllabus of a Course of Lectures on Experimental Philosophy

Sent here by Mr. James Dinwiddie, A. M.
For 20 lectures a Guinea & half a crown.
I do know if he is coming to Cork

to Exhibit a Course of Experimental
Philosophy agreeable to the Syllabus
Would induce a sufficient number of
the Curious in Cork to make it worth
his while to come down here,

At the Expence of Transporting his
Apparatus, is attended with a

Those Gentlemen & Ladies
Who would choose to see a Course of
these Experiments I would be desirous
that Mr. Dinwiddie may come
to Cork, are requested to subscribe
their Names to this Paper
