O Canada

*O Canada! Our home and native land!
True patriot love in all thy sons command.*

*With glowing hearts we see thee rise,
The True North strong and free!*

*From far and wide, O Canada,
We stand on guard for thee.*

*God keep our land, glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.*

Convocation Address - Dr. Jesse Huntley Ausubel

O Canada

The audience is requested to rise when the procession enters the Auditorium and to remain standing until the Vice-President invites you to sit down.

The audience is invited to join in the singing of *O Canada* (page 1), led by Jeremy Dutcher, Vocalist. After the singing of *O Canada* the audience is requested to remain standing until the procession has left the Auditorium.

Music for the procession and anthem is provided by the Symphony Brass Quintet.

Following Convocation a reception will be held in the Cohn Lobby and Sculpture Court; all are invited to attend.

Please note that the list of graduates in this program is subject to change.

Mr. Jesse Huntley Ausubel

Jesse Ausubel believes solutions to our most pressing problems are inseparable from science. His life's work is a testament to that belief. Mr. Ausubel's influence and impact on climate research are immeasurable. His leadership and collaborative spirit have made him a true pioneer of climate change science, and he continues to be a definitive force in the field.

O Canada

The audience is requested to rise when the procession enters the Auditorium and to remain standing until the Vice-President invites you to sit down.

The audience is invited to join in the singing of *O Canada* (page 1), led by Jonathan MacArthur, Vocalist. After the singing of *O Canada* the audience is requested to remain standing until the procession has left the Auditorium.

Music for the procession and anthem is provided by the Symphony Brass Quintet.

Following Convocation a reception will be held in the Cohn Lobby and Sculpture Court; all are invited to attend.

Please note that the list of graduates in this program is subject to change.

Academic Honours

College of Arts and Science

Distinction is bestowed upon students who excel academically in the regular three-year program or the four-year major degree program. A minimum cumulative grade point average of 3.70 is required to graduate with distinction.

Honours is bestowed upon students in the four-year honours program who obtain a minimum grade point average of 2.70 in Arts and Social Sciences subject and the single subject chosen for the 2 credits outside the honours subject; for Science, a minimum grade point average of 3.00 in all of the classes in the honours subject.

First Class Honours is bestowed upon students who obtain a minimum grade point average of 3.70 in the classes in the honours subject in Science. A minimum grade point average of 3.70 in the classes in the honours subject and the single subject chosen for the 2 credits outside the honours subject in Arts and Social Sciences.

University Graduation Prizes

The Avery Prize is awarded to the student standing highest among graduates of baccalaureate programs. The recipient cannot have received the Governor General's Silver Medal or the University Silver Medal.

The University Silver Medal is awarded to the student who is judged to be the leading First Class Honours student among graduates of baccalaureate programs. The recipient cannot have received the Governor General's Silver Medal.

The Governor-General's Silver Medal is awarded to the undergraduate student who has achieved the highest academic standing among graduates of baccalaureate programs.

The Governor-General's Gold Medals are awarded to students in the Faculty of Graduate Studies who have achieved overall academic excellence. Two gold medals are awarded; one to the most outstanding Master's graduate in the Natural Sciences and Engineering, and one to the most outstanding Master's graduate in the Humanities and Social Sciences.

Dalhousie University Coat of Arms

The Dalhousie University Coat of Arms, which you see hanging at the back of the stage, is based on the heraldic achievement (commonly called "Coat of Arms") of the Ramsay family of Scotland. The Rt. Hon. George Ramsay, Lieutenant-Governor of Nova Scotia, founded the University in 1818. Initially the Ramsay family coat of arms was used to identify Dalhousie. But over time, it has evolved, as have most heraldic devices through marriage or political alliances.

The seal used by the University differs from that of the Ramsay family version in three ways.

First, through marriage one of the supporters on the Ramsay achievement has now changed to include a greyhound on the right.

Secondly, the original Ramsay supporters were griffins (half lion, half dragon). Dalhousie has dragons.

The third change occurred in 1950 when the Board of Governors changed the colour of the shield from white (silver) to gold, to reflect the University's colours of black and gold.

Since 1987 the university has used the eagle and shield as the basis for its logo.

Dalhousie University Mace

The Dalhousie University Mace is carried into the auditorium by the University Beadle, Åsa Kachan, University Registrar, who leads the procession. The Mace was first carried in an academic procession in May 1950 and once placed on stage, begins Convocation.

The Mace was designed by R. L. de C. H. Saunders, a Professor of Anatomy, and carved by A. H. MacMillan of Halifax. It is made of oak, enriched with silver and enamel, and measures 1.4 metres in length.

The lower end of the mace is adorned with silver fish in recognition of one of our most important natural resources. Above this is a circular scene of a sea nymph calling across the waves towards the setting sun in representation of the impulse that led navigators to our shores. The roots put down by early settlers and the tall trees that first met their gaze are reflected in a pattern extending the entire length of the shaft.

The head of the mace bears a maple leaf. Set above the leaf is a carved circle of mayflowers, which symbolizes both the province and the flowering of a new civilization in the province which led to the establishment of the University. Four robed medieval scholars facing the main compass points represent the university faculties of 1950: Arts and Science, Dentistry, Law and Medicine. Each figure bears a silver enameled shield with either the arms of the University or the Province of Nova Scotia. Alternating with these figures are the rose, thistle, fleur-de-lys and shamrock, depicting the home countries of the first European immigrants to the province.

The top of the mace head bears a five-rayed Scottish earl's coronet in recognition of the University's founder, the ninth Earl of Dalhousie. This part of the mace incorporates oak that came from the Earl's estate and was presented to Dalhousie University. Gracing the cap of the coronet, set above all, is a silver Celtic cross surrounded by the University motto "Ora et Labora" (pray and work). This cross was chosen as befitting a non-denominational institution with Scottish heritage.

Academic Dress

Graduates of the University wear gowns and hoods of black material. The lining of the hood identifies the graduates' field of study.
