June 29/45-

My Raddall.

Dear Tom,

I am sadly in need of some help. We are putting on a Banquet for what ever returned men we have home now, in North Queens. and I have been asked to act as Toast Master, on this occasion, which will be on the 6th of July.

Would you be good enough to help me out in this matter, by giving me a detailed description of the duties of a Toast Master, and how to carry on, on such an occasion, In my opinion it should be conducted, similar to our Legion Banquets. There will be a toast to King, to the boys themselves, and a silent toast, to their fallen comrades.

Now if you will instruct me how to conduct this affair in the proper manner I will be very grateful to you, and might even consent, to read your next book. Thanking you kindly I am your truly

Dear Tom,
You will no doubt remember of me asking you to come to Caledonia, to give the address of Welcome to the boys and girls who have lately returned from the services. In whose honour a Banquet is being held at Caledonia on Dec 5th. (When talking with you I did not know the date.)

A Chicken Supper will be served at 7.30 pm in the vestry of the Baptist Church.

You are invited to come as my guest. For the night we would be pleased to have you, and bring your wife too.

This will not be any grand affair, more of a social evening and will give you a chance to meet some of the North Queens people, who have heard of you and read your fine books.

I hope you have no
engagements for this date
and that you will be with
us at this Banquet. For I
am anxious for the people
out here, to see you, and
hear you talk, and I
can assure you of a good
supper. Thanking you kindly
in advance.

I am sincerely yours
Clark,
