Attention Thomas H. Raddell:

R.R. 2,
ARTHUR, Ontario.

Editor,
Maclean's Magazine

Dear Sir:

Your story "Muster of Arms" in your last issue is the best thing you ever put between the covers of your magazine. As I have for some time been keeping a bunch of guns oiled up for two boys overseas I may be a little prejudiced but I would suggest it be sometime expounded. It might give others a similar pride in their country.

I am

Yours truly
