The first Plenary of the Commission will meet at the United Nations University in Tokyo, on September 6, 7, and 8. The Plenary will be preceded by a one-day meeting of the Executive Committee.

Among other things, we will have to approve a message to the 50th General Assembly, as well as a tentative table of contents for our final report and guide lines for an interim report to the Commission for Sustainable Development next year. We will also discuss a list of background papers to be commissioned as well as plans for global and regional hearings. You will receive draft documents in the near future. It will be a very busy session.

There will be a Press Conference in Tokyo, for the official launching of the Commission.

You will receive an official invitation from President Soares in the near future. We would be grateful if you could make your own travel arrangements. Your air fare (business class) will be refunded in Tokyo.

Fund raising is well in hand. We have already raised well over a million dollars

It is a great relief that everything is on course now. This Commission is a great challenge and offers a formidable opportunity for a unique kind of contribution to the making of a genuinely new order for the next century.

Looking forward to seeing you in Tokyo, with all good wishes,

Yours as ever,

INDEPENDENT WORLD COMMISSION ON THE OCEANS

Dear Professor Su:

You should have received these days an official invitation from President Mario Soares of Portugal, the Chairman of our newly established Independent World Commission on the Oceans, inviting you to join the Commission and to participate in our first Plenary Session, on September 6, 7, and 8, at the United Nations University in Tokyo.

I am attaching today (a) a provisional agenda; and (b) some information on logistics which has been issued by the local organiser, INTERCOM. I hope that everything is clear.

You will note that you kindly should make your own travel arrangements, and that the air fare (business class) will be refunded in cash in Tokyo. You will also note that your expenses at the Westin Hotel in Tokyo are fully covered. However, if you prefer another hotel, you would be responsible for the difference in price between the Westin (23,000 Yen) and the Hotel of your choice. You should kindly advise Ms Masako Otsuka, INTERCOM, fax 81 3 3586 4706, of your decision as well as of your flight number and arrival time.

A set of documentation for the meeting will be sent within the next two weeks.

I very much hope it will be possible for you to join us in Tokyo. This first session of the Commission is of fundamental importance for the orientation and organisation of our work, and I am convinced that this Commission has a unique opportunity to offer a "vision" and make a long-term contribution to the making of a somewhat better world. But what we do today is decisive for the chances of realising the long-term vision. Ocean policy is being made this year

and next year, and we are in an exceptionally good position to influence it. We need your help and cooperation.

The time between now and Tokyo is very short indeed, and I would be most grateful if you could let me know just as soon as possible whether you will be able to attend as I fervently hope.

With all good wishes,

Yours sincerely,

Dear Ms. Borgese:

Recently I have received a fax from Ms. Masako Otsuka of INTERCOM about hotel reservation for the First Session of the Independent World Commission on the Oceans. However, so far I have not yet received any announcement on this matter, including the dates of this Session. Since I am leaving town on Sunday could you please have your office inform me today about the detail of the arrangement for this meeting.

Sorry to trouble you on this matter.

Sincerely yours,
