Dear Dr. Raddall,

My colleague, the Hon. John Leefe, has indicated to me that you would respond positively to our suggestion to name the provincial park now under development at Port Joli the Thomas H. Raddall Provincial Park.

The Government of Nova Scotia would be very honoured if you would agree to having this park bear your name.

I should be grateful if you would let me know, at your earliest convenience, if you agree. If you do accept, I would suggest that we prepare a news release at any early date and I will arrange for a member of my staff to meet with you on its preparation.

Yours sincerely,

Dear Mr. MacNeil,

Thank you for your letter of August 28^d.

I would be honoured indeed if the new park at Port Joli
is named after me. I suggest that my name instead be dropped, being
it simply Thomas Roddall Park.

Sincerely,
