Mr. Thomas H. Raddall,
Liverpool,
Nova Scotia.

Dear Mr. Raddall:-

Would it be at all possible for us to have you as guest speaker at the Closing Exercises of our High School, Kings County Academy, Kentville?

We are holding our program on Thursday, June 21st, at ten o'clock, in the Capitol Theatre.

The students have enthusiastically requested I write you, and, if at all possible, would be honoured to have you come. In our graduating classes of Grades XI and XII we have about 70 students, and an audience of about 500 people. With regard the speech we would suggest around thirty minutes.

Then there is the little matter of expenses. We wonder if you would give us some idea of the amount.

Yours very truly,

W. L. Barteaux
