Out of the wilderness - DAL WINS 19-12

Dal's first touchdown on Dave Precious' one yard plunge. Grimacing under No. 11, Precious' 205 lb. frame, is guard Jamie Muir (No. 61), and looking on in the background is halfback John MacKeigan (No. 30). Sadly viewing the scene are Acadia's Harlow Hollis (No. 90), Don Hambling (No. 21) and Richard Wingate (No. 82). This touchdown came in the second quarter of last Saturday's 19-12 victory over the Acadia Axemen, thus ending an 18-game losing streak for the Tigers and placing them in a tie with Stadacona for the Atlantic Football Conference lead. Since Dal will not play St. Dunstan's this year, this game was a four point effort for the Tigers. Stadacona have won their two opening games 8-0, 9-7. The victory avenges the 7-6 loss to Acadia last year. While the upcoming schedule is a rough one, Dal fans should celebrate more victories this season. The losing streak extends back to 1960 under coach Harry Wilson and continues through the 1961 and 1962 seasons. The long suffering Dal fans are thankful to the 1963 squad for this effort. (Munro Photo)

BREAK 18 GAME LOSING STREAK

By BILL OWEN

The Dalhousie University Tigers are the pride of the campus this week after coming out of the football wilderness last Saturday with their first win in 19 starts since 1960.

The Tigers downed the Acadia Axemen 19 to 12 before some 2,000 delighted frosh week fans on the Studley Campus. Their last previous win was against the University of New Brunswick Red Devils.

"Three stinking years I have waited for this", Hugh Smith, corner linebacker on the defensive unit, burst out in the dressing room after the game.

The victory moved them into a tie for first place with the Stadacona Sailors. Both teams have four points and the Tigers will have a chance to break this tie when they meet the Sailors at the Wanderer's Grounds on Friday, October eleventh.

IMPRESSIVE START

The Tigers came into the game with only victory on their minds and it appeared at first that nothing could stop them. After Acadia received the kickoff and ran their first series of plays, Dal took over on the 30 yard line. Dal's first offensive play was a 24 yard run by Gord Marler around the right end. With first and goal to go from the six yard line, Dalhousie was penalized 10 yard for illegal interference on the next play. With first and goal to go from the 16 the at-

tack faltered when a third down pass went incomplete.

Acadia moved the ball to the 40 before two costly penalties forced them to kick from their own 40. When the snap from centre was high the hard charging Dal line poured through and as one man fell on the ball on the Acadia 18. When two plays gained only two yards a field goal attempt went astray when the ball was fumbled in the backfield. After an exchange of kicks the first quarter ended with no scoring.

FIRST BLOOD DRAWN BY TIGERS

The first break that Dal capitalized on came early in the second quarter when, on an Acadia punt from the Dal 54, Ted Cameron broke through to block the kick and recover it on the Acadia 30.

On the very first play from scrimmage Acadia were called for grabbing the face mask giving Dal a first and ten on the 15. Dave Precious ran the ball to the 10, and a Precious to Coleman pass gave the Tigers a first and goal to go on the 2. A plunge by Marler put the ball on the 1 and Dave Precious put Dal in front 6 to 0 scoring on a Quarterback sneak. (See picture). The convert attempt was blocked.

ACADIA TIE SCORE

After the kickoff Acadia moved 83 yards on eight plays to tie the score. Their convert attempt was wide. There was no further scoring and at halftime the score was knotted at 6 to 6.

Both teams appeared to be nervous in the first half but after their halftime talk with the coaches they came out fired up and all traces of nervousness had vanished.

TIGERS SCORE AGAIN

Dal kicked off and Acadia was forced to punt after two tries at the stalwart Dal defensive line. Dal took over and moved the ball from their own 34 to the Acadia 24. Two plays later Dal were punting from the 36. After Acadia punted from their 7 the tigers started to move the ball from the Acadia 39.

Mac Keigan carried the ball to the 33, and Stanish put Dal on the 20. Going with first and ten on the 20 Acadia were called for rough play when Smith carried the pigskin. Acadia were penalized half way to the goal putting Dal on the 10 with first down. The ball was given to Stanish on two successive plays. The first gained five yards and on the second he fell into the end zone to give Dal a 12 to 6 lead. The convert attempt by Hamade was wide.

COLLINS INTERCEPTS TWICE

Dal kicked off but Acadia were penalized and Dal kicked over again from the mid-field stripe. From their own 38 Acadia's first pass went incomplete but the second one was intercepted by James Collins. After a series of punting exchanges Acadia were running the ball on a second and 13 situation Acadia tried a pass play but once again Collins was Johnny-on-the-spot as he intercepted another pass.

BOTH TEAMS SCORE

Starting from centerfield Dal's offensive unit moved to the Acadia 40 where they were forced into a punting situation. Hamade punted and the ball carried about half-way into the end zone. The Acadia punt receiver tried to field the

ball but was unsuccessful and dropped it. Co-captain Duff Waddell, downfield quickly after the punt, dove on the ball to give the black and gold an 18 to 6 lead. Hamade converted and Dalhousie led 19 to 6.

Acadia did not give up and came right back after the kick off to score a touchdown on the prettiest and longest play of the game. The play started on the Acadia 50. Coldwell took the snap from center, moved back into the pocket and threw a sideline pass to Harrison who scampered down the sidelines for the touchdown. The Dal line blocked the convert attempt, 19 to 12.

TIGERS RUN TO VICTORY

Acadia kicked the ball but were unable to move it. Once again the Dal receiver was unable to catch the ball and Conrad This was a break when they had to convert Acadia to the 10. Starting from centerfield Dal's offensive unit moved to the Acadia 40 where they were forced into a punting situation. Hamade punted and the ball carried about half-way into the end zone. The Acadia punt receiver tried to field the

Dr. Theakston mourned

Prof. H. R. Theakston

Dalhousie was saddened with the death this summer of Dr. Harold R. Theakston, Rt. Hon. C. D. Howe Professor of Engineering, and head of the department of Engineering.

Dr. Theakston came to Dal in 1921, as assistant professor of engineering. He became full professor of engineering in 1929 and head of the department in 1949. In 1952, he was appointed the first Rt. Hon. C. D. Howe Professor of Engineering when the chair was established.

Dr. Theakston was a member of the Engineering Institute of Canada, the Association of Professional Engineers of Nova Scotia, The American Society for Engineering Education, and the Canadian Standards Association. He was also on the Senates of both Dalhousie University and Nova Scotia Technical College.

Dr. Theakston is survived by his wife and two sons.

MUSIC DEPT.

Five Canada Council concerts featuring young Canadian musicians are part of a highly activated program in the Music Department this year.

Professor D. F. Wilson, newly appointed head of the music department also plans a campus choral society to promote general interest in music at Dal. First meeting is Tuesday at 11:30 a.m. in room a 339.

Students who play musical instruments should see Professor Wilson, who has his office in a 343, in order to form a string orchestra.

Those with a different form of musical appreciation can enjoy an ever-increasing record collection available in room a 339.

Professor Wilson, a member of the Halifax Symphony Orchestra for five years, first joined the Dalhousie faculty as a special lecturer in 1961. He received his Bachelor of Fine Arts in Music at the Carnegie Institute of Technology, Pittsburgh, and his Master's degree at the Eastman School of Music in Rochester, N. Y.

Professor Wilson's new appointment paves the way for a Bachelor of Music degree to be established at the university in the near future. He hopes that a degree course may be set up within the next two years.

FILM SOCIETY

Six major films will be presented by the Dalhousie University Film Society this year. The first, "Black Orpheus", a widely acclaimed film with a Brazilian Mardi Gras setting, is to be shown Oct. 10.

Season's tickets are available at \$2.50 for students, \$3.50 for faculty and staff, (\$5.00 per couple), and may be obtained at the Society's booth open this week in Old Men's Residence.

Barry Mills, Society president, states that program dates will not conflict with the Halifax Symphony or mid-term examinations.

In addition to the feature films, there will be panel discussions to consider "Censorship" and "Translations of Literature to the Film Form". Mills adds that spectators will be provided with paper at each performance which they must state some opinion to the film, before being allowed to leave the theatre. "I will do," chuckled M...

THE SEARCH FOR MATERIAL GOES ON

DGDS BLOSSOMS

Dalhousie Glee and Dramatic Society this term springs forth with a hugely ambitious program. Management is in the hands of Hamilton McClymont III, president, and Eric Hills, executive producer. (Seen above). Planned for the fall are: both the Connolly Shield Competitions for one-act plays, and an evening of either three one-act plays, or one three-act production. Both are tentatively slated for the Gym, sometime in November. DGDS is the sponsor of the Connolly Shield for which forms will soon be sent to campus societies, inviting entries.

For the first time in several years, DGDS plans to revive the Glee Club, an institution devoted mainly to those who prefer passion to professionalism in their bathtub bellowing. Further announcements will be made once arrangements, particularly in the leadership division, are completed. Hillis emphasizes that the Glee Club is the big cog in this year's drive to diversify the activities of DGDS.

The annual musical is scheduled for late February. Choice of production is still open, and will depend largely upon the talent available. It will likely be staged in the Capitol Theatre once more, hopefully to repeat last year's pecuniary success with "Guys and Dolls". Eric Hillis, executive producer, states that much of our old acting and producing talent is lost, and many buckets of fresh blood will have to be recruited before an ambitious undertaking such as "The Music Man" can be undertaken.

Handbook on Time this Year

KUDOS to Kelly Hislop, whose valiant efforts brought forth the University Handbook before registration ended.

Kelly promises that similar efficiency will be applied bringing out the Student Directory. All names and relevant data is being punched on IBM cards this year for processing through the computer. Once this is finished, proofs will be hung up in the A & A Building in order that students may check their own names and numbers for accuracy. When this is completed, Kelly anticipates that printing will take another two to three weeks.

All clubs and organizations are asked to submit names of their executives by Friday Oct. 4, at the latest. This year, a calendar of all social events will be included in the directory, and organizations are asked to submit schedules also, immediately.

Law School To Publish

The students of the Law School begin publication of a legal periodical this year. Second year student Peter Herndorff will be the editor of the Dalhousie Law Review. The first annual edition will appear in May.

The Review will contain four or five articles, notes, case comments, and book reviews. The management and editorial policy will be directed entirely by the students, and most of the writing will be done by the students.

EDITORIAL COMMITTEE

Other members of the editorial committee are Don Oliver, Bill Fitzgerald, Dave Grant, and Frank Cappell, Law III, and Les Thoms Law II; the business managers are Art Donohue and Al Paton, Law II.

Every effort will be made to give the Review national appeal. About 1500 copies will be printed and will be circulated to every law school in North America, major law firms in Canada, and all alumni of the Law School.

BUDGET

The budget will be about \$3500. Financial arrangements have not yet been finalized.

LAWYERS HI-JINKS

An interested student is seen viewing the result of an act that could not possibly be laid at the feet of some fun-loving sophomore but rather it lies with the very high-minded law students.

LETTERS PLEASE!

The Gazette invites all its readers to contribute in the form of letters, articles, or stories. Although letters must be signed, they may be printed anonymously at the author's request. Through our readers' letters, we gauge the content of our paper. We will also attempt to find answers for questions directed to us. Advertisements for lost and found, buy or sell, will be handled. Read the Gazette, and write to it.

NFCUS PRESIDENT PROFILE

PRESIDENT JENKINS

Meet your national president. He's David E. Jenkins, a graduate in law last spring from the University of Alberta (Edmonton). As president of the National Federation of Canadian University Students, he represents you and Canada's 110,000 other university students at national and international meetings. Jenkins will make a speaking tour of Canada's 39 universities and colleges and will be in charge of the NFCUS national secretariat in Ottawa. Jenkins was president of the Students' Council at the University of Alberta last term. His numerous campus activities included two years on the students' council; serving as sports editor, advertising manager, managing editor and then editor-in-chief of the student newspaper, The Gateway; election to the national executive of Canadian University Press; and representing his university at numerous national meetings — such as national C.U.P. and NFCUS con-

gresses and the 1960 NFCUS seminar at Vancouver. Scholastically, Jenkins was selected as a World University Service scholar to Sweden in 1961, on the basis of a first class honors average. While in Europe, he visited Moscow, Leningrad, East and West Berlin, Paris and London. He was a member of the editorial board of the Alberta Law Review for three years, and was elected to the U. of A's History Club. Jenkins also obtained a bachelor of arts degree from the U. of A. His awards included the King Memorial Scholarship and Province of Alberta prizes; and the Mothersill Prize, Golden Key and Gold "A" Ring extra-curricular awards. Professionally, his experience includes approximately four years at the Edmonton Journal daily newspaper as a news reporter and sports columnist; as well as working as a news editor and TV interviewer for the C.B.C. At one point he stayed out of university for two

years to work as a reporter. In sports, at university he played hockey, curled, and ran cross-country. His favorite sport is golf. At present, Jenkins is a member of the national executive of World University Service of Canada (WUSC); Canadian University Service Overseas (CUSO); Friendly Relations With Overseas Students (FROS); and the Canadian Anniversary Conference on Human Rights.

He is married, with two children. The head of NFCUS on Dalhousie campus is George Cooper, your student council president. Gail Young is your NFCUS Chairman. Jenkins was elected by Canada's 39 council presidents at the last National NFCUS Congress in Sherbrooke to succeed Mr. Stewart Goodings, an arts graduate from Queen's University.

CAMPUS POTPOURRI

By Ed Schwartzberg

What has happened to the 'Land of Lincoln, Freedom of Speech and Press, and that 'Great State of Alabam'... the 1962-3 American "student editor of the year" has been silenced by the University of Alabama.

Mel Meyer, whose editorials in the student "Alabama Crimson and White" during the anti-desegregation riots during the fall of 1962 gained international attention and drew repeated threats on his life, has been told by university officials that he may not "write upon or comment upon" any racial matters.

Failure to comply with the university's demands, Meyer said, will result in "severe disciplinary action" and possible expulsion.

The Alabama administration required Meyer and all other students to sign statements agreeing not to write or comment on any racial matters for publication. The administration would not allow Meyer to keep a copy of the statement he signed. When he appealed the policy he was told there could be no change.

Meyer said he felt the new policy was aimed at him. He said the policy would prevent him from acting as southern correspondent for the Collegiate Press Service of the United States.

UBC ENDORSES SEPARATISM

The University of British Columbia Student Council has decided to spearhead a series of resolutions which will recognize Quebec as a separate nation within Confederation.

Council action came after UBC brought two French Canadian spokesmen, NFCUS Associate Secretary, J. P. Bourduas, and Jacques Girard, former Quartier Latin editor of the University of Montreal, here to outline Quebec's requests.

The resolutions, endorsed at Monday night's council meeting are intended to head off the threatened withdrawals of several French Canadian universities from NFCUS. UBC's proposed resolutions recognize Canada (and NFCUS) as being composed of two nations—A French-speaking and an English-speaking one.

The French students want what can be construed as a veto — a number of votes equal to the English speaking university majority — on certain issues they feel are vital to the maintenance of their "mentality" or cultural identification.

Montreal and Sherbrooke Universities, two major Quebec members, have indicated they will secede from the national federation if Quebec is not given these concessions.

EQUAL REPRESENTATION

Only five of the 59 NFCUS universities are in French Canada and the three other universities could follow the lead of Montreal and Sherbrooke. If all the French universities withdraw there will be strong pressures on the UBC and other English-speaking schools to withdraw as well according to the UBYSSEY, student newspaper at UBC. The feeling is that NFCUS must be representative of all parts of Canada to be of value.

Quebec believes strongly that education is a provincial matter and will accept no financial support from the federal government. The French Canadians also want guarantees in the form of equal voting representation that would allow them to play a fifty-fifty role with the English-speaking universities in amending or adding to the NFCUS constitution.

What effect will this have on Canada and the Canadian academic community is uncertain. Maybe it will act as sort of a buffer and will pacify the radical secessionists, while keeping the nation and its universities in a loose knit environment.

HELP

The young beauties pictured on page 5 are a small crowd, considering their responsibilities as the Committee for Incitement of Bellicosity and Belligerence on the field of honor. They badly need more cheerleaders. Thus should there exist on this campus a few lasses with a hankering to yell loudly, show their legs, and elicit lewd whistles, kindly contact Lynn Black.

THREE DOORWAYS TO A REWARDING FUTURE

Here are three attractive plans that cater for the varying circumstances

of young men interested in a career as a commissioned officer in the Canadian Army:

- 1 THE REGULAR OFFICER TRAINING PLAN** — This is a tri-service plan under which high school graduates receive advanced education and leadership training at one of the Canadian Services Colleges or at a university to become officers in the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force.
- 2 THE CANADIAN OFFICERS TRAINING CORPS** — University undergraduates may obtain a commission by training during their spare time and summer holidays. They are paid for actual training time and, after graduation, may choose either full-time service in the Regular Army or part-time service in the Canadian Army Militia.
- 3 MEDICAL AND DENTAL SUBSIDIZATION PLANS** — These are tri-service plans under which university students in medicine or dentistry can be subsidized during their course and become commissioned medical or dental officers in the Canadian Armed Forces after graduating and obtaining their licence to practise.

You may obtain full information on any of these plans from the local Army Recruiting Station listed in your telephone book.

Stratford Announces 1964 Season

STRATFORD, Ontario, September 28, 1963 — Four plays—two by Shakespeare, one by Moliere and one by William Wycherley — will be presented during the Stratford Shakespearean Festival's 12th season in 1964. One of the Shakespearean dramas will serve as the basis of a new five-year plan for the presentation of histories at the Festival, Michael Langham, Artistic Director, announced.

Shakespeare's "Richard II" and "King Lear" and Moliere's "LeBourgeois Gentilhomme" will open the season on June 15, 16 and 17, though not necessarily in that order. "The Country Wife," William Wycherley's gusty Restoration comedy, will join the repertory on Monday, July 27.

Mr. Langham, who presented this plan to a meeting of the Board of Governors on the closing night of the Festival's 11th season, said that he will direct "The Country Wife." Jean Gascon, who staged this year's "Comedy of Errors," will direct "LeBourgeois Gentilhomme," which the Festival company will first present (along with "Love's Labour's Lost" and "Timon of Athens") at the Chichester Festival Theatre next April during the celebrations of Shakespeare's 400th anniversary. The directors of "Richard II" and "King Lear" will be announced at a later date, as will details of casting.

"In 'Richard' and 'Lear,'" Mr. Langham said, "we feel we have two of the strongest Shakespearean dramas with which to celebrate the 400th birthday. The choice of 'Richard II' is, in fact, the beginning of a five-year plan to present the full cycle of Shakespearean histories in chronological order through the two parts of 'Henry IV,' 'Henry V,' the three parts of 'Henry VI,' and 'Richard III.' Many of the same characters appear from play to play; we are allowed to see them grow and develop and this will no doubt affect our casting in future years.

"So far as we know," he added, "no theatre has ever attempted to present the full cycle of the histories, although it has been done in two separate halves—'Richard II,' to 'Henry V' and 'Henry VI, Part One' to 'Richard III.'"

The Festival's 12th season will be extended by one week—to 16 weeks—and will close on October 3, 1964. The extra week will be devoted to school matinees, making a total of three weeks for student performances instead of the usual two.

On all opening nights the performances will begin at 7:30 p.m. Thereafter, evening performances will start at the customary hour, 8:30 p.m. Matinees will be at 2:30 p.m. on Wednesdays and Saturdays.

Cheerleaders: At the Acadia game

A FEW AT WORK — Engineers held Survey Camp from Sept. 4 to 25 this year, a switch from the customary post-vernal-exam meeting of the transits. Several as-yet unidentified engineers are shown above pacing off the well-worn wilds of the Studley pasture. (Munro Photo)

THE NEW MEN AT THE TOP

New Dean of Arts and Science is Dr. H. B. S. Cooke, who moves to his new position from Dal's Geology Department. He will continue some of his teaching.

A native of South Africa, he came to Dalhousie in 1961, from the University of the Witwatersrand.

Doctor Cooke reports innovations in the faculty which include establishment of a course leading to the Bachelor of Fine Arts Degree, in conjunction with the Nova Scotia College of Art which provides practical instruction. A start has also been made towards a degree course in music with the appointment of D. F. Wilson as full-time lecturer.

Asked to give his views on some of the problems facing Arts and Science, Dr. Cooke traces the traditionally high failure rates in such courses as Math 1 and Physics 1 in part to inadequate training of students before they arrive at Dal. He feels the solution must be found through consultation with High School authorities in order to assist them in improving school curricula. He feels this need, not because of a lack of good intentions on the part of the authorities, but rather the lack of adequate teaching available to students. He states: "It is our feeling that improvements in high school education depend on greater effort to produce good teachers from the university."

The new Dean feels concern over the need of attracting top-flight scholars to the faculty. The main problem involved would appear to be the low salary scale, although this is improving steadily. Doctor Cooke hopes eventually it will be normal procedure for students in Arts and Science to follow an hon-

ours course pattern. He says, "we are attracting scholars with high reputations so Dalhousie is definitely on the upward trend."

EARLY EDUCATION

Doctor Cooke received his early education in South Africa, and then attended Cambridge University. In 1940, he received an M.A. from Cambridge, followed with an M. Sc. from the University of Witwatersrand. He received his D. Sc. after completing four monographic studies on fossil mammals. He was elected to the Royal Society of South Africa. He resigned from the University in 1947, to direct the University of California African Expedition in their geological work.

After spending five years as a consulting geologist Doctor Cooke returned to a senior post at Witwatersrand. In 1956, he spent six months in England on an award from the Royal Society and the Nuffield Foundation. He then joined the staff of the University of California. Before arriving at Dalhousie in 1961, he was chairman of the Bernard Price Institute for Paleontological Research, and reader in stratigraphic geology at the University of Witwatersrand. He has published a geology textbook, a history of Science in South Africa, and over fifty scientific papers and monographs.

DISLIKED POLITICS

Doctor Cooke left South Africa because of a dislike of the political developments there, particularly in education of the African. He was offered attractive positions in the U. S. A. but came to Canada in order to remain in the Commonwealth, which his native land renounced. He states that he and his family are very happy here.

NFCUS CRISIS THREATENS

OTTAWA (CUP) — The president of the National Federation of Canadian University Students has branded as "unreasonable" a threat by the University of Montreal to "sever all ties" with English-speaking students.

Pierre Marois, president of the students' association at Montreal, made a public statement last week in *Le Devoir*, a Montreal newspaper, that there must be two separate general unions of students in Canada — one French and one English.

He threatened that NFCUS as it now stands must be split — with a n undefined super-structure whose responsibilities would be determined by a join of the two unions.

"If NFCUS refuses to comply with this ultimatum," said Marois, "it will sign its own death warrant."

Dave Jenkins, national NFCUS president, said that Marois is making a mistake in thinking that he can solve the situation with an "ill timed ultimatum." "The place for dealing with this problem is the National Congress of NFCUS," Jenkins added. "As Marois knows, a new structure for NFCUS will be the major issue discussed at this year's Congress."

"Over the years, considering all

the organizations in the country, including governments, NFCUS, has been in the forefront in establishing and maintaining productive cooperation between French and English-speaking students

"The rights of French Canadians have always been respected and defended in NFCUS. To give a few examples, the NFCUS president (who has a large voice in the policy for all of Canada) can be elected from either racial group; NFCUS translates all its work into the opposite language from which it is received; NFCUS has used simultaneous translation equipment at its national congresses since 1937 and at its national seminars since their inception six years ago.

"The basic educational policy of NFCUS was changed as a result of French-Canadian interventions. NFCUS is now firmly committed to the fact that education is a provincial responsibility — whereas in the past it occasionally looked to the federal government for support for education.

Stewart Goodings, past national president of NFCUS, said "We are confident that this vital problem will be settled in a mature manner at the National Congress next week in Edmonton."

SUB "BLITZ" COMING

COUNCIL REPORT

By RICHARD SANDERS

To promote a large-scale drive for funds, Dalhousie Students' Council will "Blitz" Halifax Oct. 25 and 26. Proceeds go to a general fund which is primarily earmarked for the long-awaited Students' Union Building. George Cooper, Council President, feels the "blitz" will be Council's major effort this fall. Student canvassers are to be enlisted in the next two weeks, and efforts are being made to have canvassers excused from classes for the days of the drive.

Plans for Winter Carnival are still in the early stages. A program similar to last year's is probable. St. Francis Xavier University will soon host a meeting of Carnival chairmen from the Maritime Universities, where dates will be decided, with a view to avoiding simultaneous celebrations at two universities. Furthest ahead in his plans is Ken Gowie, Director of Physical Education, who has all sports activities ready.

Cooper anticipates no changes in the traditional Munro Day celebrations, which it was thought in some quarters ought to coincide with Carnival Week.

"CAMPUS REPORTER" TEXT AVAILABLE

CAMPUS REPORTER AVAILABLE

OTTAWA (CUP) — "Campus Reporter" — a cub reporter's introduction to newspaper work is now available to interested university students and cub reporters on the Dalhousie Gazette, according to Sid Black, president of Canadian University Press.

The book features the top journalists in Canada and includes the following contributors: Alan Dawson, News Editor, Toronto Globe and Mail; C. B. Schmidt, Managing Editor, Kitchener-Waterloo Record; Milt Dunnelli, Sports Editor, Toronto Star; I. Norman Smith, Associate Editor, Ottawa Journal; Pierre Berton, Columnist and TV Personality; Walter O'Hearn, Managing Editor, Montreal Star; Jack Brayley, Atlantic Bureau Chief, Canadian Press; R. S. Macdonald, Executive Editor, Western Producer; and former Honorary President of C.U.P.; and Nathan Cohen, Drama Critic, Toronto Star.

"Campus Reporter" is the only manual of its type, featuring professional journalists writing about such topics as Editorials, Inter-

viewing, Sports, Columns, Photo Journalism, Newspaper Law, and several others. The book is presently being used as a guide for publication by student newspapers and student press organizations in five European countries and in the United States.

The book was edited by E. U. Schrader and E. R. Johnston. Mr. Schrader, after a 12 year career as reporter, columnist, copy editor and city editor for such papers as the Vancouver Sun, the Winnipeg Tribune and the Toronto Telegram, now heads the Journalism Department at the Ryerson Polytechnical Institute. Mr. Johnston, former editor of the McMaster University Silhouette, was President of Canadian University Press in 1961-62 and served as reporter on the Hamilton Spectator and radio station CHML in Hamilton, Ontario.

Books may be ordered through the editor of the Dalhousie Gazette or by sending \$2 per copy to:

"Campus Reporter"
Canadian University Press
45 Rideau, Suite 405
Ottawa 2, Canada

S. C. M.

The Students Christian Movement at Dal has over the years, earned itself a reputation of sorts as a group of fanatics, left-wing communists, holy-rollers, heretical anti-Christians, and other pleasantries. This view, however, tends to the extreme.

SCM is an organization devoted to students both within and outside the Christian faith, who feel moved to question and examine the precepts of Christianity. As such, it gathers students of many different frames of mind, many definitely non-Christian, but fulfills its objective of providing an open-minded examination of the questions surrounding religion and our society.

President of SCM this year is Lorraine Cole.

Program for the year includes the Atlantic Regional Christmas Conference at Dalhousie, December 27 to January 1. Faculty members and SCM representatives from five Maritime universities will attend. It is expected that leading figures on the Atlantic Regional Development Board will speak on the theme, "The University's Responsibility in Economic Development."

The first Maritime SCM gathering planned for this season will be at Mount Allison University, November 8-10. Members of the clergy will attend to discuss the topic, "The Role of the Church in the University."

Also, from October 26-27, Roy DeMarsh, General Secretary of Canadian SCM, will be in Halifax, and will participate in the SCM program.

Lobster Poachers

Former members and new initiates alike are urged to turn out to the first meeting of the Lobster Poacher's Society, Arts Annex, 4 p.m. Rm. 7 on Sunday. Members with equipment are asked to take inventory of traps so that new netting may be ordered.

FRESHMAN KILLED

(VARSITY)

Initiations at Waterloo Lutheran University led to the death of a freshman this year. As a result, students have called off all off-campus initiation activities.

Daniel Nash, 19, died of a fractured skull when he fell off the trunk of a moving car. Nash was participating in a mascot raid on the University of Waterloo. He was urging the other occupants of the car to continue the raid when he fell to his death.

Students will continue with their shoe-shiners for charity.

CAMPUS CORNER

A weekly column, informing students of campus events. — All student meetings and activities must be formally acknowledged by D. Moors of the Campus Co-ordinating office.

Publicizing of these events will be the responsibility of M. Guite, of the Campus Publicity department. The success of this system depends on full student co-operation.

COMING EVENTS ... Oct. 2-8.

- Oct. 2 Wed.**
 - 12:45 Varsity and Junior Varsity Basketball—Organizational meeting—Dal gym (call local 291)
 - 7:30 New Men's residence Freshmen tour of C.B.C.
 - 7:10 D.G.A.C. Fun Night—wear sneakers.
 - 8:00 Organizational meeting of Publicity Department. Further information will be posted.
 - 8:00-9:00 Mixed Swimming, YMCA pool South Park Street. All students welcome.
 - Oct. 2-10 Women's Tennis Tournament.**
 - Oct. 3 Thurs.**
 - 5:30 Men and Women's varsity swimming teams organizational meeting. Gymnasium class room.
 - 7:00 P.C. meeting. Further information will be posted. Everyone Welcome.
 - 7:15 Buffet — New Men's Residence — Residence Freshmen and Freshettes invited. Followed by a dance — all students invited.
 - Oct. 4 Friday**
 - 9:00-12:00 Freshie—Soph Semi-formal. Decapping ceremony — (Bring your beanies) Orchestra provided. Gymnasium.
 - Oct. 5 Saturday**
 - Soccer Game. St. F.X. vs. Dalhousie.
 - 8:30 Initiation Dance—Semi-formal, orchestra, Reg Quinn. New Men's Residence—Everyone Welcome. Intercollegiate Golf Tournament (changed from Oct. 12) Fredericton.
 - Oct. 6 Sunday**
 - 4:00 Organizational meeting of Lobster-Poaching Society. Freshmen welcome. Arts Annex, Rm. 7.
 - Oct. 7 Monday**
 - 7:00 Annual New Men's Residence Banquet. Residence Freshmen only.
 - Oct. 8 Tuesday**
 - 7:00 Judo Class, Lower gym.
- All '64 graduates please make photo arrangements immediately with the Murray Studio—423-7776.

MEDS DEFEAT DENTS

In the first Interfac game of the first half and it was late in the year in any sport Medicine pulled out a squeaker over Dentistry, 8-7. The game was hard fought and the final outcome was in doubt on the last play.

DENTS SCORE FIRST

Dentistry drew first blood, scoring on a 20 yard single by Roach, in the first quarter. Meds came back in the second quarter scoring on a 10 yard plunge by Murray on a quarterback sneak. The convert was scored by Brown on a pass from Murray after a fake convert attempt.

PUNT DECIDES GAME

There was no further scoring in

the fourth quarter when Medicine scored the winning point on a 27 yard punt by Murray. With time running out on Dentistry, they came storming back, and on the last play of the game they tried to score a single to salvage a tie. The kick was received about 5 yards behind the goal line by Murray who kicked it out to the 25 and out of harms way.

If at noon you have nothing to do drop by the football field and watch one of these games which always prove to be exciting and spirited.

Bulletin Board

All Dalhousie home varsity football games will commence at 1:30 p.m. instead of the formerly announced time of 2:00.

The Junior Varsity football team under coach Dick Loiselle will play its first home game on Saturday, Oct. 5 at Studley field. This will be the first J.V. game in two years as Dal did not field a team last year.

Mixed Recreational swimming starts on Wed., Oct. 2 at the YMCA pool. This period extends from 8-9 p.m. every Wednesday and admission is by NFCUS card.

Those students interested in competitive swimming are asked to meet on Thursday, Oct. 3 at 5:30 p.m. in the lower gym. Practice will be held Mon., Wed. and Fri. at the Y.M.C.A. pool from 7-9 a.m.

Students interested in playing intercollegiate volleyball are asked to see Mr. Gowie in the gym.

Students interested in Track and Field are requested to see Mr. Al Yarr in the gym.

Interfac volleyball will start on Wed., Oct. 9 in the gym at 8 p.m. Chairman of this event is Mr. Dick Drmaj. A schedule of the games will be drawn up later and posted in the gym.

Men's Judo starts Tuesday, Oct. 8 at 7 o'clock in the lower gym. Coach this year is Dr. Al Swanzy, a Dal dental grad who holds a black belt in this sport.

The Dalhousie badminton club will begin on Tues. Oct. 8 at 8:00 in the gym. The club provides recreational badminton for all interested Dalhousie students and is co-educational.

Girls' Sports

Intercollegiate Fishing

This year in girls' athletics promises to be one of many innovations. The new look starts with our new Womens' Phys. Ed. Director, Miss Carol Arnold. Miss Arnold hails from U.B.C. where she took her degree in Phys. Ed. She has already proved herself an able field-hockey coach and in the future her talents will become even more apparent.

VARSIITY

Varsity sports have already started with field-hockey leading the way. Hockey practices got under way during Registration week and are continuing with times as follows: Tuesdays and Thursdays at 12:00 and Wednesday at 5:30. Individual workouts will also be held in the gym. The first game will be against tough opposition, U.N.B., the 11th of this month. The team needs lots of interested girls, especially those with Varsity experience. However newcomers are welcome, since this year we will probably have a Junior Varsity team as well.

Varsity volleyball and swimming have also started. Practices for speed swimmers are Mon., Wed., and Fri. at 7:00 a.m. A girls' tennis is in progress right now and the winners will probably represent Dal. at the Intercollegiate tournament at Acadia, however if you didn't play in the tournament it isn't too late to inquire about Varsity tennis. See Miss Arnold in the Athletic office for more information about swimming and tennis. For information about volleyball contact Jean Harlow at the Hall.

INTERCLASS

If you don't feel up to Intercollegiate sports, give D.G.A.C. a try. (Incidentally, D.G.A.C. stands for the Dalhousie Girls' Athletic Club). D.G.A.C. endeavours to plan a program for the girl who just wants some fun and recreation. The Club executive plans Interclass tournaments in which your class accumulates points toward an Interclass Trophy, awarded at the end of the year. D.G.A.C. also sponsors recreational activities in which you just play for fun. This year tournaments are planned in field-hockey, volleyball, broomball and basket-

ball. The field hockey tournament, a new venture this year, starts next week and we need your participation to make it a success. These tournaments will be a great way to make new friends. The field hockey tournament will be played Tuesday and Thursday at noon hour so it will just fill up that empty hour at lunch time. The first get-together of D.G.A.C. will be on Wednesday, Oct. 2 at 7:00 p.m. in the gym. Every girl at Dal is invited to a 'FUN NIGHT' which means gag relays, games, and refreshments. It will be completely informal so you can meet the girls with whom you will be playing and elect a Class Representative for the balance of the year.

RECREATIONAL

There are a number of purely recreational activities planned for this year. The badminton club begins next Tuesday night at 8:00. Come early or you won't get on a court. D.G.A.C. is also planning judo and curling for girls. Dates and times will be announced in the near future. Recreational swimming begins next week with time reserved at the 'Y' pool on South Park St. every Wednesday night from 7:00 to 8:00.

INSTRUCTIONAL

The biggest innovation in Athletics at Dal is the voluntary Phys. Ed program. Although this program is planned mainly for freshmen, anyone may participate. It will give you a chance to learn a sport you don't know or improve your skill. Of interest to female students are:

1. Team games at 11:30 on Mondays and Wednesdays;
2. Badminton at 11:30 on Tuesdays and Thursdays, or 1:30 on Mondays and Wednesdays;
3. Slim and Trim, 1:30 on Tuesdays and Thursdays;
4. Gymnastics 11:30 Fridays.

Register for the class of your choice any noon hour this week at the gym.

As you can see, there is an activity for every one at Dal. If you want any more information, drop in to the Athletic office and ask. Don't forget the 'FUN NIGHT' Oct. 2, 7 p.m. at the gym.

The Eighth Annual Intercollegiate Game Fish Seminar, sponsored by the Yale University Athletic Association in co-operation with the Province of Nova Scotia was held at Wedgeport, Nova Scotia, September 4-8.

REPRESENTATIVES

The Seminar brought together teams from 10 Canadian and United States universities, and for the first time, a group of students from Japan.

Canadian universities taking part were Dalhousie University, University of New Brunswick, St. Francis Xavier University, University of Western Ontario and the University of Toronto.

Teams from the United States included Dartmouth, Harvard, University of Massachusetts, Princeton and Yale.

The Japanese students were from Waseda, Keio and Nippan Universities.

The students arrived in Wedgeport on Wednesday, September 4 to prepare for a well-rounded four day program, which included fishing for salt water game fish in the waters off Wedgeport.

SCORING AND TROPHIES

Each team of five anglers and a faculty coach, commenced fishing on Thursday, September 5, for Bluefin tuna, pollock, haddock, halibut and cod. Only these species counted in the scoring and one point was awarded for each pound of fish boated.

The Hulman Cup is awarded to the team that accumulates the most points and the Crandall Trophy for the largest fish caught. A third trophy, the R. J. Schaefer International Trophy, pits the Canadian teams against the American teams as the result of combined scores.

Last year St. Francis Xavier University, Antigonish, won both the Hulman Cup and the Crandall Trophy. Their high score was 375 points. The third trophy went to the American teams for catching the most fish.

THE WINNER

The University of Massachusetts staged a final day of excellent fishing in the choppy waters off Wedgeport today, to cop top honors in the eighth annual Intercollegiate Game Fish Seminar and Fishing Match, and thereby receive the coveted Hulman Cup, awarded to the team that accumulates the most points during the three days of fishing.

Entering the final day, the winners were lodged in seventh position, but they boated 326½ pounds of fish to increase their total to 676½ for the event.

The Crandall Trophy, presented to the fisherman with the largest catch of the match, was won in the final day by Dave Beatty of the University of Toronto. His cod weighed in at 37 pounds, 9 ounces. A close second in this competition was Eric McAllister, Bridgetown, N.S., and a student at Dalhousie University in Halifax. His catch, also taken on the last day, tipped the scales at 37 pounds, four ounces.

The R. J. Schaefer International Trophy, which pits the American teams against the Canadian teams as a result of combined score, went to the American teams. They were able to land 2,722 pounds during the period, while the Canadian teams boated 2,396½ pounds. In all, more than 5,000 pounds of fish were taken during the event.

The University of Toronto, who had an excellent final day of fishing, finished in second place with a three day total of 618½ pounds. Following the first two days, they were in eighth position behind the University of Massachusetts. They did, however, register the highest catch of the day and the biggest fish of the seminar. U of T students boated 348½ pounds of fish, including a 37 pound-plus cod.

Yale University finished in third position with 205 for the day and 583½ for the match. They were followed by Dartmouth with a total of 577½, Princeton 494½; Saint Francis Xavier 480; Dalhousie 479; University of Western Ontario 478½; Harvard 390; and the University of New Brunswick 340½.

Without this label it is not a genuine Kitten

W1/W14

FROM THE SPORTS DESK

BY PAUL FARLEY

A long and unhappy string of 18 defeats was quickly ended last Saturday afternoon when Dalhousie Tigers bared their fangs and sunk them deep into the Acadia Axemen. The seven point victory margin over the Wolfville squad provided an excuse for much merriment on the part of both players and spectators alike.

Although the game showed the Tigers still have some loose ends to tighten up, they were nevertheless the better team on the field and the victory was well deserved. It was a fine team effort, and coach Rutigliano is to be congratulated for moulding such a good group of football players.

OUTSTANDING PLAYERS

Especially impressive on defence were corner linebacker Bill Raine and Safety James Collins. Raine made spectacular tackles and Collins grabbed off two interceptions. The offence was ably led by quarterback Dave Precious, who mixed his plays well. Halfback Bill Stanish played a remarkable two way game and contributed much to the victory.

The only serious mistake on Dal's part was a mix up in calling a field goal instead of a punt late in the game when a single point would have put the Tigers more than a coveted touchdown ahead. However, Acadia were not able to move the ball and no serious damage was done.

Great Freshman Class

Mr. Ken Gowie, Dalhousie Athletic Director, stated in an interview earlier in the week that he was considerably impressed with the Freshman class this year. He would also like to extend an invitation to anyone having any problems or queries as far as sports are concerned to see him or one of his assistants in the gym.

BASKETBALL FUTURE BRIGHT

Mr. Al Yarr, new Dalhousie basketball coach said that he has very high hopes this year. Already he has had an impressive turnout for this early in the season and he stated that some of his new boys look pretty good. Basketball workouts will start Oct. 2 and the first game will be an exhibition tilt against the Harlem Diplomats from the U.S.

SUGGESTIONS WELCOME

Students are reminded that the Dal Gazette is your paper and any constructive criticism or suggestions will be welcomed. If there is something that we have not included in our issue that you would like to see included please let us know and we will try and help you.

GOOD YEAR AHEAD

Dal students this year can look forward to a good athletic program from the standpoint of both participants and spectators. An improved football team should provide Dal rooters with lots to cheer about. Basketball is improving and with a few breaks the Tigers should be a contender this year. Hockey, one of Dal's stronger points last year should be better this year with all but one of last year's team back.

INTERFACULTY SPORTS

A good interfaculty sports program provides students with the opportunity to play football, basketball, volleyball and hockey. In past years most faculties have been well represented in these leagues and competition has been very keen. Anyone wishing to participate in interfaculty sports should contact their faculty representative in the Dalhousie Amateur Athletic Club.

NEW FACES AT DALHOUSIE

Miss Carol Arnold

Dalhousie's new womans' physical education director, Miss Carol Arnold, comes to us from Vancouver, B. C. Before coming to Dalhousie, Miss Arnold attended the University of British Columbia, where she enjoyed several activities. Among her favourite sports, Miss Arnold listed volleyball and swimming. She also was Vice-President of the British Columbia conference of the United Church Young People.

New Plans

Miss Arnold has plans for women's sports at Dalhousie. She stresses that first a general groundwork must be established this year in order to develop sports more completely in the following years. This year, however, Miss Arnold plans to establish women's judo and curling as part of this

development. Miss Arnold also believes that voluntary physical education is very important. Not only does it give recreation to the students, but it also gives beginners a chance to develop skills in various athletic activities.

Mr. Alan D. Yarr

Mr. Yarr also comes to us from British Columbia. Mr. Yarr holds both a bachelor and a master degree in physical education from UBC. He spent one year at Acadia University and was in the RCAF for six years as a navigator.

While at Dalhousie Mr. Yarr will be the head basketball coach as well as track and field coach and the line coach for the football team. Last year Mr. Yarr coached the UBC junior varsity basketball team to an envious

DAAC comments

In an interview with the Gazette, John MacKeigan, President of D.A.A.C., stressed the fact that interfac sports, run by the club build up interfac spirit. As the members for a faculty play together as a unit they begin to feel pride in their faculty. Mr. MacKeigan felt that the logical end to a build-up of interfac spirit, was increased university spirit.

More Student Support Needed
He also noted that although D.A.A.C. Interfac sports provided the maximum opportunity for athletic participation, not enough students took advantage of the opportunities offered. The same group of boys play in many of the sports. This is not good since many more students could and should participate. Until Physical Education becomes compulsory, the wide program of Interfac sports is the best way for most students to participate, he stated.

Mr. McKeigan attributed the lack of enthusiasm in the past to a poor publicity program. However, this year and in future a newly set up publicity committee will make certain that all students are aware of coming Interfac events.

Female Participation Needed Too

This problem of poor participation has also been felt by the women's club, the D.G.A.C., which plans an Interclass program for all girls. The executives of both clubs have done their utmost to provide a varied program. It is up to the students to see that any Interfac or Interclass sport program is a success. The clubs need YOUR PARTICIPATION — YOUR SUPPORT. If you have any suggestions or questions contact the Athletic Office, John MacKeigan, President of D.A.A.C. at 423-5206 or Dorothy Woodhouse, President of D.G.A.C. at 423-8033.

GOLF TOURNEY

The Maritime Intercollegiate golf tournament slated to start on Oct 15 has been moved ahead to Oct. 5 at UNB in Fredricton. Those students interested in playing for Dal are asked to see Mr. Ken Gowie in his office in the gym.

11-1 record and first place in the Vancouver and District junior league.

Stalwart defense blocks Acadia punt. Shown above is the punt blocked by Ted Cameron setting up Dal's first touchdown in last Saturday's game. (Story on page 1)

(Photo by Munro)

DAL DEFEATS BUCANEERS

In what was billed as a warmup for Dalhousie's game against the Acadia Axemen, the Dalhousie Tigers defeated the Buccaneers of the "B" league 26 to 0. In this game Coach Rutigliano used all of his players in order to get a better look at the capabilities of each.

Tigers Score 19

Using the players in the first half who would be the first string against Acadia, the Dalhousie squad ran up a halftime lead of 19 points. The first points came early in the first quarter when Bill Stanish ran 20 yards around the right end for a touchdown. The convert was blocked, giving the tigers a 6 to 0 lead. Later in the quarter the Tigers scored again on a 30 yard pass option play from Ron Worthington to end Brian Coleman. Dave Precious kicked the convert giving the Tigers a 13 to 0 lead at the end of the first quarter.

The only scoring in the second

quarter came on a pass play from Dave Precious to the lonely end, Gord Marler. This 30 yard play gave the Tigers a 19 to 0 lead. The convert was no good.

In the third quarter the Tigers scored early on a pass option play from Ron Worthington to Gordon Marler. Dave Precious kicked the convert to round out the scoring for the Tigers.
