National Week of Action N-W-A

Monday, February 27 to
Friday, March 3

National Week of Action is a week where students across Canada participate in events to call attention to post Secondary Education issues. Working together with the Canadian Federation of students and the Student's Union of Nova Scotia it is our opportunity to increase the profile of PSE on the governments' policy agendas. Repeatedly, both the federal and provincial governments say that a well educated populace is the way to achieve world excellence as a nation. Now it is time for them to live up to that commitment by properly funding our PSE system.

Some of the major issues in Nova Scotia today are student aid and the general funding of universities. Remember the faculty strike? Part of the reason students must endure such things is a lack of adequate funding to universities. We have a chance to change this. Public pressure on our own elected representatives increases their response to our concerns.

How can YOU help?

There are a number of ways. There are a number of events planned during the NWA, your participation will help you learn more about the issues, as well as contributing to the overall effect.

Firstly, on Monday, February 27, the DSU welcomes you back from spring break with a free lunch. Kraft Dinner in the SUB cafeteria !! Kraft Dinner

is traditionally recognized as a starving student's answer to a good meal. The serving of this meal represents the inadequacies many students experience in the student aid system. While you're there to eat, sign a petition calling for improvements in the student aid system.

Another issue facing students is the physical accessibility of our campus. As the Dalhousie community becomes more aware of the obstacles presented to physically challenged students and staff, the DSU and the Dalhousie Advocates for the physically challenged are planning a "campus tour" to further illustrate improvements to our campus, as well as challenges we still face. Join us on the tour on Wednesday, March 1.

Our third event is a lecture on AIDS by Eric Smith. Mr. Smith was a member of the Nova Scotia Task Force on AIDS. Health issues are also PSE issues and AIDS is a reality we must all live with today. Be educated, not afraid, and take this opportunity to learn more about living with AIDS on Thursday, March 2.

The final event is a SUITCASE PARTY IN THE GRAWOOD. Thursday nights have never been so good. Buy a raffle ticket and win a free trip for two to Montreal. The draw is 9 p.m.

During the week also look for the photo essay on underfunding. Have you noticed evidence of an underfunded school? These spots on campus are familiar to many of us.

This is YOUR week. Help make a difference and enjoy !!

STUDENT COUNCIL PROFILE

Well, the Student Council Profile is back to introduce another face you may want to remember for the future. Council members have the responsibility to represent you, so if you have a problem, let them know.

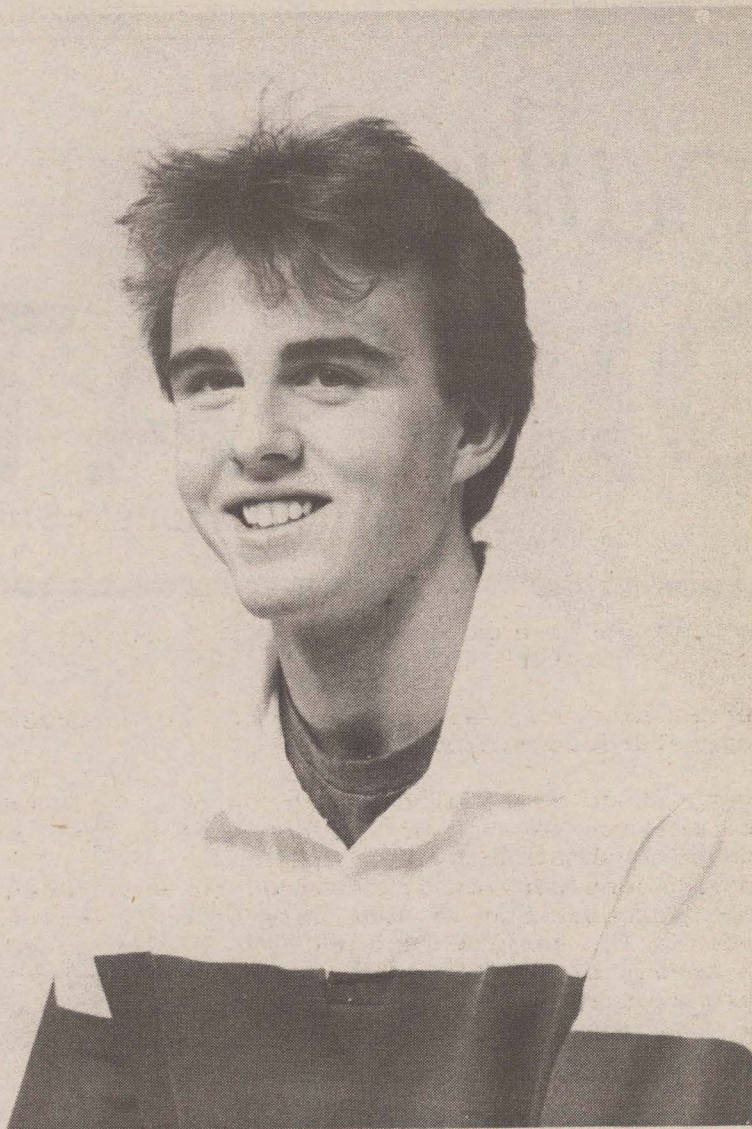

Geoff Hawbolt is working on second year here at Dalhousie. He is involved in a Bachelor of Science program with a Diploma in Engineering, no easy load. Geoff acts as the Engineering representative on the council as well as having served on the Summer Orientation Committee and the Entertainment Committee.

There is a long list of activities that Geoff enjoys, they include tennis, golf, hiking, creative writing, backgammon, 'full contact kick boxing', cribbage and, get this, leisurely strolls around campus.

As far as what he plans to be doing in another couple of years, Geoff indicated that it could be either a biomedical engineer or a poet-in-residence!

Geoff leaves us with one final comment, "The above does not necessarily represent the views of this councillor or any other councillor, fictitious or otherwise,.. or maybe it does..." O.K., thanks Geoff.

Geoff or any other student council representative can be contacted via the student council office on the second floor of the SUB, tele:424-2146

Student Advocacy Service

STUDENT ADVOCACY SERVICE

The Student Advocacy Service provides assistance to students who may become involved in an appeal within Dalhousie University. This assistance ranges from advice on appeal to representing the student at the appeal hearing.

Appeals include but are not limited to:

...appeal of a letter grade, method of course evaluation, etc(Academic appeals)

...appeal of a transcript notation, payment of fees, etc.(Regulatory appeal)

...defence of an allegation of plagiarism, cheating, etc(Academic offence)

Every student at Dalhousie University has the right to seek assistance or representation by an advocate if that student so wishes.

The student service is provided by the Student Union of Dalhousie and is available at no cost to the student. The service is staffed by volunteer student advocates from Dalhousie University.

Advocates may be contacted through room 404 of the Dalhousie Student Union Building or by phoning 424-2205.
