TO WHOM IT MAY CONCERN:

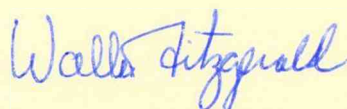

This will attest that Dr. Elizabeth Mann Borgese is a most distinguished resident of our Halifax Regional Municipality.

Dr. Mann Borgese has resided for almost two decades in the Sambro area of our city, and although her work and international endeavours can take her around the world, it is to our community that she always returns and where she has become a welcome and respected citizen. Here she is at home.

Dr. Mann Borgese is a professor of Political Science and law at Dalhousie University here in Halifax, the Founder and Honorary Chair of the International Oceans Institute and a leader of the Independent World Commission on the Oceans.

Dr. Mann Borgese's leadership and reputation in this area have contributed to making this city one of the world's leading areas for oceans and marine research and technology development, and earned her the respect and acclaim of her fellow citizens.

Your Worship,

It was indeed extremely kind of you to send me this letter confirming that I am a Haligonian! Not every one gets certificates like this -- and, apart from its utility to my daughter who needed an official confirmation that I am a resident of Halifax, it is a document which I will conserve and cherish. It is as good as an Honourary Degree!

Many thanks, and I will do my best to deserve it!

With all good wishes,

Sincerely yours,

Elisabeth Mann Borgese

Dear Peter,

what a great letter! I did not deserve that much!

I am attaching my thanks -- and they go to the Mayor as they go to you!

All the very best, and see you soon,

Elisabeth
