Dear Mr. Raddall -

Would it be possible for you to come to Barrington and speak to us at one of our meetings - it would be such an honor for us, and I am sure you would have an appreciative audience -

Our dates of meeting are not at all fixed, and could be arranged to suit your convenience.

Perhaps we are too ambitious of thinking of such a plan, but since many of us have so thoroughly enjoyed "His Majesty's Fawkes", we know it would be wonderful to have you come -

Since making your book, I know how I come honestly to be more or less of a rebel.

Thanking you for the courtesy of a reply, and what arrangements we could make to have you come to us,

I am, yours sincerely

(Mrs.) Sarah H. Richan

Dear Sir:

As president of the Cape Sable Historical Society, I am writing to ask you to address one of our meetings, either in July or August. It is held in the Old Meeting House, at Barrington, in the evening, and the date could be arranged to suit your convenience.

We would, of course, be responsible for any expenses incurred.

I asked the secretary to write you early, and if she has already done so, please disregard this. If she hasn't yet written, please notify me as to our prospects of having you present at one of our meetings.

Yours very truly,

(Mrs.) Beatrice C. Harris

Mr Thomas Raddall

Dear Sir

I believe that our corresponding Secretary, Mrs Sarah Pichay, has, in line with the wishes of our society - written you, both in 1943, + 44, asking you if it would be possible for you to come to Barrington and give us an address at one of our Summer meetings. We were all sorry that you were not able to come, so are venturing to ask for the third time!

We generally have our largest meetings in July and August, so I am hoping that, by writing you early in the season, you may be able to come during one of those months.

I am writing you at the earnest request of our President-elect, Mrs Beatrice Harris of Wolfville, who is, herself, only able to be present at those two meetings.

I do not need to assure you of our interest in your writings and our pride that someone is taking an interest in the recording of Nova Scotia's early history

Yours Very Truly

Dear Miss Hopkins,

Your invitation to address the Cape Sable Historical Society came at a fortunate time, for the increase in our gasoline ration has just been announced (with a hint of still more later) -- and I feel free to move about the province once more. I shall be happy to meet your Society in August. The exact day I leave to you.

Mrs. Harris has written from Wolfville and I am replying with a similar acceptance.

Sincerely,

Miss Bella L. Hopkins,
