Dear Sir:

When you were here a short time ago, you selected a Trumpet to await shipping instructions. We are still holding this Trumpet for you and if you are still interested in it we shall be glad to send it along. The better Trumpet cases, however, are not available just now, and it will be three or four weeks' time before we can hope to get supplies.

In the meantime, the Trumpet itself can go forward to you if you so desire. Otherwise, we have other orders waiting and we should like to use this instrument on one of these providing you do not wish it sent along.

Yours very truly,

WHALEY, ROYCE & CO., LTD.

Mr. Tommy Raddall,
Box 459,
Liverpool, N.S.

Dear Mr. Raddall:

Thank you for your letter of the 6th instant. We are pleased to quote you a price of \$18.00 for silver plating a Trumpet, a gold bell will cost you \$4.50 extra, and cleaning and sterilizing the instrument would be \$5.00.

In quoting prices for plating we must say that these prices do not take into consideration the cost of any necessary repairs. Before we can plate an instrument, all dents, including the very smallest, must be removed. We cannot, of course, quote on the removal of dents without first of all seeing the instrument. If you care to send this instrument to us we shall be glad to give you a price on any repair work that may be necessary.

Yours very truly,

WHALEY, ROYCE & CO., LTD.
