Dear Sir:

I have much pleasure in informing you that you have been elected a Fellow of the Royal Society of Canada by ballot of Section II.

The Society trusts that you will be able to attend the next meeting, which will be held at Queen's University, Kingston, Ontario, on June 6th, 7th and 8th, 1960. You will receive a Programme of the June meetings some time in May.

New Fellows will be presented to the President of the Society at a dinner to be given by the University on Monday evening, June 6th. After the presentation they will sign the Charter Book and receive their diplomas. +

Upon election to membership in the Society, there is an initiation fee of ten dollars. The annual subscription is fifteen dollars and becomes due on the first day of April each year.

It is necessary that you return to the Executive Secretary, Royal Society of Canada, as soon as possible, the enclosed biographical data sheet duly completed, in order that we may have your diploma properly engraved.

Hon. V. C. Macdonald,
Judge's Chambers,
Supreme Court of Nova Scotia,
Halifax, Nova Scotia.

Dear Judge Macdonald,

I imagine that you have heard from Mrs. Lea Métivier, Executive Secretary of the Royal Society, of your election as a Fellow of the Society (Section II). Should you not yet have heard from Mrs. Métivier, then it is my pleasure to inform you of your election.

The annual meeting of the Society will be held in Kingston in June. May I urge you strongly to attend this meeting. As a newly-elected Fellow you will be introduced to the president of the Society by the president of the Section, Reverend Father Gerald Phelan, at a dinner given by Queen's University at Leonard Hall, Monday, June 6th.

Should it be impossible for you to attend this meeting to receive your certificate and enter your name in the book of Fellows, I should be grateful if you would so inform me. It is one of the bylaws of the Society that Fellows wishing to be excused attendance at the annual meeting should inform the secretary of the Section concerned.

May I offer my congratulations to you on your election.

Yours truly,

(G. F. G. Stanley) Professor,
Secretary, Section II,
Royal Society of Canada.
