My Dear Sister

haven't heard from Jan this long time so thought I would just drop you a few lines to remind Jan that Jan had a big brother. Some where in Belgium Jan finished writing Lloyd and to tell the truth & haven't very much news to tell Jan every thing is quiet in Rixensart. We even are having now an odd picture show and that is what up to much have to get our doors to see that seems odd to sit out under the stars to watch a picture show some thing new some do not mind well now Miss you I understand that you have a big promise to me Jan told me before I left home that Jan would

go to school first for my sake now I
 hear that you haven't kept your
 promise so I do not believe that you
 care so very much about my older
 brother after all yet I would like
 for you to have a decent Education
 you will be sorry in the near future
 when you come to the right age that
 you could make good, and have
 an easy life instead of that if you
 will not listen you will be cross at
 your self the remainder of your days
 now yet I am not going to get cross
 but it rather hurt my feelings
 that you did not keep your promise
 to me and I will never forget it
 you have every opportunity if you
 wish to take that opportunity and

if you want well then you cannot
blame any one then your self

I was glad to hear that you all
~~are~~ enjoyed your selves skating
this winter would like to been
with you I am I guess that I will
have to close for this time hope
to hear from you soon and be a
good little girl give my love
to all will write soon again
I remain your ever loving Brother
