Interesting Programme Offered Homecoming Alumni

Dalhousie Alumni from near and far will be gathering on campus during Convocation Week to attend the first large scale Homecoming and Reunion to be held at the University in many years. Alumni Homecoming '62, which has been organized by the Dalhousie Alumni Association, will be held from May 15 to 17.

The Homecoming Committee has been working several months on the project and has come up with a programme that is both interesting and comprehensive.

ALL ALUMNI WELCOME

All Dalhousie Alumni, their wives and husbands, will be welcome to attend the Homecoming which has been organized in answer to repeated requests from alumni for an opportunity to revisit Dalhousie and get together with their fellow classmates.

REUNION CLASSES

While all classes will be welcome, the Homecoming Committee felt that certain classes should be designated as Reunion Classes. This year all classes whose year ends in "2" or "7" will be Reunion Classes and it is expected that members of these classes will make a special effort to attend the Homecoming.

ACCOMMODATIONS AVAILABLE

The University has kindly offered to make accommodations available in the beautiful new Men's Residence for both alumni and alumnae, at a nominal charge of \$5.00 per person per day for bed and breakfast. Living-in alumni will be accommodated in private rooms and should be most comfortable in the attractively decorated residence.

Homecoming planners Bruce Irwin, Carmen Moir, Miss Gail Young and Mrs. H. B. Ross discuss the schedule of events for the Homecoming '62 programme.

MEALS AVAILABLE

Meals will be available in the main Dining Room of the residence for all alumni at the following prices:

Dinner	\$1.50
Supper	\$1.25
Breakfast	\$1.00 (for alumni not living-in)

SPECIAL LECTURES

Special Homecoming Lectures will be sponsored by each of the five faculties at Dalhousie. These interesting lectures will be of a general nature and will be open to all alumni, regardless of faculty.

REGISTRATION

Alumni who plan to take part in the Homecoming Festivities are urged to register early by completing the Form on the opposite page and sending it to the Alumni Office as soon as possible.

REGISTRATION FEES

The registration fee for the entire programme as outlined on the opposite page is only \$7.50 per person. Alumni who will be unable to take part in the entire programme may purchase individual tickets for each of the functions at the following prices per person:

Buffet Supper	\$1.50
Homecoming Banquet	\$4.50
Homecoming Ball	\$2.50

Alumni will save one dollar by registering for the entire programme instead of buying their tickets on an individual basis.

ALUMNI NEWS

H O M E C O M I N G : MAY 15 TO 17

Homecoming Programme

Tuesday, May 15, 1962

- 9:00 Registration - Alumni Office - Arts and Administration Building
Coffee Party - Founders Room
- 12:30 Lunch available in the Men's Residence
- 2:30 Lecture: "Dalhousie's Role in Medical Education"
By: Dr. C. B. Stewart, Dean of the Faculty of Medicine
Place: Dalhousie Public Health Clinic Building, University Avenue
- 3:00 Informal Discussion Period with lecturer
- 3:30 Coffee Break - Room 313, Dalhousie Dental School
- 4:00 Lecture: "Looking Ahead in Dentistry"
By: Dr. P. S. Christie, Professor of Orthodontics
Place: Room 314, Dalhousie Dental School
- 4:30 Informal Discussion Period with lecturer
- 6:30 Buffet Supper and Annual Meeting of the Dalhousie Alumni Association in the Men's Residence

Wednesday, May 16, 1962

- 9:30 Lecture: "Archibald MacMechan and the College By The Sea"
By: Prof. C. L. Bennet, Professor of English
Place: Lecture Theatre, Sir James Dunn Science Building
- 10:00 Informal Discussion Period with lecturer
- 10:30 Coffee Break - Lecture Theatre Foyer

- 11:00 Lecture: "Oceanography - The Exploration of Inner Space"
By: Dr. F. R. Hayes, Director of the Dalhousie Institute of Oceanography
Place: Lecture Theatre, Sir James Dunn Science Building
- 11:30 Informal Discussion Period with lecturer
- 12:30 Class Luncheons - to be arranged by the classes or Class Officers, with assistance from the Alumni Office
- 2:30 Lecture: "The Law and Outer Space"
By: Prof. W. A. MacKay, Associate Professor of Law
Place: Library, Dalhousie Law School
- 3:00 Informal Discussion Period with lecturer
- 3:30 Open House on Studley and Carleton Campi Buildings open for inspection
- 6:30 Dutch-Treat Reception - Lord Nelson Hotel
- 7:00 Homecoming Banquet - Lord Nelson Hotel
- 9:00 Homecoming Ball - Lord Nelson Hotel
Dress: Informal
Don Warner's Orchestra

Thursday, May 17, 1962

- 10:30 Convocation—Degrees awarded in Arts, Science, Commerce; Graduate Degrees and Diplomas in Engineering, Pharmacy, and Music
- 12:30 Lunch available in Men's Residence
- 2:30 Convocation—Degrees awarded in Education, Nursing, Law, Medicine, Dentistry; Diplomas in Education and Nursing
- 4:30 Convocation Tea in Shirreff Hall

DENTAL PROGRESS AT DALHOUSIE By Dr. A. E. Hoffman

Dalhousie University first granted the degree of Doctor of Dental Surgery fifty years ago this May. From the initial graduating class to the present graduating class of 1962 much has been accomplished. Looking ahead, one can visualize the need for still greater accomplishments.

The Faculty of Dentistry originated as the Maritime Dental College, established by the Nova Scotia Dental Association in 1908. Shortly afterwards, arrangements were made between the Association and Dalhousie University whereby the Maritime Dental College became the Faculty of Dentistry and the first graduating class received their degrees from the University in 1912. This arrangement marked the foundation of the first University Faculty of Dentistry in Canada.

From the time of its inception until 1958, the Faculty of Dentistry was located in extremely restricted quarters in the Forrest Building. A new building for the Faculty was provided in 1958 with facilities of excellent quality, but because of very definite financial limitations, the building had to be fairly re-

stricted in size. The building was designed to accommodate twenty-five students in each of the four years of dentistry, and nine students in each of the two years of dental hygiene.

With the limited funds available it was necessary to delete many rather essential facilities. This has resulted in inadequate accommodation for specialized clinics, the complete absence of special provision for postgraduate and refresher courses and marked limitations of offices and research laboratories for the teaching staff. These inadequacies are not of recent recognition but were noted prior to the construction of the building. In fact, if sufficient funds were available at this time, an expansion of our physical facilities would be indicated to accommodate our present student body and staff.

Physical expansion must be accompanied by an increase in teaching and administrative personnel. Since 1908, the University has been most appreciative of the contribution made by the many dental practitioners in the Halifax-Dartmouth area in providing a very essential facet of the teaching programme. Until 1953, there was only one full-time teacher in the Faculty of Dentistry. There are now six full-time teachers with provision for a seventh. Although this appears to be a rather dramatic increase in full-time staff, there is still a need for additional personnel to provide sufficient time for research and teaching at both the undergraduate and postgraduate levels.

In 1960 a programme of continuing education for the practitioners in this region was initiated. The response to date has been encouraging and it is anticipated that considerable expansion in this programme will result.

Through the generosity of the W. K. Kellogg Foundation, Dalhousie University established a new programme in 1961 for the education of Dental Hygienists. This programme consists of two academic years following which successful students will be granted the diploma of Dental Hygiene.

Dental Personnel in the Atlantic Provinces:

The population per dentist in each of the Atlantic Provinces is much less favorable than the Canadian average. There is at this time in the Atlantic provinces one dentist per 4800 of population, as compared to one dentist per 2900 population in the rest of Canada, and one dentist per 1900 population in the United States.

It is thus clearly evident that there exists a very definite need for more dental personnel in this region. The Faculty of Dentistry is presently in a position to increase somewhat the number of graduates from the Atlantic Provinces provided that qualified applicants and financial support are forthcoming.

Student Enrolment:

Enrolment was limited by facilities and staff to a total of approximately fifty students in the four years, twelve or thirteen per year, until provision of the

Dr. A. E. Hoffman, D.D.S. '55, is Associate Professor of Oral Surgery at Dalhousie.

present building. Although the new building was first occupied in 1958, the class size could not be increased until necessary additions had been made to the full-time teaching staff, and more financial support had been obtained.

It was not until 1960-61 that the Faculty was prepared to accept the full complement of twenty-five freshman students. The enrolment of freshmen for the years 1960 and 1961 were sixteen and eighteen respectively, there being an insufficient number of qualified applicants. There has been for the past few years, a slight increase in the number of qualified applicants for dental schools, but there now appears to be a more marked increase in the number of prospective dental students. Although it is too early to predict the enrolment for the coming year, it appears that we will have a full complement of twenty-five freshman students for 1962.

It is interesting to note that while there has been an increase in student enrolment during the past few years, the number of students from the Atlantic Provinces has not shown an increase over the past ten years. The increased size of the first year classes has resulted from the acceptance of more students from outside the region. It has been, and still is, possible to accept all well qualified Atlantic Provinces students, for these students receive priority over students from other areas.

Improved recruitment and subsidies to students are required to better the situation as it has existed in the Atlantic Provinces. Recruitment has been one

of the major considerations of organized dentistry and during the past few years, much effort has been expended in this direction. The results of these efforts are now being reflected by the upswing in the number of qualified applicants. From the point of view of subsidies, requests have been made to governments to introduce a subsidization programme to assist the qualified student who financially would not be able to pursue the study of dentistry.

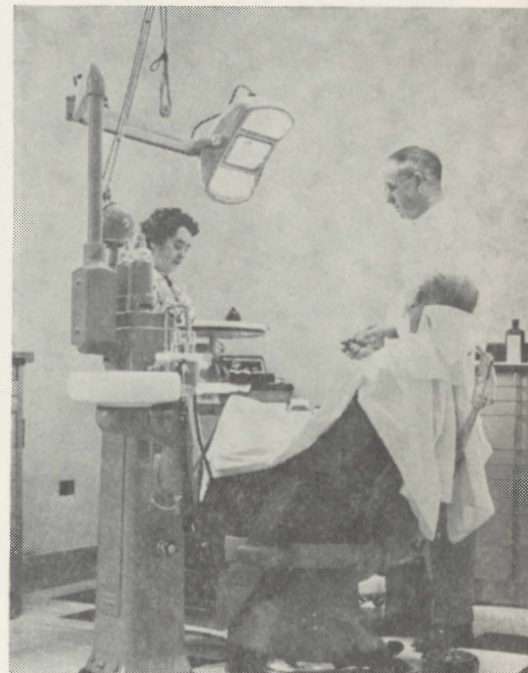

When recruitment of students from the Atlantic Provinces approaches the point where present facilities are fully used, consideration should be given to a physical expansion to accommodate some fifty or sixty new students per year. This expansion will be dependent upon the availability of teaching staff and financial resources.

The Faculty of Dentistry is pleased with the progress that has been made during the past half century and at the same time is fully aware of the much more rapid development which must take place during the next decade. Our objectives will continue to be designed to provide a more adequate supply of well qualified dentists for the Atlantic Provinces; to provide frequent and varied opportunities for continuing education in dentistry so that the practitioners of the region may be assisted in improving and advancing their services; to provide training for dental hygienists and, possibly, other dental auxiliaries; to further our research facilities and, above all, to maintain the high standards of dental education of which this Faculty of Dentistry is so justly proud.

THE CHANGING CAMPUS

Artist conception of the proposed extension to Shirreff Hall.

Major Expansion Planned For Shirreff Hall

Tenders have been called for a 119 bed extension to Shirreff Hall and construction is expected to be started as soon as the contract is awarded.

The addition will be of masonry construction similar to the present building and the interior will be finished in plaster on tile and as fire-resistant as it is possible to make it. Every effort is being made to keep the transfer of noise between rooms to a minimum and it is anticipated that the rooms will be exceptionally quiet.

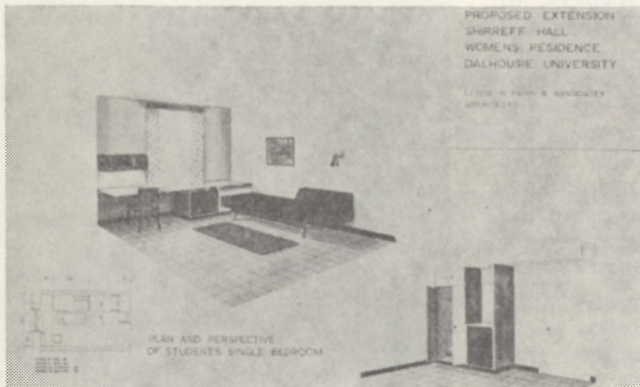

The basement level of the extension will house student laundry facilities, trunk storage, a games room and possibly a small lunch counter. The ground floor will contain a common room for resident girls; two guest rooms, one single and one double; two counsellors' rooms and eleven double bedrooms.

The second and third floors will be identical and will each house eleven single and fifteen double bedrooms, plus the necessary washrooms and small lounge. The top floor will house nine single and two double bedrooms and additional storage space.

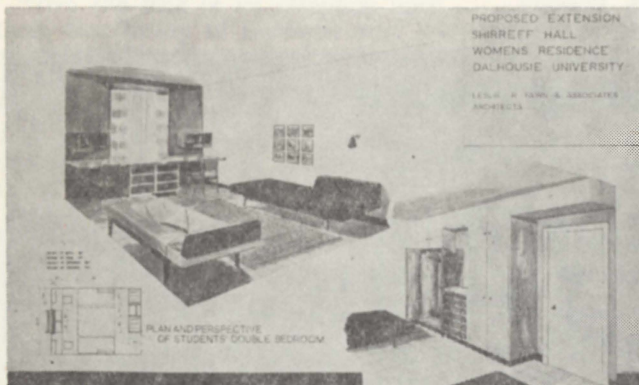

There will be an elevator in the building and kitchenettes on each floor for the students. There will also be a fairly large kitchenette on the main floor for ease in serving at teas and receptions.

In order to accommodate the increased number of students, the present dining room will be enlarged by 47% so that all resident students could be seated simultaneously, if necessary. The main kitchen will also undergo a complete face-lifting and the new facilities will be of the most modern type. Either steam or electricity will be used as a heating medium and ample refrigeration space will be provided.

To heat the increased cubic capacity of the building, the present heating plant will be reconditioned and new boilers, controls and distribution system installed.

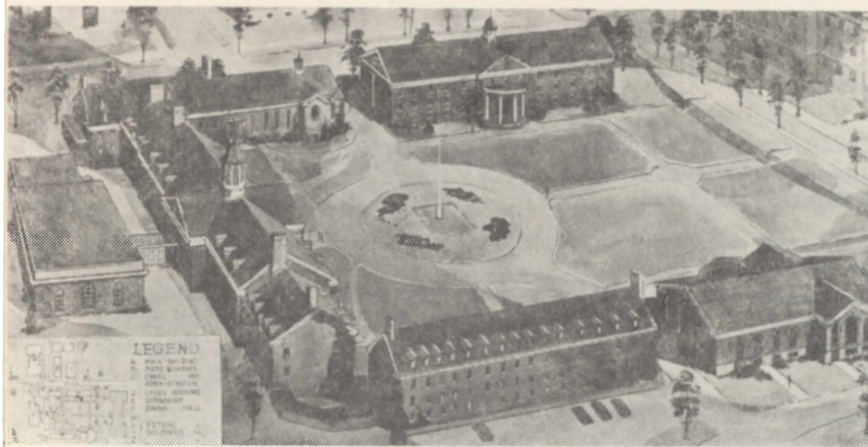

Students' single room.

Students' double room.

The Programme For KING'S

King's Expansion Started

Construction of three buildings on the University of King's College campus has started and is proceeding on schedule. The new buildings are being built under the \$1,690,000 Programme for King's and will provide a residence for 100 women students, a social and athletic centre and a central dining hall of sufficient size to seat the entire expanded student population.

King's presently provides residence accommodation for 110 men and 35 women including 11 "co-eds" living adjacent to the campus in a house owned by the University.

To accommodate the increasing numbers of women seeking admission, the new 100 bed women's residence has a high priority in the expansion programme. Students will be housed in single and double bedrooms. The residence will include a sizable library, lounges, a music room, a games room, laundry facilities, a service elevator and ample storage space. With completion of the new residence, King's will be able to house 245 students.

With the doubling of enrolment at King's a complete Social and Athletic Centre will be built to provide adequate on-campus social and recreational activities.

The new centre will be a multi-purpose structure containing an auditorium-gymnasium, equipped with a regulation-size basketball floor and a large stage for assemblies and dramatic productions; a swimming pool; meeting rooms; a kitchenette; showers and lockers. The large and well-planned building will provide for the social and recreational needs of King's students for many years to come.

The new Central Dining Hall will meet a long-felt need at King's and will be patterned on the lines of the Great Hall in Hart House at the University of Toronto. New and complete kitchen facilities are also provided. A full-size lower floor will provide space for future requirements.

The new hall will be a lasting memorial to the late Dr. Samuel H. Prince, for many years Professor of Sociology at King's. Thousands of Maritimers and New Englanders will long remember Dr. Prince for his untiring efforts and accomplishments in the field of social welfare.

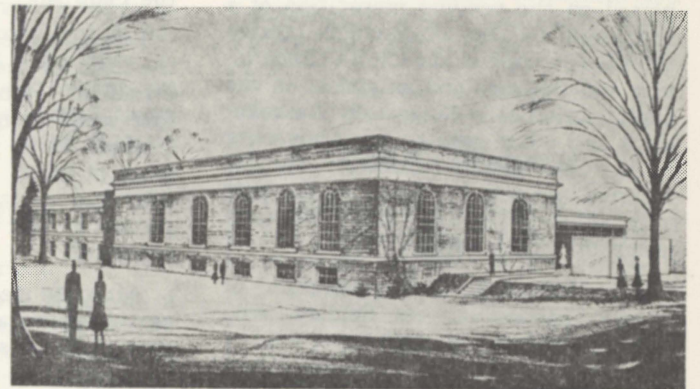

Construction of the Central Dining Hall will free considerable space in the Administration Building. The present dining hall and kitchen will be renovated, as part of the programme, into classrooms and offices: part of it will house the Latin American Institute which is receiving international commendation for its programme for increased understanding of Latin America.

New York

THE DALHOUSIE CLUB OF NEW YORK held its Thirty-Second Annual Meeting in the comfortable and attractive quarters of the Canadian Women's Club of New York in The Savoy Hilton Hotel, Fifth Avenue at 58th. Street, New York City, on Wednesday, January 10, 1962.

There were present twenty-eight members and associate members. Dr. Albert Sloane, President of the Club, presided as Chairman. The Secretary, Mrs. Roy D. McNutt, presented the minutes of the last Annual Meeting. The Treasurer, Mrs. Bertha Baird, read the Treasurer's Report showing the Club's Treasury in a healthy condition with a comfortable balance of \$1,000.00 on hand.

A Report was given on the state of the Scholarship Fund by Dr. J. Arthur Dawson, Chairman. On motion, the fund collected to date for a scholarship in memory of Beth Moir Leslie was voted, provided the donors so agree, towards the furnishing of two rooms in the new wing of Shirreff Hall, such rooms to bear an appropriate plaque to the effect that they have been furnished as a Memorial to Beth Moir Leslie by The Dalhousie Club of New York. Mrs. Beth Moir Leslie, one of the Club's most active and beloved members, passed away very suddenly a few years ago.

The Chairman of the Membership Committee, Mr. Roy D. McNutt, reported on the pending preparation of a new list of members which will be printed to include a copy of the Club's Constitution and By-Laws and an article on the Club's activities in the matter of scholarships and other gifts to the University by the Club and its members. He also reported the loss by death in the past year of three of our active associate members. They were:

Mr. Herbert R. Bradley, husband of Mrs. Mildred Lavers Bradley, who died on March 11, 1961;

Dr. Robert J. Lowrie, physician, who had been President of the University of Toronto Club of New York. He had been for many years an active associate member and a great friend of the Dalhousie Club. He died on October 10, 1961; and

Mr. Roy Laing, husband of Dr. Anna Creighton Laing, who passed away very suddenly on November 2, 1961.

At the President's request, all stood while a minute's silence was observed in memory of these departed members.

The Nominating Committee consisting of Mr. J. Ralph MacLean, Chairman, Mr. Howard C. Glube, Mr. Roy D. McNutt, Miss Isabel M. Metherall and Miss Blanche J. Urquhart, presented its report as follows:

Officers: Honorary President Rev. Dr. John Sutherland Bonnell; President—Mrs. Edward Corsi, Vice-President—Dr. Samuel N. Rosenberg, Vice-President—Miss Isabel M. Metherall, Secretary—Mrs. Roy D. McNutt, Treasurer—Mrs. Bertha Woolaver Baird.

Executive Committee: Dr. Seymour S. Balkin, Dr. Tobias Beeber, Mrs. Mildred Lavers Bradley, Dr. Harold Davis, Mr. Howard C. Glube, Dr. K. Sheldon MacLean, and Dr. Robert Weitz.

The Report of the Nominating Committee was unanimously accepted, and the President declared the Officers and Executive Committee for 1962 duly elected.

Dr. Sloane, the Retiring President, expressed his appreciation and thanks to the officers and the Executive Committee who had so ably assisted him in the work of the Club while he was President during the past two years. He then welcomed the new President, Mrs. Edward Corsi, to the Presidency and noted that Mrs. Corsi is the first lady member to be elected President of the Club since its organization in 1930.

Mrs. Corsi took the Chair and thanked the Club for the honor in electing her as President. Plans were then made for the first social event—a Buffet Supper and Cocktail Party to be held in the first week of May. A Committee of ladies who had so successfully arranged our parties in the past several years was appointed.

After the meeting, a social hour with refreshments was so well enjoyed by all that the hour stretched on to midnight as the members seemed reluctant to leave the companionship of fellow Dalhousians. The warm fellowship and enthusiasm of the members for continuance of the happy atmosphere and good works of the Club was evidenced by the fact that the Treasurer was kept busy accepting the payment of dues for the current year.

Janet McNutt,
Secretary

MEDICAL ALUMNI ASSOCIATION

HONORARY LIFE MEMBERS

Each year the Dalhousie Medical Alumni Association bestows an Honorary Life Membership upon all Dalhousie doctors who have achieved 50 years of medical practise.

To date the following doctors have been so honored by the Medical Alumni Association:

- 1896
Williamson, Samuel W.
- 1897
Grierson, Robert
- 1900
Giovannetti, Louis John
- 1901
Robbins, Welton Havelock
- 1902
Borden, Lorris Elijah
Corston, James Robert
Bradshaw, Martha Agnes
- 1903
Earle, Richard W. L.
Murray, Daniel
MacLeod, Albert Churchill
Rice, Grace Elizabeth B.
- 1904
Farquharson, William A.
Miller, Arthur Frederick
- 1905
MacDonald, Thomas Gladstone
O'Connell, John Ignatius
- 1906
MacRae, Duncan Roderick
Boudreau, Francis Edmund
- 1907
Brown, Samuel Ritty
- 1908
Bruce, James Garfield
MacLellan, Robert Augustus
MacLeod, William Arthur (Died - 1961)
Patton, Weldon Wood
- 1909

Cameron, Clarence Bain
Schwartz, Hugh William
Davis, Elizabeth Euphemia Balcom
Brisson, Eliza Perley
Collie, John Robert Mitchell
Murdoch, John Allan McIntosh
Saunders, Reginald McKean

"OUR PRESIDENTS"

By Dr. J. R. M. Collie

In 1900, at the age of sixteen, I wrote to my father suggesting I should be allowed to attend McGill University.

I quote his reply—"Before you decide to attend McGill you should be familiar with the history of Dalhousie University and the sacrifices made by our Presidents. Many young men hoping for greater liberty and independence came from Scotland to Pictou County. They were disappointed to find an established state religion, and system of education. The only seat of learning was the Church of England Academy at Windsor which was state supported.

After they built their own houses these newcomers decided to build their own academy, 'which would provide education for persons of every religious denomination.' Their leader was the Rev. Thomas McCulloch, who after many hardships, was able to open Pictou Academy in 1815.

Your grandfather was one of the pupils.

Two years later, Lieut. Governor Dalhousie proposed a non-sectarian college at Halifax and the corner stone was laid in 1820. It was not until 1838 that Dr. McCulloch was transferred from Pictou Academy to become President of Dalhousie. He was our first President.

He died suddenly in 1843. He was the greatest educational reformer in Nova Scotia.

I was born in 1840, baptised and christened James Ross by our minister, Rev. James Ross. It was Dr. Ross who wrote

to his friend Oliver Wendell Holmes and was instrumental in getting me enrolled at Harvard University where I graduated in 1867.

After the death of Dr. McCulloch, Dalhousie College was dormant until 1863, when Rev. James Ross became our second President. Today, Rev. John Forrest is President and completes the 'Great Triumvirate.'

I think you should carry on the family tradition and attend Dalhousie.

You would meet the younger generation of the Howes, Dawsons, Youngs, Archibalds, whose forebearers worked so hard for religious and educational freedom. Furthermore you would rub shoulders with the graduates of sectarian universities which should broaden your outlook."

Yes, I came to Dalhousie, sat at the feet of Dr. Forrest, our third president; attended lectures from Dr. Stanley McKenzie, our fourth president, and have met each succeeding president.

In our home an album contained the photographs of all the presidents, and in addition, extracts from the sermons and lectures of Dr. McCulloch and Dr. Ross.

J.R.M.C.

Editor's Note:—We were very happy to receive the above letter from Dr. J. R. M. Collie, M.D., C.M. '11, who lives at Summerleigh, Gower Road, Weybridge, Surrey, England, and are pleased to reprint it for the benefit of all our Alumni.

Truro Branch Sponsors Third Public Lecture

"The real German problem today is not Berlin, but is in fact a Polish problem", Dr. Guy MacLean told members of the Truro Alumni during the third Annual Public Lecture sponsored by the local branch in Truro on February 19.

Speaking from personal observations made during a trip behind the Iron Curtain last summer, Dr. MacLean said that the Germans are still obsessed with the fact that a major portion of their territory is under the control of Poland. The Germans feel that the unification of their country will not be possible until these

"lost provinces" are returned.

Dr. MacLean, associate professor of History and Head of Residence at Dalhousie, illustrated his lecture with slides taken during his travels by car last summer through Poland, Czechoslovakia and Germany, including Berlin.

Dr. H. R. MacKean, president of the Truro Branch, presided at the meeting and Lorne Clark introduced the guest lecturer. At the conclusion of the lecture, Dr. MacLean was thanked by Dr. Norman Layton on behalf of the alumni group.

Arthur Moxom, B.A. '06, was honored on his 80th birthday by the establishment in his name of a perpetual scholarship fund for post-graduate study at the University of Saskatchewan. The scholarship fund will be financed by the University's College of Law Alumni Association. In October he received an Honorary Doctor of Laws degree from Queen's University on the occasion of the Installation as Principal of a former pupil, J. A. Corry, Sask. and Lincoln '24.

Dr. S. G. Whiteway, B.Sc. '47, M.Sc. '48, is the author of an important technical paper which appears in the January issue of The American Ceramic Society Bulletin. The paper is entitled "Sintering Long Thermocouple Sheaths Without Warping." Dr. Whiteway is associate research officer in the High-Temperature Chemistry Section, National Research Council in Halifax.

Dr. Donald S. MacKeigan, B.A. '40, B.Sc. '41, M.D., C.M. '44, has been appointed to the medical outpatient staff of Camp Hill Hospital, Halifax. He has discontinued his practice to take position with the Civil Service Commission.

Dr. Garth Vaughan, M.D., C.M. '55, recently received his certification from the Royal College of Surgeons of Canada. He studied cancer surgery in England on a Fellowship from the Canadian Cancer Society, and now practises in Windsor, N. S.

(Continued on page 10)

Dental Hygiene

Dalhousie has established a two-year course leading to a diploma as dental hygienist. The course is similar to that given by other reputable institutions and the diploma will be recognized across Canada.

Dental School representatives are available to explain the new course to Maritime high school students. Alumni who are in a position to organize a visit by these representatives, to their local high school are asked to write to the Dean of Dentistry, Dalhousie University.

Dr. C. B. Stewart, B.Sc. '36, M.D., C.M. '38, dean of Dalhousie University's School of Medicine since 1954 received a fellowship without examination from the Royal College of Physicians and Surgeons of Canada. The distinction is presented to only three outstanding men in the field of medicine in Canada each year.

Dean G. C. Andrew, B.A. '29 (K), B.A. '35 (Oxon), assistant to the President of University of British Columbia has been appointed executive director of the Canadian Universities Foundation.

Miss Lilla Stirling, B.A. '28, M.A. (Col.), is continuing her writing and has recently had another book published. It is entitled "The Stowaway Piper".

Dr. Fraser D. Mooney, Eng. '14-'15, M.D., C.M. (McGill), is retiring next September as director of the Buffalo General Hospital, a position he has held for more than 34 years. He plans to move to Pompano Beach, Florida.

Miss Glenda Faye, B.Sc. '58, has been working at Stanford University for the past several months in the capacity of Research Technician.

Dr. Andrew L. Doucette, Eng. '17-'19, was honored by an "appreciation dinner" with a presentation on the occasion of his retirement from the Faculty of Education of the Calgary Branch of the University of Alberta.

Albert G. Ley, Dip. Eng. '29, has been elected President for the coming year of the Nova Scotia Technical College Alumni. He is Superintendent of the Thermal Division of Nova Scotia Light and Power Company Ltd., Halifax.

Benjamin Conrad Smith, B.Sc. '57, Dip. Eng. '57, has returned to Halifax after two successful years spent in England on an Athlone Fellowship, receiving his M.Sc. degree from Birmingham University. He is now with the National Research Council in Halifax as an Administrative Assistant.

Mrs. George H. Spencer (Jean Fitzgerald), B.A. '37, has moved to Kingston, Ontario, where her husband, Brigadier Spencer recently was appointed Commandant of the Royal Military College.

Louis B. Edwards, LL.B. '41, has been appointed Judge of the Juvenile Court for Nova Scotia. He will serve for all of Cape Breton Island. He is succeeded as assistant crown prosecutor for Cape Breton by Frank L. Elman, LL.B. '57, who until now has been practising with M. Rodger MacLeod, LL.B. '53, in Sydney.

J. Gordon Fogo, B.Sc. (Queen's), LL.B. '54, delivered a paper at the recent conference of International Association for the Protection of Industrial Property, held in Ottawa.

Dr. Robert W. Begg, B.Sc. '36, M.Sc. '38, M.D., C.M. '42, former resident of Stellarton, has been appointed dean of the college of medicine of the University of Saskatchewan. Since 1957 he has been head of the university's department of Cancer Research, director of the Saskatchewan Research Unit of the National Cancer Institute, director of the Saskatchewan Cancer and Medical Research Building, and a lecturer in pathology in the College of Medicine.

Cyril R. Coughlan, Q.C., LL.B. '26, has been appointed to the Board of Commissioners of Public Utilities. He is prosecuting officer for the County of Lunenburg.

**Let's get together
at the
ALUMNI HOMECOMING
AND REUNION**

May 15 to 17, 1962

SEE PAGES 2 & 3

William N. Wickwire, B.A. '27, LL.B. '29, of Halifax has been appointed president of Nova Scotia Light and Power Co. Ltd. He succeeds John C. McKeen, Arts '18-'19, who has been appointed chairman of the board of directors. Gordon D. Stanfield, Dip. Eng. '37 was appointed vice-president.

Rev. Dr. John Sutherland Bonnell, B.A. '19, for the last 26 years minister of New York's Fifth Avenue Presbyterian Church, preached his farewell sermon in January to a congregation of more than 2,200. He plans, following his retirement, to preach in Toronto, Winnipeg, Victoria and other Canadian cities.

John B. Ballem, B.A. '46, M.A. '48, LL.B. '49, for the past several years legal adviser to Pacific Petroleum and associated companies, is now going into private practice in Calgary.

L. Ray Waller, B.A. (S.M.U.) LL.B. '59, has left his position as internal

solicitor with British Mortgage and Trust Company and has opened his own law office in Stratford, Ontario. He is married and has two daughters, one and three years old respectively.

Major James B. Fay, LL.B. '53, of Halifax, has been posted to the Directorate of Administration at Army Headquarters in Ottawa. For the past year he served as legal adviser with Headquarters Canadian Base Units in the Middle East.

Gerald A. Regan, LL.B. '53, was chosen to represent the United Textile Workers local in their dispute against the union and Nova Scotia Textiles Limited. Harry Rhude, LL.B. '50, represented the company.

Melbourne Hebb, B.Com. '60, is the new manager of New Leaf Enterprises, Nova Scotia's only sheltered workshop for all handicapped. A victim of polio himself, and confined to a wheelchair, it is his ambition "to help handicapped people get a start in employment who haven't had a chance". His place of business is Handicap House, Brenton Street, Halifax.

Walter R. Lawson, B.Sc. '40, as been promoted from vice-president and general manager of Sifto Salt Limited to development director for a group of Dominion Tar's chemical companies. He will be responsible for developing new processes products, enterprises and markets in the chemical field.

Robert E. Hart, Com. '46-'47, C.L.U., has been appointed Regional Superintendent of Agencies for the Confederation Life Association. He is Divisional Manager at Saint John, N. B., and his new duties will include supervision over Nova Scotia and Prince Edward Island offices.

Leonard Mitchell, B.Com. '43, LL.B. '48, has been appointed city solicitor for Halifax. He is moving up from the post of Deputy City Solicitor.

Three Dalhousians are now serving as ambassadors in the Department of External Affairs; John H. Cleveland, B.A. (K) '33, LL.B. '36, ambassador to Finland since 1960, Miss Margaret Meagher, B.A. '32, M.A. '35, recently appointed ambassador to Austria, and Charles S. A. Ritchie, Arts (K) '24-'26 who has just received the most important assignment of his distinguished career, in being named ambassador to the United States.

Mrs. H. Terry Creighton (Rita Bailey) B.A. '27, M.A. '57, of Halifax, took part

in a panel discussion over C.B.C. network, sponsored by the Canadian Council of Education. The subject was "Changes in Educational Systems", and the discussions were held in Montreal, March 4-8.

Don P. MacLeod, B.Sc. '53, M.Sc. '55, Ph.D. '59 has been awarded a G. F. Strong Memorial Fellowship from the Canadian Heart Foundation. He will continue his investigations into the causes of irregular heart rhythms.

Rev. Ronald Harris, B.A. '55 (K), has returned from post-graduate studies in Britain and the Holy Land, and has been appointed rector of Pugwash and River John, his combined parish being one of the most extensive of the diocese.

Mr. Justice Frank H. Patterson, LL.B. '16, was recently presented with a certificate as a Judicial Fellow of the American College of Probate Council. The College is an association of American and Canadian lawyers interested in probate and state law. He was a member of this group when practising in Truro.

The following excerpt is from a letter from Dr. James A. Doull, B.A. '11, M.D., C.M. '14, to his brother, Mr. John Doull, B.A. '09, LL.B. '10, dated January 14, 1962. "It is two months today since I left Washington for the Philippines, my departure being delayed by the illness of one of our staff. I took part in a teaching course for physicians given by the World Health Organization at Manila and at Cebu. The subject was leprosy, the course a 3-weeks one, and actually the major work fell on Leonard Wood staff. I then worked on our studies and left on 26th of December for Thailand with one of my associates. Then to Calcutta on the 30th where I spent New Years with friends. Took part in leprosy meetings at Hyderabad, 4-9th of January (and was made an honorary member of the Indian Assoc'n of Leprologists) where I was one among 500. After a couple of days at an institution near Madras, came to Delhi on the 11th. Am leaving for London the 17th and home on the 24th."

Dr. Cyril R. Taylor, M.D., C.M. '53, and Dr. Donald Murray, M.D., C.M. '55, were recent successful candidates at examinations of the Royal College of Physicians and Surgeons, Dr. Taylor of Sackville, N. B., in general surgery, and Dr. Murray, Chipman, N. B. in obstetrics and gynaecology.

Thomas A. Goudge, B.A. '31, M.A. '32, professor of philosophy at Toronto

University has received a Governor-General's literary award in non-fiction for 1961. His book, "The Ascent of Life" deals with philosophic problems raised by the theory of evolution.

Dr. Anna Biechl O'Neill, post-grad. Arts '58-'60, research fellow in the pulmonary function laboratory at Dalhousie, has been awarded the first bursary to be awarded by the Nova Scotia Tuberculosis Association. She is taking a course in Boston in March.

Ralph T. Vaughan, LL.B. '44, has been named secretary of Canadian National Railways. He joined the Company in 1955 as special assistant in the office of the president, and became assistant to the president in 1958.

Murray A. North, LL.B. '48, recently manager of the Calgary branch of the Eastern Trust Company, is now manager of the Halifax branch.

Dr. A. P. Menzies, D.D.S. '56, who as a member of the Royal Canadian Dental Corps has been stationed at Chatham RCAF Station for the past several years, has now taken up practice at Newcastle, New Brunswick.

Dr. Chesley M. Blackwood, B.Sc. '50, has been appointed chief of the fisheries inspection branch for the Maritime provinces with headquarters in Halifax. He received his doctorate from the University of Washington's College of Fisheries, Seattle, Washington last year.

December 22, 1961, Janet Pauline Creighton (Arts 57-59) of Dartmouth, N. S. to Derek Ralph Warren (B.A. '61) of Cornerbrook, Nfld.

December 24, 1961, Marcia Lee Jacobson (Arts 57-58, 59-61) of Halifax, N. S. to Lloyd Slaven of Outremont, Quebec.

December 27, 1961, Margaret Louise MacLeod (M.A. (Sci.) 58-59) of Inverness, Cape Breton to Brian Roy Cuzner of Surrey, England.

December 27, 1961, Edna Marie Farnell of Halifax to Earle Gray Ross (Arts 52-53, 54-55, 58-61) of Halifax, N. S.

December 27, 1961, Margaret Ann Sinclair (B.Sc. '59) of Halifax to Richard James of Baltimore, Maryland.

December 29, 1961, Barbara Joyce Machan (B.A. '59, B.Ed. '60) of Halifax

to RCMP Constable W. Edward Bishop, also of Halifax.

December 30, 1961, Mary Jean Scriven (B.A. '55, B.Ed. '56) of Halifax to Lieutenant-Commander Michael Gerard Thompson of Quebec City, P.Q.

December 30, 1961, Nancy Elizabeth Wetmore (Arts 59-61) of Scarsdale, New York, to James Loring Faulds (Comm. 53-55, Law 55-58, 60-61) of Amherst, N. S.

December, 1961, Josephine Ann Sherwood of Dartmouth, N. S. to Leendert van der Zwan (B.Sc. '58, M.Sc. '61) of Lunenburg, N. S.

January 13, 1962, Mary Sue Stevens of Melanson, N. S. to John Alan MacKenzie (B.Sc. '60, Dip. Engin. '60) of Charlottetown, P.E.I.

January 13, 1962, Elizabeth Jean Smith of Port Hood, N. S. to Ralph Gordon Cooley (Engin. 44-45, Comm. 45-46) of Halifax, N. S.

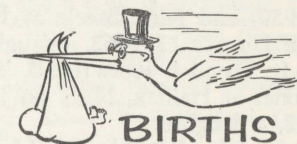

January 15, 1962, Kathleen Campbell of Sydney, N. S. to Donald Lewis Mathe-son (LL.B. '59) of Sydney Mines, N. S.

December 9, 1961, Emily Joan Caines (B.A. '56) of Halifax, N. S. to William Graham Anthony of Middleton and Digby, N. S.

February 24, 1962, June Doreen Meagher of Halifax, N. S. to Dr. Donald Maxwell Nicholson (M.D., '60) of Halifax.

February 26, 1962, Margaret Jean Holm (M.A. '60) of Armdale, N. S. to Lieutenant John Denison Laferty, Junior Grade, U.S.N., of Towson, Maryland.

March 3, 1962, Heather Ruth Gordon of Toronto, Ontario to A. W. H. (Pat) Brodeur (B.Com. '53) of Montreal, P.Q.

To Lt. Col. M. E. Gale and Mrs. Gale (Jeanne Forbes, B.A. '40, B.Educ. '41) at Ottawa, Ontario on Sept. 27, 1960, twin daughters.

To Dr. Frederic G. Inglis (B.Sc. '50, M.D., C.M. '55) and Mrs. Inglis at Montreal, P.Q., on Dec. 11, 1961, a son.

To Dr. R. N. Anderson (M.D., C.M. '54) and Mrs. Anderson at Halifax, N. S. on January 25, 1962, a son.

To Dr. Donald C. Brown (M.D., '59) and Mrs. Brown at Amherst, N. S. on January 9, 1962, a son.

To Dr. J. F. Boudreau (M.D., C.M. '51) and Mrs. Boudreau at Halifax, N. S. on January 16, 1962, a daughter.

To Rev. H. Rhodes Cooper (B.A. '46) and Mrs. Cooper at Halifax, N. S. on January 13, 1962, a son.

To Dr. Lionel G. C. Dockrill (M.D., C.M. '54) and Mrs. Dockrill at Picton, Ontario on January 8, 1962, a son.

To Dr. Louis J. Frost (DDS '55) and Mrs. Frost at Halifax, N. S. on December 24, 1961, a daughter.

To Dr. David Hawkins (M.D., '60) and Mrs. Hawkins at Halifax, N. S. on January 3, 1962, a son.

To Mr. Rhys House (Med. 56-57, Sci. 57-58) and Mrs. House at Halifax, N. S. on January 24, 1962, a son.

To Dr. David B. Keddy (Med. 56-62) and Mrs. Keddy at Halifax, N. S. on January 3, 1962, a son.

To Dr. A. L. Lesser (M.D., C.M. '56) and Mrs. Lesser at Halifax, N. S. on January 15, 1962, a daughter.

To Mr. B. B. Lockwood (B.Com. '50, LL.B. '52) and Mrs. Lockwood at Toronto, Ontario on January 26, 1962, a son.

To Dr. Ian G. MacQuarrie (B.Sc. '57, M.Sc. '58) and Mrs. MacQuarrie at Halifax, N. S. on December 27, 1961, a son.

To Mr. Ralph D. Mathieson (B.Sc. '56) and Mrs. Mathieson (Beverley Baxter, B.Sc. '52) at Labrador City, Newfoundland, on December 31, 1962, a son.

To Mr. Donald E. Nicolle (Arts 48-52) and Mrs. Nicolle at Halifax, N. S. on January 3, 1962, a daughter.

To Mr. Louis E. Moir (B.Sc. '50) and Mrs. Moir (Mildred Bishop, Sci. 46-49) at Halifax, N. S. on January 29, 1962, a son.

To Dr. B. L. Reid (B.Sc. '55, M.Sc. '57, M.D. '61) and Mrs. Reid at Halifax, N. S. on January 16, 1962, a son.

To Mr. Ken Robertson and Mrs. Robertson (Frances Stanfield, B.Sc. '54, LL.B. '58) at Toronto, Ontario on November 28, 1961, a son.

To Dr. Bernard Joseph Steele (Grad. Wk. 58-59) and Mrs. Steele at Halifax, N. S. on January 12, 1962, a daughter.

To Mr. David I. Jones (LL.B. '56) and Mrs. Jones at Halifax, N. S. on January 29, 1962, a daughter.

To Mr. John W. Alward (LL.B. '55) and Mrs. Alward (Judith Brannon) B.A. '59) at Halifax, N. S. on January 30, 1962, a daughter.

To Mr. James L. Bennet (Arts '49-'50) and Mrs. Bennet at Halifax, N. S. on February 6, 1962, a son.

To Dr. Gordon K. Dimock (M.D., C.M. '56) and Mrs. Dimock at St. John, N. B. on December 4, 1961, a daughter.

To Dr. Alfred W. E. Cluett (DDS '55) and Mrs. Cluett at London, Ontario on January 28, 1962, a son.

To Dr. J. M. Edgecombe (M.D., C.M. '58) and Mrs. Edgecombe at St. John's, Newfoundland on February 1, 1962, a daughter.

To Mr. Herschel Horowitz (Arts '54-'58) and Mrs. Horowitz (Gloria Breslin, B.A. '58) at Toronto, Ontario, on November 25, 1961, a son.

To Dr. William E. Greenlaw (M.D., '59) and Mrs. Greenlaw at Camp Borden, Ontario on August 1, 1961, a daughter.

To Dr. B. Downey Grover (M.D., '60) and Mrs. Grover (Carol Taylor, B.Ed. '57) at Fredericton, N. B. on February 28, 1962, a daughter.

To Mr. David Gruchy (LL.B. '57) and Mrs. Gruchy (Elizabeth Stayner, B.A. '55) at Truro, N. S. on February 14, 1962, a son.

To Dr. J. M. Hendry (B.A. '39, LL.B. '47) and Mrs. Hendry (Shirley Weacherby, B.A. '48) at Ottawa, Ontario, on February 4, 1962, a son.

To Mr. Charles Latter and Mrs. Latter (Julie Dobson, B.A. '55) at Halifax, N. S. on February 27, 1962, a daughter.

To Mr. Ernest MacAulay (Engin. '55-'57, '60-'61) and Mrs. MacAulay (Diane Sagadore, Sci. '55-'57) at Halifax, N. S. on February 22, 1962, a daughter.

To Dr. M. A. MacCulloch (M.D., '59) and Mrs. MacCulloch (Ann Rainnie, Arts '53-'54) at Oakville, Ontario on February 24, 1962, a daughter.

To Rev. G. E. Pyke (B.A. '57) and Mrs. Pyke at Windsor, N. S. on February 7, 1962, a son.

To Dr. B. C. Trask (M.D., C.M. '55) and Mrs. Trask at Sydney, N. S. on January 30th, 1962, a daughter.

To Mr. Robert J. McCleave (B.A. '43, LL.B. '46) and Mrs. McCleave (Ruth James, B.A. '43) at Ottawa, Ontario on March 6, 1962, a son.

To Dr. Donald J. G. Morris (B.Sc. '56, M.D. '61) and Mrs. Morris at Windsor, N. S. on February 21, 1962, a daughter.

To Mr. Alexander Ritchie and Mrs. Ritchie (Gaylan Rutledge, B.A. '54) at Halifax, N. S. on March 5, 1962, a son.

In Memoriam

Rev. Dr. Donald Fraser, B.A., '87, D.D. '45, died in Pictou, December 13, 1961 at the age of 97. Born in New Glasgow, he graduated from Pictou Academy before entering Dalhousie. He was also a graduate of Princeton Univer-

sity. His career in the ministry began after his graduation from Presbyterian College, Halifax, and at the time of his death was the oldest graduate of that College, now Pine Hill Divinity School.

M. Gerald Teed, Q.C., Arts & Law '21-'25, died in Saint John, December 23 after a few weeks' illness. Born in Dorchester in 1903, he was nationally known as a corporation lawyer and authority on taxation. In addition to his active career in his profession, he gave years of service to his community and was a prominent figure in business, and also in the field of education. A Rhodes Scholar himself for King's College in 1925, he later became one of the four national directors of the Rhodes Scholar Association at its inception in 1951. In 1956 he was appointed Chairman of the Canadian Tax Foundation.

Miss Lily H. Seaman, B.A. '09, M.A. (Radcliffe), died in Charlottetown, January 4, 1962. Most of her life was spent as a teacher in Prince of Wales College. In 1958 she was awarded an LL.D. degree by Dalhousie University.

Rev. Dr. H. A. Kent, B.A. '00, M.A. '05, a founder and leading theologian of the United Church of Canada, died in Kingston, Ontario, January 4, at the age of 81. A theology Professor at Queen's University for 25 years and a chaplain in two world wars, he had been living in retirement since 1951. He was at one time a professor at Pine Hill Divinity College.

Alastair George Mackinnon, B.A. '22, LL.B. '24 died December 26 in Montreal after a short illness. He was 60. Born in Halifax, son of the late Dr. Clarence Mackinnon, principal of Pine Hill Divinity Hall, he was educated in Halifax and also attended Royal Military College at Kingston. For the last 35 years he lived in Montreal where he was secretary of the Royal Securities Corporation, vice-president and director of the Maritime Electric Company and a director of the Canadian International Power Company. He is survived by his wife, the former Ruth MacPhail, B.A. '21, a son and a daughter.

James W. Dempsey, Arts '14-'15, died in Victoria, B.C., November 24 at the age of 70. He was born in Gregg, Manitoba, and graduated from Brandon University in 1912. He practised law in central Alberta between the two World Wars, and retired to Victoria in 1945.

Claude William Kedy, B.A. '19, died in Pictou, January 8. Born at Mahone Bay, he graduated from the Mahone Bay High School and Provincial Normal College, Truro. After receiving his B.A.

from Dalhousie he obtained his M.A. from Mount Allison University. He taught at Pictou Academy until his retirement 13 years ago.

Dr. John Stanley Bagnall, D.D.S. '21, died in Halifax, January 11. Born in Charlottetown in 1888, he came to Dalhousie in 1911, and after serving in World War One, he completed his dental course and joined the teaching staff of Dalhousie the same year. He was appointed professor in 1929, and dean of dentistry in 1947. In 1955 he was appointed Dean Emeritus of the Faculty of Dentistry as a mark of distinction. In 1960 he was honored by Dalhousie with an LL.D. degree. He was the first Canadian to be made a Fellow of the Dental Section of the Royal College of Surgeons of England.

Dr. Henry S. Tolson, B.A. '08, D.D.S. '12, died in Dartmouth January 16, at the age of 73. He practised in Sydney for one year then moved to Halifax where he practised until his retirement in 1957.

Carleton Frederick Bowes, B.A. '21, M.A. '22, died in Halifax, January 24 at the age of 64, after a lengthy illness. He served with the R.C.N. in the First World War. He did post-graduate work at Harvard University, and later taught at the Carnegie Institute, Pittsburgh, Penn. For a time he worked for the Halifax Chronicle, and was associated with Dalhousie University as a lecturer in English.

Word has been received of the death of Miss Rahno Mabel MacCurdy in January, at Glendale, California. She was born in Onslow, N. S. and graduated from Dalhousie in 1904. Since then most of her life had been spent in California.

The death occurred in December of Dr. Lorne A. Pierce, B.A. (Queens), LL.D. '60 (Dal.). He was recognized as Dean of Canadian Publishers, and had a marked influence on the development of Canadian writing, both by his encouragement to others and by his own writing, teaching and scholarship.

Rev. Dr. W. O. Mulligan, B.A. '14, M.A. '14, LL.B. (Man.), died in Saint John, January 22 at the age of 80. After graduation from Princeton Theological Seminary, he accepted his first call to Bedford, N. S. After holding charges in various places in Canada, he retired to Halifax in 1958, where he was immigration chaplain for the Presbyterian Church until two years ago.

Rod MacLean, Arts '23-'24, MLA for Inverness since 1949, died in Inverness, January 30, following a heart attack. He was 61 years old. In the House he served as chairman of the committee of the whole House and as deputy speaker under the former Liberal administration.

Frederic Ayer Campbell, B.Com. '36, died in Amherst, February 1. Born in Middle Sackville, he was a graduate of Mount Allison and Dalhousie. He started a funeral home in Amherst in 1936, and was past president of the Nova Scotia Board of Funeral Directors.

Dr. Edgar M. Curtis, M.D., C.M. '32, chief radiologist at the Colchester County Hospital for the past 15 years, died February 8, at the age of 57. He conducted a private practice in Truro for 10 years before joining the Hospital staff. His wife survives him and also three sons who are attending Dalhousie.

Dr. George L. Covert, M.D., C.M. '34, died in Halifax February 8, at the age of 53. After graduation from Dalhousie he did post-graduate work at Oxford and Edinburgh Universities before opening his Halifax practice in 1937. He is survived by his wife and four sons, two of whom attend Dalhousie, and one daughter.

Dr. Hugh A. Fraser, M.D., C.M. '29, died February 13, in Halifax, at the age of 57. He was born in Brooklyn, Hants County, and after graduation from Dalhousie, he took post graduate surgery at Charity Hospital, Cleveland, Ohio, for three years. After a year of practice in Halifax he went to Bridgewater where he had since practised, except for service during the Second World War with the R.C.A.F. He was a Fellow of the American College of Surgeons and the Royal College of Surgeons, and was medical health officer of Bridgewater for many years preceding his death. He is survived by his wife and two daughters. He is also survived by his four sisters all of whom are Dalhousie graduates.

Dr. Donald M. Reed, D.D.S. '22, died at his home in Middleton, February 21. He was 63. He was born in Middleton where he spent his entire professional life. He was active in church and community life, and served in various public offices. He is survived by his wife and a daughter, who graduated from Dalhousie (K) in 1959.

J. Donald Wood, Arts '20-'21, died in Halifax following a heart attack, February 25. He was born in Halifax

in 1903, and for the past several years was resident manager and director of Nesbitt Thomson and Company Limited, investment dealers. He was also president of the Nova Scotia Textiles Limited in Windsor, N. S.

Douglas J. Kennedy, B.A. '30, technical adviser to the manager of manufacturing of Shawinigan Chemicals Limited, died December 27, after a long illness. Born at Glace Bay in 1908, he joined Shawinigan Chemicals after graduation from Dalhousie. In 1949 he was appointed director of the plant research department and in 1960 was appointed to the post he held at the time of his death. He is survived by his wife, a son and a daughter.

SCHOOL TOURS ARRANGED

Provincial alumni who are interested in arranging for high school students in their areas to make a tour of Dalhousie are invited to contact the Alumni Office for further information.

Many high schools in the province have visited the campus and alumni are urged to promote similar tours in their areas.

Killed in Action - Korea - May 26, 1951

Room 303 - Furnished in Memory of:
Professor Howard Murray
by
Albert S. Fraser

Plaques similar to the one shown above have been placed on the door of each room in the Men's Residence which was furnished by a donation of \$300.

Editor's Note:—Alumni may still furnish rooms in the Men's Residence, either in their own name or "in memoriam". To furnish a room in the residence, send \$300 to Dalhousie University, c/o the Alumni Office, and include the information you would like to have appear on the plaque for your room. The University will send you a receipt for your gift which may be used for income tax purposes.
