

To the Governors of Dalhousie College  
and University

The petition of the students at  
present attending Dalhousie College humbly  
sheweth:

That your petitioners desire to express  
their sense of gratitude to George Munroe  
for his splendid gifts to Dalhousie College.

That your petitioners recognize the  
deep and lasting benefits which they  
derive and which will be derived by all  
students in the future from the chairs  
which he has so munificently endowed.

That your petitioners desire the  
donor's name to be kept in grateful  
remembrance by the students who will  
hereafter attend the College which owes  
so much to his liberality.

Your petitioners humbly ask the  
governors to grant a holiday so that the  
students may fitly commemorate the  
generosity of their countryman, and that  
said holiday be the third Wednesday  
of January in each college year, and  
be named in the Calendar the "George  
Munroe Memorial Day".

And your petitioners as in duty  
bound shall ever pray.
